ANTHONY J. BADGER

Prosperity Road The New Deal Tobacco And North Carolina

Maurice Duke, Daniel P. Jordan

Prosperity Road The New Deal Tobacco And North Carolina:

Prosperity Road Anthony J. Badger, 1980 This study is the first to trace a single Agricultural Adjustment Administration commodity program and to assess the impact of a major New Deal program in North Carolina The freezing of tobacco growing brought prosperity to the growers but little benefit to the small and tenant farmer Given the problems that affected both AAA policy making and implementation the New Deal's choice lay not between a limited or a radical program but between the limited program or none at all A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Texas, Cotton, And The New Deal Keith Joseph Volanto, 2005 Cotton growing Government policy Texas History 2 Cotton trade government policy Texas History 3 New Deal 1933 1939 Texas 4 United States

New Deal / New South Anthony J. Badger, 2007-06-01 The twelve essays in this book several published here for the first time represent some of Tony Badger's best work in his ongoing examination of how white liberal southern politicians who came to prominence in the New Deal and World War II handled the race issue when it became central to politics in the 1950s and 1960s Franklin Roosevelt in the 1930s thought a new generation of southerners would wrestle Congress back from the conservatives The Supreme Court thought that responsible southern leaders would lead their communities to general school desegregation after the Brown decision John F Kennedy believed that moderate southern leaders would with government support facilitate peaceful racial change Badger's writings demonstrate how all of these hopes were misplaced Badger shows time and time again that moderates did not control southern politics Southern liberal politicians for the most part were paralyzed by their fear that ordinary southerners were all too aroused by the threat of integration and were reluctant to offer a coherent alternative to the conservative strategy of resistance

The New Deal Fiona Venn, 2013-12-16 This book offers a chronological introduction to the New Deal incorporating details of events and developments outside as well as within Washington D C and examining American and foreign reaction to the policies The main emphasis of the book is on policy formation and implementation and on the context in which the New Deal evolved A detailed chronology of events is provided and The New Deal ends with notes on further reading and an extensive index

The South and the New Deal Roger Biles, 2021-05-11 When Franklin D Roosevelt was sworn in as president the South was unmistakably the most disadvantaged part of the nation The region's economy was the weakest its educational level the lowest its politics the most rigid and its laws and social mores the most racially slanted Moreover the region was prostrate from the effects of the Great Depression Roosevelt's New Deal effected significant changes on the southern landscape challenging many traditions and laying the foundations for subsequent alterations in the southern way of life At the same time firmly entrenched values and institutions militated against change and blunted the impact of federal programs In The South and the New Deal Roger Biles examines

the New Deal's impact on the rural and urban South its black and white citizens its poor and its politics He shows how southern leaders initially welcomed and supported the various New Deal measures but later opposed a continuation or expansion of these programs because they violated regional convictions and traditions Nevertheless Biles concludes the New Deal coupled with the domestic effects of World War II set the stage for a remarkable postwar transformation in the affairs of the region The post World War II Sunbelt boom has brought Dixie more fully into the national mainstream To what degree did the New Deal disrupt southern distinctiveness Biles answers this and other questions and explores the New Deal's enduring legacy in the region

The New Deal Anthony J. Badger, 1987-10-01 In tackling America's worst depression the New Deal brought the federal government into unprecedented contact with most Americans and shaped the political economy of the contemporary United States This major new study incorporates the results of many recent case studies of the New Deal and provides a detailed assessment of the impact of the depression and New Deal programmes on businessmen industrial workers farmers and the unemployed In his thematic analysis of the implementation of particular programmes rather than in a narrative of policymaking Dr Badger explains the political and ideological constraints which limited the changes wrought by the New Deal

Faithful Republic Andrew Preston, Bruce J. Schulman, Julian E. Zelizer, 2015-04-17 Despite constitutional limitations the points of contact between religion and politics have deeply affected all aspects of American political development since the founding of the United States Within partisan politics federal institutions and movement activism religion and politics have rarely ever been truly separate rather they are two forms of cultural expression that are continually coevolving and reconfiguring in the face of social change Faithful Republic explores the dynamics between religion and politics in the United States from the early twentieth century to the present Rather than focusing on the traditional question of the separation between church and state this volume touches on many aspects of American political history addressing divorce civil rights liberalism and conservatism domestic policy and economics Together the essays blend church history and lived religion to fashion an innovative kind of political history demonstrating the pervasiveness of religion throughout American political life Contributors Lila Corwin Berman Edward J. Blum Darren Dochuk Lily Geismer Alison Collis Greene Matthew S. Hedstrom David Mislin Andrew Preston Bruce J. Schulman Molly Worthen Julian E. Zelizer

