David William Archard

Natural Parents:

Children Today ,1975 **Bureau Publication ...** ,1925 Children, Family and the State David William Archard,2018-02-06 This title was first published in 2003 This book critically examines the moral and political status of the child by a consideration of three interrelated questions What rights if any does the child have What rights over and duties in respect of a child do parents have What rights over and duties in respect of a child does the state have David Archard adopts three areas for particular discussion on the practical implications of the general theoretical issues education child protection policy and the medical treatment of children Providing a clear legal context and a sharper contemporary discussion of the question of rights this book presents a clear introduction to the key issues in the moral and political status of children

Publications of the Children's Bureau United States. Children's Bureau,1925 Bureau publication (United States. Children's Bureau). no. 150, 1925 ,1925 **Children Indentured by the Wisconsin State Public School ...** United States. Children's Bureau,1925 **District of Columbia Code, 1961 Ed** Washington (D.C.),1965 Foster Care: Theory & Practice (ILS 130) V. George,2014-06-03 First published in 1998 This is Volume VIII of the fifteen in the Sociology of Gender and the Family series This research was designed to explore primarily the relationship between theory and practice in foster care **Loneliness** Keming Yang,2019-01-30 In recent years its medical implications have brought loneliness to the centre of attention of mass media government agents and the general public However as this volume demonstrates loneliness is not merely a psychological individual or health issue In multiple ways it is a serious social problem as well Yang urges fellow researchers and scientists to broaden the existing definition and classification of loneliness to measure loneliness with greater accuracy and to establish more specifically the connection between loneliness and particular illness Drawing on vast sources of data including literary works case studies and large scale sample surveys covering a broad spectrum of countries Europe and beyond the empirical research of this study produces and presents simple but effective evidence for the social nature and variations of loneliness Examining loneliness at higher levels including ethnic groups classes national cultures and societies Loneliness will appeal to students and researchers interested in areas such as sociology psychology and mental health Cases Decided in the Court of Session, and Also in the Justiciary and House of Lords Scotland.
