The Economics of Prosperity Shawn Ritenour, 2023-02-14 This book presents a general theory of the economics of prosperity Drawing upon both historic and contemporary Austrian economic thinking it looks beyond merely identifying various isolated causes of economic growth and development to describe and explain the process of economic progress It brings together various economic principles related to production exchange the market division of labor capital technology entrepreneurship and economic calculation and a further understanding of how different institutional settings and specific policies all affect the process of economic progress It also provides a helpful critique of modern growth theory

Corruption in Africa John Mukum Mbaku, 2007-02-15 Corruption in Africa makes a significant contribution to the study of the impacts and eradication of corruption in African societies John Mukum Mbaku offers a comprehensive analysis of the causes of public malfeasance in African countries and provides a number of practical and effective policy options for change This book demonstrates the destructive relationship between corruption and the abrogation of economic freedoms and entrepreneurship a system that has clearly left Africa as one of the most deprived regions in the world Utilizing the tools of public choice theory Mbaku emphasizes the important role that institutions have in corruption control and he recommends reconstructive democratic constitutions as the most effective means of development Until African states provide their people with institutional arrangements that adequately constrain the state and enhance wealth production the living standards in the continent will continue to deteriorate Corruption in Africa is a fascinating and informative text that will appeal to those interested in African studies and developmental policies

Protecting Human Security in Africa Ademola Abass, 2010-09-23 Protecting Human Security in Africa discusses some of the most potent threats to human security in Africa It deals especially with those threats to the security of African people which are least understood or explored In themes varying from corruption the proliferation of small arms and light weapons food security the devastation of internal displacement in Africa the link between natural resources and human security to the problems of forced labour threats to women s security and environmental security the book examines the legal and policy challenges of protecting human security in Africa This work also analyses the role of NGOs and the civil society in advocating human security issues in Africa It considers the role of regional human rights mechanisms and judicial bodies such as the African Commission for Human Rights and the African Court of Human and Peoples Rights in seeking to guarantee human security in Africa Finally with particular reference to the Somalia Zimbabwe Kenya and Darfur crises the book studies the role of African regional organizations especially the African Union in protecting the human security of Africans Written by

leading experts on its various themes this is an indispensable book for all those seeking to learn more about the real challenges facing Africans and African organizations

Development in Nigeria Edlyne Eze Anugwom, 2020-04-13 This book unravels the trajectories and dilemmas of development in Nigeria since its independence in 1960 Despite enormous human and material resources development progress in Nigeria has not met expectations By delving into the various factors that have influenced development efforts and initiatives Development in Nigeria Promise on Hold aims to draw out lessons to help the country to achieve its potential In many ways Nigeria typifies the African puzzle of near misses a never ending drive towards development with enormous promise but no real practical output As in many states within Africa these failures can be traced to structural inadequacies and the perennial weakness of public institutions Problems which collectively undermine sustainable development and growth include political corruption ethnicity failure of public institutions distributional injustice fiscal centralism in a purported federal state faulty democratic traditions malevolent elite class religious and social conflicts among others By taking a comprehensive panoramic overview of the country's historical experience as both a military dictatorship and democracy Edlyne Eze Anugwom presents a nuanced comprehensive and contemporary interrogation of the ever dynamic forces and factors in Nigeria's development project This book's incisive examination of Nigeria's development aspirations over time will be of interest to students of Development and African Studies as well as to practitioners and multilateral agencies involved in development planning and intervention in Nigeria who are looking for strategies for overcoming the challenges facing the country

The Classical Liberal Case for Israel Walter E. Block, Alan G. Futerman, 2021-11-02 This book offers a unique perspective on the State of Israel based on classical liberalism both on a historical and theoretical level Specifically it makes a classical liberal and libertarian analysis based upon homesteading and private property rights to defend the State of Israel As such this work explores the history of the Jewish State both to provide a positive case for its right to exist and to clarify the myths surrounding its origin and development At the same time it deals with other relevant related subjects such as the complex situation between Israel and the Palestinian Arabs the military campaigns against the Jewish State the connection between anti Zionism and anti Semitism and Israel's economic miracle The thorough analysis presented in this work intends to show not only why the voices and movements against Israel are wrong including the Boycott Divestment and Sanctions movement BDS but more importantly why Israel is an example of human flourishing and freedom that every advocate for liberty should celebrate The Classical Liberal Case for Israel makes the practical and moral case for Israel It is based on truths and facts that need to be repeated over and over Block Futerman understand that the only way to defeat a big lie is with a big truth Benjamin Netanyahu Prime Minister of the State of Israel Jerusalem Israel Classical Liberalism often associated with the spread West from Northern Europe in creating free nations is argued here as applying to Israel with ancient roots in the principles of human freedom Vernon L Smith Ph D Nobel Prize in Economic Sciences 2002 and Professor George L Argyros Endowed Chair in Finance and Economics Professor of Economics