Smoke Em If You Got Em Joel Bius, 2018-11-15 The American military industrial complex and accompanying culture are most often associated with massive weapons procurement programs and advanced technologies However one aspect of the complex is not a weapon or even a machine but one of the world's most highly engineered consumer products the manufactured cigarette Smoke Em If You Got Em describes the origins of the often comfortable yet increasingly controversial relationship among the military the cigarette industry and tobacco and politicians during the twentieth century Smoke Em If You Got Em is also a study in modern American political economy Bureaucrats soldiers lobbyists government executives legislators litigators or anti smoking activists all struggled over far reaching policy issues involving the cigarette The soldier cigarette

relationship established by the Army in World War I and broken apart in the mid 1980s underpinned one of the most prolific social cultural economic and healthcare related developments in the twentieth century the rise and proliferation of the American manufactured cigarette smoker and the powerful cigarette enterprise supporting them Using the manufactured cigarette as a vehicle to explore political economy and interactions between the military and American society Joel R Bius helps the reader understand this important yet overlooked aspect of twentieth century America **Tobacco Merchant** Maurice Duke, Daniel P. Jordan, 2021-10-21 Maurice Duke and Daniel P Jordan vividly describe the colorful life and times of one of the South's and America's most important businesses and provide insight into how luck management practices and personalities helped the company rise to international prominence Universal Leaf Tobacco Company the world's largest independent leaf tobacco dealer is one of the major buying arms for tobacco manufacturers worldwide selecting purchasing processing and storing leaf tobacco The story opens during the aftermath of the Civil War when Southerners realized once again the worldwide potential of their native crop The authors follow the company from its incorporation 1918 through one of the first hostile takeover attempts in American business to its evolution in 1993 into Universal Corporation a worldwide conglomerate with a number of products including tobacco Based on scholarly research and over two hundred interviews with past and present Universal employees this objective saga reveals much about American business and economic history

The White House Looks South William Edward Leuchtenburg, 2005 At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people's lives and that presidents can be change makers Jacket **Shapers of Southern History** John B. Boles, 2004 This volume gathers personal recollections by fifteen eminent historians of the American South Coming from distinctive backgrounds traveling diverse career paths and practicing different kinds of history the contributors exemplify the field's richness on many levels As they reflect on why they joined the profession and chose their particular research specialties these historians write eloquently of family and upbringing teachers and mentors defining events and serendipitous opportunities The struggle for civil rights was the defining experience for several contributors Peter H Wood remembers how black fans of the St Louis Cardinals erupted in applause for the Dodgers Jackie Robinson I realized for the first time writes Wood that there must be something even bigger than hometown loyalties dividing Americans Gender equality is another frequent concern in the essays Anne Firor Scott tells of her advisor's ridicule when childbirth twice delayed Scott's dissertation With great effort I managed to write two chapters but Professor Handlin was moved to inquire whether I planned to have a baby every chapter Yet another prominent theme is the reconciliation of the professional and the personal as when Bill C Malone traces his scholarly interests back to the memories of growing up poor on an East Texas cotton farm and finding escape and diversion in the sounds of hillbilly music Always candid and often witty each essay is a

