

The background of the cover is a composite image. It features a man's face, likely Dean Stockwell, looking directly at the viewer. The face is partially obscured by a film strip that loops around it. Below the face, a computer keyboard is visible, with keys in shades of green and brown. The overall color palette is dominated by green and brown tones, giving it a vintage, slightly surreal feel.

Nature Boy The Unauthorized Biography Of Dean Stockwell:

Nature Boy M. L. Zambrana, 2002 In 1944 a little boy named Dean Stockwell began his acting career quite by accident when he accompanied his older brother Guy to a Broadway audition No one could have suspected that the precocious youngster who had trouble remembering his single line of I won't be damned and had little interest in the production would grow up to become one of the most prolific and talented performers in Hollywood From his film debut in the 1945 musical *Anchors Aweigh* to his Oscar nominated role of Tony The Tiger Russo in *Married to the Mob* Dean Stockwell has made a name for himself through offbeat and unique roles in movies theatre and television His most successful role and greatest fame came with the part of Al Calavicci in NBC's science fiction series *Quantum Leap* and as a former child star with Metro Goldwyn Mayer he qualifies as one of the legendary actors of the studio system However his name doesn't ring a bell with the general public Who is Dean Stockwell And just what has he done in his life Well he's done more than you might think

WRONG TURN: The Fifth Season of Love Vincent Risoli-Black, 2010-09-23 Using the Bible especially the Gospels as a source of consolation for the believed potential devastation that would result in the Wrath of God once seen imminent through Global Warming one is led through by the author to view positive signs of God's mercy and a new City of God that the Bible promises in Revelations The dolphins trapped in our rivers were our delight as we witnessed the twists and turns brought upon life through our eco systems and society Also a film maker Risoli Black details this additional dialog in the novel with anecdotes and criticisms of films of the fifties sixties and seventies when one had choices of decent role models with ideal standards not idols that led away from God **WRONG TURN The Fifth Season of Love** is a novel of true events where the townsfolk are the heavies that recall plots like *Peyton Place* and *Town Without Pity* Also includes the novella *The Song of the Bow* about the love between Jonathan and David a love greater than the love of women **Books In Print**
