A Midsummer Night's Dream William Shakespeare, 2003-04-28 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations This second edition of A Midsummer Night's Dream retains R A Foakes text and has been extensively updated by him In the Introduction to what is widely acknowledged as Shakespeare's most popular comedy Foakes describes the two main traditions in the play's stage history one emphasising charm and innocence the other stressing darker suggestions of violence and sexuality He shows that both are necessary to a full understanding of the play For this edition the editor has added a new account of important theatrical productions and scholarly criticism on the play that have appeared in recent years The reading list has also been revised and updated *The Publishers' Trade List Annual*, 1978 **Birdland** Simon

Stephens, 2014-05-29 Everything can be quantified All worth can be quantified Artistic worth Human worth Material worth Everything Some food is simply better than other food Isn't it Some clothes are better than other clothes Aren't they The last week of a massive international tour and rock star Paul is at the height of his fame Everybody knows his name Whatever he wants he can have He can screw anybody he wants to He can buy anything he desires He can eat anything Drink anything Smoke anything Go anywhere As the inevitability of the end of the road looms closer and a return home becomes a reality for Paul the music is starting to jar Birdland received its world premiere at the Royal Court Theatre Downstairs on 3 April 2014

A Miracle Molly Davies, 2014-03-10 A programme text edition published to coincide with the world premiere at the Royal Court Theatre London on 27 February 2009 Take one baby and a mother who's not sure if she's ready Add a soldier returned from war and a grandmother holding the fort Mix in a landscape of flatness and a pinch of violence in the countryside and maybe just maybe you'll get a miracle A play about wanting a better life **The First Quarto of King Lear** William

Shakespeare, 1994 This edition of Shakespeare's King Lear is based on the first 1608 quarto and represents a significantly different version from that published in the folio of 1623 which forms the basis of the standard New Cambridge Shakespeare edition Each has numerous unique passages and hundreds of variant readings creating differences that affect the structure characterization and overall impact of the play This volume contains a substantial introduction the text of the first quarto a collation of variant readings and an appendix of passages unique to the Folio **The First Quarto of King Henry V** William

Shakespeare, 2000-06 The Quarto text of Henry V is of unique importance It is the first and probably the only text of a Shakespeare play which provides the playscript corresponding to the version that was actually performed by Shakespeare's own company It has the authority of being transcribed by actors in the company as a record of their original staging at the Globe in 1599 The quarto version differs radically from the First Folio text which is used as the source for all other editions Half as long as the Folio it represents a practical staging text that streamlined the script supplied by Shakespeare This

edition of the Henry V quarto provides a modernized text alongside the extensive commentary Andrew Gurr examines each variant from the Folio text in detail shedding new light on what happened to scripts that the Shakespeare company bought from their resident playwright Haileybury Register, 1862-1910 Haileybury College, England,1910 **Haileybury Register, 1862-1910** Lionel Sumner Milford,1910 **Haileybury Register** Haileybury and Imperial Service College,1910