road map through the intellectual terrain of southern history as practiced during the last half of the twentieth century **Up in Smoke** Martha A. Derthick, 2011-07-26 In recent years tobacco politics has been a multi layered issue fraught with significant legal commercial and public policy implications From the outset Martha A Derthick's *Up in Smoke* took a nuanced look at tobacco politics in a new era of adversarial legalism and the consequences both intended and unintended of the MSA Master Settlement Agreement Now with a brand new 3rd edition the book returns to ordinary politics and the passage of the Family Smoking Prevention and Tobacco Control Act which gave the FDA broad authority to regulate both the manufacture and marketing of tobacco products Derthick shows our political institutions working as they should even if slowly with partisanship and interest group activity playing their part in putting restraints on cigarette smoking [Making Sense of American Liberalism](#) Jonathan Bell, Timothy Stanley, 2012-04-15 This collection of thoughtful and timely essays offers refreshing and intelligent new perspectives on postwar American liberalism Sophisticated yet accessible *Making Sense of American Liberalism* challenges popular myths about liberalism in the United States The volume presents the Democratic Party and liberal reform efforts such as civil rights feminism labor and environmentalism as a more united more radical force than has been depicted in scholarship and the media emphasizing the decline and disunity of the left Distinguished contributors assess the problems liberals have confronted in the twentieth century examine their strategies for reform and chart the successes and potential for future liberal reform Contributors are Anthony J Badger Jonathan Bell Elizabeth Cohen Susan Hartmann Ella Howard Bruce Miroff Nelson Lichtenstein Doug Rossinow Timothy Stanley and Timothy Thurber

Breaking the Land Pete Daniel, 1985 Winner of the Herbert Feis Award of the American Historical Association 1985 Winner of the Charles S Sydnor Award of the Southern Historical Association 1985 Winner of the 1990 Robert Athearn Award of the Western History Association and an Honorable Mention for the 1990 James S Donnelly Sr Prize in History and the Social Sciences from the American Conference for Irish Studies *Long Green* Eldred E. Prince Jr., Robert R. Simpson, 2013-01-01 The first comprehensive history of Bright Leaf tobacco culture of any state to appear in fifty years this book explores tobacco's influence in South Carolina from its beginnings in the colonial period to its heyday at the turn of the century the impact of the Depression the New Deal and World War II and on to present day controversies about health risks due to smoking The book examines the tobacco growers struggle against the monopolistic practices of manufacturers explains the failures of the cooperative reform movement and the Hoover administration's farm policies and describes how Franklin Delano Roosevelt's New Deal rescued southern agriculture from the Depression and forged a lasting and successful partnership between tobacco farmers and government The technological revolutions of the post World War II era and subsequent tobacco economy hardships due to increasingly negative public perception of tobacco use are also highlighted The book details the roles and motives of key individuals in the development of tobacco culture including firsthand experiences related by farmers and warehousemen and offers informed speculations on the future of tobacco culture Long

Green allows readers to better understand the full significance of this cash crop in the history and economy of South Carolina and the American South Cultivating Congress William Paul Browne, 1995 The American Congress in the mid 1990s remains the object of voter discontent Public outcries against special interests and unresponsive incumbents have amplified an already pervasive scepticism towards Beltway politics The book covers policy towards agricultural issues in particular

Delaying the Dream Keith M. Finley, 2010-09-01 Few historical events lend themselves to such a sharp delineation between right and wrong as does the civil rights struggle Consequently many historical accounts of white resistance to civil rights legislation emphasize the ferocity of the opposition from the Ole Miss riots to the depredations of Eugene Bull Connor's Birmingham police force to George Wallace's stand on the schoolhouse steps While such hostile episodes frequently occurred in the Jim Crow South civil rights adversaries also employed other less confrontational but remarkably successful tactics to deny equal rights to black Americans In *Delaying the Dream* Keith M. Finley explores gradations in the opposition by examining how the region's principal national spokesmen its United States senators addressed themselves to the civil rights question and developed a concerted plan of action to thwart legislation the use of strategic delay Prior to World War II Finley explains southern senators recognized the fall of segregation as inevitable and consciously changed their tactics to delay rather than prevent defeat enabling them to frustrate civil rights advances for decades As public support for civil rights grew southern senators transformed their arguments to limit the use of overt racism and appeal to northerners They granted minor concessions on bills only tangentially related to civil rights while emasculating those with more substantive provisions They garnered support by nationalizing their defense of sectional interests and linked their defense of segregation with constitutional principles to curry favor with non southern politicians While the senators achieved success at the federal level Finley shows they failed to challenge local racial agitators in the South allowing extremism to flourish The escalation of white assaults on peaceful protesters in the 1950s and 1960s finally prompted northerners to question southern claims of tranquility under Jim Crow When they did segregation came under direct attack and the principles that had informed strategic delay became obsolete Finley's analysis goes beyond traditional images of the quest for racial equality the heroic struggle the southern extremism the filibusters to reveal another side to the conflict By focusing on strategic delay and the senators foresight in recognizing the need for this tactic *Delaying the Dream* adds a fresh perspective to the canon on the civil rights era in modern American history Rural Worlds Lost Jack Temple Kirby, 1986-12-01 Immediately following the Civil War and for many years thereafter southerners proclaimed a New South implying not only the end of slavery but also the beginning of a new era of growth industrialization and prosperity Time has shown that those declarations at least in terms of progress and prosperity were premature by several decades Life for an Alabama tenant farmer in 1920 did not differ significantly from the life his grandfather led fifty years earlier In fact the South remained primarily a land of poor farming folks until the 1940s Only then and after World War II did the real New South of industrial growth and urban development

