clearance revealed 245 enemy bodies with captured documents later confirming the count at over 500 enemy killed and 800 wounded. These men were led by a gruff and gusty perfectionist Major Harry Smith. Now some 53 years after the battle, Harry tells his story. *The Battle of Long Tan* is more than just an account of a historic battle. Harry Smith takes his readers on an extraordinary journey, one that ultimately reveals a remarkable cover up at the highest military and political echelons. *The Battle of Long Tan* is also Harry's life story and portrays his many personal battles from failed marriages to commando style killing from a horrific parachute accident through to his modern day struggles with bureaucracy for recognition for his soldiers. Harry's battles are tempered by his love of sailing where he has at last found some peace. *The Battle of Long Tan* portrays the wrenching visceral experience of a man who has fought lifelong battles in a story that he is only now able to tell. Harry can still hear the gunfire and smell the blood spilt at Long Tan. For him, the fight continues. ***Prostate Cancer Battle*** Michael O'Hara, 2002-02-21. The story of *The Twinkling* focuses on the life of Korle, an angel that fell from heaven under the authority of Lucifer. It delves into his past as an angel living a glorious life in heaven follows him to the depths of hell to earth as mankind and back again to heaven. It explores unspoken possibilities that of the fallen angels being given a chance to choose which God to serve with that choice being made during their span of time on earth. Though many scriptures are woven throughout the story, this narrative is not meant to be theological in its message but is intended rather to inspire thought and interest in the eternal side of our existence. The earth story deals with sibling jealousy and the profound chaos it can cause. Paralleling jealousy back to the motivation that caused Lucifer to fall, this story reveals not only how abusive events were manipulated by Lucy, the jealous older sister, but how they worked together for the good in the younger sister regardless of the original intent. Alongside the chaos is the joy of having a best friend with good events happening in that relationship despite the trouble at home. The heaven story is a continuation of the good events and so much more as Korle explores its wonders and never-ending possibilities with his friend Nagee, whom he later finds out is his earthly guardian angel. The rest of the story told from heaven's point of view deals with hell's creation and existence, end-time events on earth, and the final war that ends Satan's power over the earth and its inhabitants. Interwoven throughout the story is the story of Jesus and the salvation offered through his death and resurrection. Fascinating and spellbinding. **THE TWINKLING** appeals to young and old alike. ***Battling Prostate Cancer*** Marvin Andrew McMickle, 2004. Author and pastor Marvin McMickle knows first hand what it's like to experience the shock and fear that result from being informed of a diagnosis of prostate cancer. ***Popular Science***, 2000-08. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better and science and technology are the driving forces that will help make it better. ***Department of Defense appropriations for 2002*** United States.
