Uytanlet, Kiem-Kiok Kwa, 2017-05-14 The Asia Bible Commentary series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible The Great Commission is yet to be fulfilled Asian churches like Matthew's original audience are encountering various challenges as they obey Jesus last command in the First Gospel The promise of the presence of God accompanies Jesus command and in Matthew's narrative God's presence is seen powerfully in Jesus life Believers today can hold to the same promise and this promise should be an encouragement to continue preaching God s The Atlantic Monthly ,1917 The Expositor ,1917 kingdom True Jew Leon Zitzer, 2011-01-03 Done done and done This book solves three important problems What role did Jewish leaders play in the death of Jesus it certainly wasnt to help Rome execute him What was Judas role he certainly was no traitor And how does Barabbas fit into this These problems were solved in the authors previous book The Ghost in the Gospels but here even more evidence is presented and in a more compact way for a faster ride The first chapter is a knock out punch proving it is absolutely impossible that Judas betrayed Jesus Not merely improbable Impossible Absolutely What Judas actually did awaits a later chapter after reviewing the historical context from Josephus and all the evidence in the New Testament that exonerates Jewish leaders of any blame in Jesus death What has blinded us to the evidence is theology An obsession with surrounding Jesus with Jewish enemies and portraying him as an alien and threat to his own culture Pure theology Thats all it ever was No solid pattern of evidence in the Gospels ever supported it Could the great majority of scholars have been wrong about this for the last two centuries Yes
