The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer,2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature *Adaptation in Young Adult Novels* Dana E. Lawrence,Amy L.

Montz,2020-09-03 *Adaptation in Young Adult Novels* argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten The textual afterlives of classic texts raise questions for new readers What can be changed What benefits from change How can you too be agents of change The contributors to this volume draw on a wide range of contemporary novels from Rick Riordan s Percy Jackson series and Megan Shepherd s Madman s Daughter trilogy to Jesmyn Ward s Salvage the Bones adapted from mythology fairy tales historical places and the literary classics of Shakespeare Charles Dickens Jane Austen and F Scott Fitzgerald among others Unpacking the new perspectives and critiques of gender sexuality and the cultural values of adolescents inherent to each adaptation the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally historically and socially aware through the lens of literary diversity **Naomi and Her Daughters** Walter Wangerin, Jr.,2010-08-28 FOR DISTRIBUTION OUTSIDE THE USA Master storyteller Walter Wangerin Jr pens the historically accurate biblical tale of Naomi and Ruth in this riveting novel Contemporary echoes of love deceit war and political instability will resonate with

The Story of Naomi--The Book of Ruth Terry Giles, William J. Doan, 2016-01-29 The book of Ruth is probably best known as a romantic love story that through the expression of loving devotion overcomes tragedy and ends with the founding of the most famous family in all of biblical Israel But the book wasn't always this way In fact it wasn't a book at all but rather a story told with a very different purpose in mind Before Ruth there was the Story of Naomi a subversive story designed to challenge a male dominated status quo Through comedy sarcastic irony and unparalleled rhetorical skill the Naomi storyteller holds up for inspection social gender roles and the power of sexuality in a manner that resonates yet today The Story of Naomi The Book of Ruth goes behind the literary rendition of the story and recaptures the original oral tale with script and performance directions that brings to life the humor tragedy and transparent honesty shared between the Naomi storyteller and her audience

Transnational Canadas Kit Dobson, 2009-08-04 *Transnational Canadas* marks the first sustained inquiry into the relationship between globalization and Canadian literature written in English Tracking developments in the literature and its study from the centennial period to the present it shows how current work in transnational studies can provide new insights for researchers and students Arguing first that the dichotomy of Canadian nationalism and globalization is no longer

valid in today's economic climate Transnational Canadas explores the legacy of leftist nationalism in Canadian literature It examines the interventions of multicultural writing in the 1980s and 1990s investigating the cultural politics of the period and how they increasingly became part of Canada's state structure Under globalization the book concludes we need to understand new forms of subjectivity and mobility as sites for cultural politics and look beyond received notions of belonging and being An original contribution to the study of Canadian literature Transnational Canadas seeks to invigorate discussion by challenging students and researchers to understand the national and the global simultaneously to look at the politics of identity beyond the rubric of multiculturalism and to rethink the slippery notion of the political for the contemporary era

Reading the Margins Michael J Gilmour,2024-09-24 The Bible and theology are contested spaces battlegrounds where participants guard entrenched beliefs against perceived threats But literature observes novelist Salman Rushdie opens the universe It expands what we perceive and understand and ultimately what we are Writers make our world feel larger and more inclusive When other forces push in the direction of narrowness bigotry tribalism cultism and war fiction encourages understanding sympathy and identification with others Reading the Margins invites readers to immerse themselves in imaginary worlds and to pursue visions of justice and compassion Whether stories about poverty empire war or the environment the writers considered raise moral questions and often in the process even unwittingly deepen our understanding of biblical calls for kindness and mercy Reading the Margins offers a kind of commentary on biblical ethics Using Matthew's Beatitudes and sheep and goats parable as an organizing principle Gilmour argues there is much to learn about Jesus's peacemakers and call to feed the hungry from aspirational fiction and poetry

Melancholia and Maturation Eric L. Tribunella,2010-01-15 Coming of age in children's fiction often means achieving maturity through the experience of trauma In classics ranging from Old Yeller to The Outsiders a narrative of psychological pain defies expectations of childhood as a time of innocence and play In this provocative new book Eric L. Tribunella explores why trauma especially the loss of a loved object occurs in some of the most popular and critically acclaimed twentieth century American fiction for children Tribunella draws on queer theory and feminist revisions of Freud's notion of melancholia which is described as a fundamental response to loss arguing that the low grade symptoms of melancholia are in fact what characterize the mature sober and responsible American adult Melancholia and Maturation looks at how this effect is achieved in a society that purports to protect youngsters from every possible source of danger thus requiring melancholia to be induced artificially Each of the book's five chapters focuses on a different kind of lost object sacrificed so as to propel

the child toward a distinctively gendered sexual ethical and national adulthood from same sex friends to the companionship of boy and his dog stories from the lost ideals of historical fiction about the American Revolution to the children killed or traumatized in Holocaust novels The author examines a wide spectrum of works including Jack London's dog tales the contemporary realistic novels of S E Hinton and Newbery Medal winners like Johnny Tremain and Bridge to Terabithia Tribunella raises fundamental questions about the value of children's literature as a whole and provides context for understanding why certain books become required reading for youth Eric L Tribunella is assistant professor of English at the University of Southern Mississippi His articles have been published in Children's Literature Association Quarterly Children's Literature in Education The Lion and the Unicorn A Critical Journal of Children's Literature and Children's Literature

Private and Fictional Words (Routledge Revivals) Coral Ann Howells, 2014-08-07 First published in 1987 this is an introductory study of the most widely read Canadian women novelists of the 1970s and 1980s At its centre lies the question of how the search for a distinctive cultural identity relates to the need for a national cultural identity in the post colonial era Coral Ann Howells argues that Canadian women's fiction throughout the period of study represents how the Canadian cultural identity exceeds its geographical limits and those traditional structures of patriarchal authority need revision if women's alternative views are to be taken into account Including short biographical sketches and a complete list of the books published by the authors under discussion writers examined include Margaret Atwood Alice Munro and Margaret Laurence

Anne Kempburn, Truthseeker Marguerite Bryant, 1910 **Ghost Writer** Rene Gutteridge, 2022-05-03 Workaholic Jonathan Harper is a fiction editor at a publishing house and is slowly drifting away from his family While proofreading a story about a serial killer written by his best friend and father figure Clyde he begins to receive a story from an anonymous source that is eerily similar to his own life It contains details no one else could possibly know details about his childhood and his marriage As the suspense builds Jonathan is forced to confront the demons in his own life as he seeks to understand the mystery behind the story
