Song in My Heart Nora D. Aragon,2009-09-16 **The Song in my Heart** Tracey Richardson,2015-04-20 Fame and money rained down on Dess Hampton like a monsoon She couldn't imagine needing more until her golden voice was silenced Now her quiet days are filled with her guitar and she savors every sunrise Curious and as a favor to a friend she emerges to hear a rumored superstar in the making Music pours out of Erika Alvarez through her voice and her fingertips She sawed that the reclusive Dess Hampton wants to hear her sing and then blown away when Dess agrees to sit in for a few gigs Dess can tell that Erika is destined for the life that she once had and wants no part of ever again But can the magic of the music they make together and the growing love between them trump Erika's ambition and Dess's fears How much are they willing to sacrifice for it and for each other **A Song in My Heart** Robert J. The Songs in My Heart Anne Marie Ginnane, 2025-06-07 This book is a sequel to *The Songs in My Heart Seasonal Remembrances* and continues to document Anne Ginnane's journey of recovery after cancer. The book is filled with additional remembrances and memories that were defined by spiritual inspiration, guidance, and nurturance. These various experiences acquired over a lifetime empowered and enhanced the author's fight for healing and survival. They also reinforced lessons that encompassed the development and growth of character. As Anne Marie learned, God is holistic in His healing and looks at every part of an individual when He heals. In healing, the author God brought to mind particular images and memories that would be considered simple in a complex world. The recollections were reminiscent of truth and harmony in an uncluttered childhood and young adulthood. They also emphasized key values that were progressive in nature and always in a shifting state of maturation. As Anne Marie struggled to return to a state of normalcy after cancer and treatments, this is the stuff that made her strong, inspired her, and gave her hope. *Music of America from My Heart* Mubo Aderonke Lala, 2015-01-16 Sarah was born to an unskilled young mother who suddenly finds herself alone with young Sarah when her then live-in boyfriend, which is Sarah's father, decided to leave them both for a tour of duty, a circumstance that made Sarah separated from her biological parents. Sarah was raised by her maternal grandmother and her auntie in a small town called Opelika. At an appointed time, all people that matter in her life came back to favor her. She fell in love and married a Nigerian student who encouraged her to fine-tune her career as a singer. When the family moved to Nigeria, she was not fond of rigidity in the Nigerian school system where students just study, do exam study, and do the test. Nothing excited her, therefore she suggested a ceremony similar to the American version of homecoming to her daughter's school. They not only accepted her idea but also granted her absolute right to coordinate and implement the entire event. The event was so successful that it eventually transformed Sarah from an elite housewife to a well-known socialite in the Nigerian high-class inner circle. _____ (*Music of My Heart*) 2 E.J. Gravis, 2019-06-18 Childhood friends Ryuuichi Yuuji and Takuya started a band for fun in junior high, wanting to imitate the bands they loved. Still keeping their band going in high school, they've decided to play in the school fall festival that is if they can solve the problem of finding a person to front the band since none of them are really cut out for the job. Lucky for them, plenty of friends and acquaintances take an interest in trying out for the position. But things become more complicated as Yuuji reveals he's impossible to please. Takuya starts dealing with some unwanted emotions and even Ryuuichi hides a dark secret. Volume 2 collects chapters 8-15 of the comic series plus bonus material. *Music of My Heart* is an understated slice-of-life series that follows best friends Yuuji, Ryuuichi, and others as they try to juggle high school, a band, and new feelings in 1980s Japan. _____ (*Music of My Heart*) 1 E.J. Gravis, 2019-07-05 High school student Ryuuichi and his best friend Yuuji couldn't be more different except for their mutual love of music, particularly western hard rock music, something that few Japanese bands have tried to imitate by the time the 80s roll around. It's been Yuuji's and Ryuuichi's goal to start a band that follows in the footsteps of the groups they admire most, but when the looming specter of approaching