begin to emerge Jack Temple Kirby's massive and engaging study examines the rural southern world of the first half of this century its collapse and the resulting modernization of southern society The American South was the last region of the Western world to undergo this process and Rural Worlds Lost is the first book to so thoroughly assess the profound changes modernization has wrought Kirby painstakingly charts the structural changes in agriculture that have occurred in the South and the effects these changes have had on people both at work and in the community He is quick to note that there is not just one South but many emphasizing the South's diversity not only in terms of race but also in terms of crop type and topography and the resultant cultural differences of various areas of the region He also skillfully compares southern life and institutions with those in other parts of the country noting discrepancies and similarities Perhaps even more significant however is Kirby's focus on the lives and communities of ordinary people and how they have been transformed by the effects of modernization By using the oral histories collected by WPA interviewers Kirby shows firsthand how rural southerners lived in the 1930s and what forces shaped their views on life He assesses the impact of cash upon traditional rural economies the revolutionary effects of New Deal programs on the rich and poor and the forms and cultural results of migration Kirby also treats home life recording attitudes toward marriage and sex health maintenance and class relationships not to mention sports and leisure moonshining and the southerner's longstanding love hate relationship with the mule Rural Worlds Lost based on exceptionally extensive research in archives throughout the South and in federal agricultural censuses definitively charts the enormous changes that have taken place in the South in this century Writing about Kirby's previous book Media Made Dixie Time Magazine noted Kirby's scholarship of rare lucidity That same high level of scholarship as well as an undeniable affection for the region is abundantly evident in this new path breaking book

FDR: The First Hundred Days Anthony J. Badger, 2009-06-09 The Hundred Days FDR's first 15 weeks in office was a time of unprecedented governmental activity in America In this account Anthony J. Badger reinterprets the period as an exercise in exceptional political craftsmanship

Owsley County, Kentucky, and the Perpetuation of Poverty John R. Burch, Jr., 2015-03-12 Owsley County Kentucky is well known by journalists academics and local historians as a quintessential example of rural poverty in Appalachia This study identifies several reasons behind Owsley County's ongoing struggle with poverty including the county's lack of natural resources a poor transportation system and a centralized socio political power structure controlled by the entrenched elite The author asserts that Owsley County's economic hardships are far from unique but rather are representative of a significant number of Appalachian counties and towns Several tables and appendices provide useful demographic legislative and agricultural data

Prosperity Road The New Deal Tobacco And North Carolina Introduction

In today's digital age, the availability of Prosperity Road The New Deal Tobacco And North Carolina books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prosperity Road The New Deal Tobacco And North Carolina books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prosperity Road The New Deal Tobacco And North Carolina books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prosperity Road The New Deal Tobacco And North Carolina versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prosperity Road The New Deal Tobacco And North Carolina books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prosperity Road The New Deal Tobacco And North Carolina books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prosperity Road The New Deal Tobacco And North Carolina books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prosperity Road The New Deal Tobacco And North Carolina books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prosperity Road The New Deal Tobacco And North Carolina books and manuals for download and embark on your journey of knowledge?

FAQs About Prosperity Road The New Deal Tobacco And North Carolina Books

1. Where can I buy Prosperity Road The New Deal Tobacco And North Carolina books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
