Prose And Poetry Of The American West:

Prose & Poetry of the American West James C. Work, 1991 A collection of poems and stories about the West from the pre European era to the present by such authors as Helen Hunt Jackson Sharlot Hall Mary Hunter Austin John Muir Mark Twain and Jimmy Santiago Baca **A Literary History of the American West** Western Literature Association (U.S.), 1987

Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

A Companion to the American West William Devereaux, 2008-04-15 A Companion to the American West is a rigorous illuminating introduction to the history of the American West Twenty five essays by expert scholars synthesize the best and most provocative work in the field and provide a comprehensive overview of themes and historiography Covers the culture politics and environment of the American West through periods of migration settlement and modernization Discusses Native Americans and their conflicts and integration with American settlers Re-imagining the Modern American West Richard

W. Etulain, 1996-09 Describes changes in how the West has been seen from a male dominated frontier to a region with a powerful sense of place to a modern center of both genders ethnic groups and environmental interests **American Western** Stephen McVeigh, 2007-02-14 This wide ranging book illuminates the importance of the Western in American history It explores the interconnections between the Western in both literature and film and the United States in the 20th century Structured chronologically the book traces the evolution of the Western as a uniquely American form The author argues that America's frontier past was quickly transformed into a set of symbols and myths an American meta narrative that came to underpin much of the American century He details how and why this process occurred the form and function of Western myths and symbols the evolution of this mythology and its subversions and reconstructions throughout 20th century American history The book engages with the full range of historical literary and cinematic perspectives and texts from the founding Western histories of Theodore Roosevelt and Frederick Jackson Turner to the New Western history of Patricia Nelson Limerick and Richard White *The American West* Dee Brown, 2012-12-25 As the railroads opened up the American

West to settlers in the last half of the 19th Century the Plains Indians made their final stand and cattle ranches spread from Texas to Montana Eminent Western author Dee Brown here illuminates the struggle between these three groups as they fought for a place in this new landscape The result is both a spirited national saga and an authoritative historical account of the drive for order in an uncharted wilderness illustrated throughout with maps photographs and ephemera from the period

Edward Dorn, Charles Olson, and the American West Paul Varner, 2020-03-12 This book examines the poetics of the 20th century American West depicted by Edward Dorn through the influence and inspiration of his Black Mountain College mentor

and fellow poet Charles Olson It considers some of the most important and challenging poetic representations of the 20th century American West to come out of the Beat Movement and avant garde literary scene

The New American West in Literature and the Arts Amaia Ibarra-Bigalondo, 2020-05-12 The story of the American West is that of a journey It is the story of a movement of a geographical and human transition of the delineation of a route that would soon become a rooted myth The story of the American West has similarly journeyed across boundaries in a two way movement sometimes feeding the idea of that myth sometimes challenging it This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary standpoints The volume originates in Europe in Spain where the myth traveled was received assimilated and re presented It intends to travel back to the West in a two way cross cultural journey which will hopefully contribute to the delineation of the New always self renewing American West It includes the work of authors of both sides of the Atlantic ocean who propose a cross cultural transdisciplinary dialogue upon the idea the geography and the representation of the American West

New Westers Michael L. Johnson, 1996 These New Westers Johnson reveals line dance and two step listen to Garth Brooks and George Strait drink beer from long neck bottles wear clothes ordered from Sheplers watch rodeo on ESPN play Wild West arcade games eat fajitas and tacos in stuccoed Mexican cafes collect Western art and Native American crafts and vacation in and move to the West New Westers rewrite the history and biography of the West They reimagine the West in Cowboy sagas and poetry Native American novels Mexican American drama nature writing revisionist films eclectic visual artwork and neo traditional music They flock to movies like *Thelma and Louise* *Unforgiven* and *Dances with Wolves* watch mini series like *Lonesome Dove* and read bestsellers like *The Crossing* and *All The Pretty Horses* New Westers are men and women who may or may not have ever hitched up a horse but who crave connection with the West At the end of a century of urbanization technological change and cultural confusion they seek a more natural home a fuller and wider sense of place and a deeper and more colorful personal identity They also want to revive the dream of the mythic West but on different terms They overrun the Old West and yet strive to preserve it raising troubling new concerns about the differences between the mythic and the real between traditional and contemporary cultural influences

Hunger for the Wild Michael L. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries

The American West, 1899-1936 Harriet Monroe, 2024-07 This comprehensive volume presents Harriet Monroe s 1860 1936 previously unexplored love affair with the American West an infatuation that blossomed in three interrelated genres prose poetry and drama Known internationally as the founder and influential editor of *Poetry A Magazine of Verse* here Monroe is revealed as a prolific author with a passion for the people scenery and environments she encountered during western escapes from her constricted urban life in Chicago Monroe s western travels were transformative Originally schooled in the literary and artistic traditions

of Europe Monroe became increasingly convinced of the fundamental importance of the American West as the muse to which American writers and artists should turn for inspiration Her vivid impressions of the Grand Canyon the rituals of Native Americans and the camaraderie of outings with John Muir and the Sierra Club include writings drawn from newspaper accounts and early journal articles as well as previously unpublished archival materials The foreword by Lindsay Atnip and the introduction by Michael R Hill helpfully place Monroe's genre spanning writings within the vibrant artistic and intellectual milieu of the early twentieth century

American Literature Alphonso Gerald Newcomer, 1906 Best Stories of the American West Marc Jaffe, 2007-04-17 Here is the first in a series of collections of the best contemporary writing to come from the American West short stories by a diverse group of writers young and old male and female well known and not so known And for the first time there appears side by side with these the work of so called traditional Western writers such as Max Evans and Elmer Kelton and the literary contingent represented by William Kittredge and Valerie Miner Best Stories of the American West reflects the extraordinary diversity of the culture and lifestyles of the American West Stories by Sherman Alexie Melanie Rae Thon and Lannan Award winner Luis Alberto Urrea center on the world of Indian Country a world unknown to most Americans but crucial to an understanding of American society as a whole Elmore Leonard deals with violence and justice Richard Cass and Steven Patterson offer dramatic stories of women engaged in perilous worlds of work and sex Max Evans describes a cowboy life that is in a curious way the other side of the coin of Brokeback Mountain There is an all pervading tragic sense of history in John Graves's The Last Running Well known film director and author John Sayles offers a unique view of the working man's Hollywood and Geronimo Tagatac of Filipino heritage takes the reader through an immigrant experience typical of the West In Drum Hadley's Southwest Stories poetry and prose merge into the tradition of mythic storytelling going back to Mark Twain and Bret Harte and returning to the present day of Gary Snyder and others Idaho born and bred John Rember uses metaphor and humor to tell a story of sadness growth and love in Sudden Death Over Time which appears in print here for the first time Taken together these twenty stories five appearing for the first time in print create an unparalleled picture of an enormously complex region on the map as well as a gallery of memorable characters and human conflicts
