

Christian Poem

For Kids

By Maya Anthony

In the morning light so bright,
Birds take their soaring flight.
Flowers bloom, rivers gleam,
God's creation is like a dream.

Mountains tall, oceans deep,
Valleys where shadows creep.
Sunset's hue, stars that shine,
All declare, "The world is Thine!"

Children play, laughter rings,
To our Lord, our heart sings.
For the world so vast and wide,
God's love is always by our side.

Early Musings: a Collection of Sacred and Other Poems Amelia Bewsher, 1854 **Wayside Musings. A Book of Poems** Richard Richards (of Oswestry.), 1854 **Working-Class Women Poets in Victorian Britain** Florence S. Boos, 2008-06-12 Though working class women in the nineteenth century included many accomplished and prolific poets their work has often been neglected by critics and readers in favour of comparable work by men Questioning the assumption that few poems by working class women had survived Florence Boos set out to discover supposedly lost works in libraries private collections and archives Her years of research resulted in this anthology Working Class Women Poets in Victorian Britain features poetry from a variety of women including an itinerant weaver a rural midwife a factory worker protesting industrialization and a blind Scottish poet who wrote in both the Scots dialect and English In addition to biographical information and contemporary reviews of the poets work the anthology also includes several photographs of the poets their environment and the journals in which their poems appeared **The Cumulative Book Index**, 1903 *Mid-Victorian Poetry, 1860-1879* Catherine Reilly, 2000-01-01 These two volumes list late and mid Victorian poets with brief biographical information and bibliographical details of published works The major strength of the works is the discovery of very many minor poets and their work unrecorded elsewhere **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12

The Vagabond and Other Poems from Punch R. C. Lehmann, 2019-12-13 R C Lehmann's *The Vagabond and Other Poems from Punch* emerges as a captivating collection that encapsulates the wit and social commentary characteristic of early 20th century literary satire Drawing from the pages of the renowned magazine *Punch* Lehmann showcases a diverse array of poems that cleverly navigate themes of vagabondage class disparity and the humor of everyday life Composed in a lyrical style that blends sharp irony with melodic verse this anthology not only reflects the cultural milieu of its time but also serves as a critical lens through which readers can examine the evolving social landscape of post Victorian England R C Lehmann an esteemed figure in the literary circles of his era was deeply influenced by the social and political currents that permeated his surroundings As a frequent contributor to *Punch* his keen observations and playful yet poignant reflections on society likely inspired him to curate this collection His background as a poet and editor grants him a unique perspective on the art of satire further enriching the poems presented within this anthology For readers seeking a blend of humor and insight *The Vagabond and Other Poems from Punch* is a must read It invites you to traverse the highs and lows of human experience all while engaging with the sharp wit that has made Lehmann's work timeless This collection promises both entertainment and provocation making it a significant addition to the study of 20th century poetry *Charity and Philanthropy in Nineteenth-Century Britain* Kevin A.
