**Prostitution and Sexuality in Shanghai** Christian Henriot, 2001-04-23 Henriot portrays the sex trade in Shanghai from the life of the courtesan to street prostitution      The Sexual History of the Global South Saskia Wieringa, Horacio Sívori, 2013-04-11 The Sexual History of the Global South explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women s sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance      **Occupying Power** Sarah Kovner, 2012-02-08 The year was 1945 Hundreds of thousands of Allied troops poured into war torn Japan and spread throughout the country The effect of this influx on the local population did not lessen in the years following the war s end In fact the presence of foreign servicemen also heightened the visibility of certain others particularly panpan streetwalkers who were objects of their desire Occupying Power shows how intimate histories and international relations are interconnected in ways scholars have only begun to explore Sex workers who catered to servicemen were integral to the postwar economic recovery yet they were nonetheless blamed for increases in venereal disease and charged with diluting the Japanese race by producing mixed race offspring In 1956 Japan passed its first national law against prostitution which produced an unanticipated effect By ending a centuries old tradition of sex work regulation it made sex workers less visible and more vulnerable This probing history reveals an important but underexplored aspect of the Japanese occupation and its effect on gender and society It shifts the terms of debate on a number of controversies including Japan s history of forced sexual slavery rape accusations against U S servicemen opposition to U S overseas bases and sexual trafficking      Women in China from Earliest Times to the Present Robin D. S. Yates, 2009 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan      *Women in China's Long Twentieth Century* Gail Hershatter, 2007-03-29 This indispensable guide for students of both Chinese and women s history synthesizes recent research on women in twentieth century China Written by a leading historian of China it

surveys more than 650 scholarly works discussing Chinese women in the context of marriage family sexuality labor and national modernity In the process Hersatter offers keen analytic insights and judgments about the works themselves and the evolution of related academic fields The result is both a practical bibliographic tool and a thoughtful reflection on how we approach the past      *Sexual Perversions, 1670-1890* J. Peakman, 2009-07-30 A fascinating glimpse into the history of sexual perversions and diversions including fetishism cross dressing effeminate men and masculinized women sodomy tribadism masturbation necrophilia rape paedophilia flagellation and sado masochism asking how these sexual inclinations were viewed at a particular time in history      *Reproductive Realities in Modern China* Sarah Mellors Rodriguez, 2023-01-19 Sarah Mellors Rodriguez explores how ordinary people navigated China's shifting fertility policies before and during the One Child Policy era      **Interrogating Popular Music and the City** Shane Homan, Catherine Strong, Seamus O'Hanlon, John Tebbutt, 2024-06-03 How does popular music influence the culture and reputation of a city and what does a city do to popular music Interrogating Popular Music and the City examines the ways in which urban environments and music cultures intersect in various locales around the globe Music and cities have been partners in an often clumsy sometimes accidental but always exciting dance Heritage and immigration noise and art policy and politics are some of the topics that are addressed in this critical examination of relationships between cities and music The book draws upon an international array of researchers encompassing hip hop in Beijing the city favelas of Brazil from Melbourne bars to European parliaments to heritage and tourism debates in Salzburg and Manchester In doing so it interrogates the different agendas of audiences musicians and policy makers in distinct urban settings      **Health Insurance Reforms in Asia** Sabrina Ching Yuen Luk, 2014-03-26 This book empirically examines health care financing reforms and popular responses in three major cities in East Asia Shanghai Singapore and Hong Kong It adopts a new revised version of the theory of historical institutionalism to compare and explain the divergent reform paths in these three places over the past three decades It also examines forces that propel institutional change The book provides three detailed case studies on the development of health care financing reforms and the politics of implementing them It shows that health care systems in Shanghai Singapore and Hong Kong were the products of Western presence in the nineteenth century It illustrates how greater attention is paid to the roles played by ideas actors and environmental triggers without abandoning the core assumptions that political institutions and policy feedback remain central to impact health care financing reforms It shows that health care financing reform is shaped by a complex interplay of forces over time It also provides the most updated material about health care financing reforms in Shanghai Singapore and Hong Kong The central argument of this book is that health care financing reform is both an evolving process responding to changing circumstances and a political process revealing an intricate interplay of power relationships and diverse interests It shows that institutional changes in health care financing system can be incremental but transformative in nature It argues that social policies will continue to develop and welfare states will continue to adapt and

evolve in order to cope with new risks and needs This book sheds new lights on understanding the politics of health care financing reform and sources and modes of institutional change

**Gender and Education in China** Paul J. Bailey, 2007-02-12 Gender and Education in China analyzes the significance impact and nature of women s public education in China from its beginnings at the turn of the twentieth century Educational change was an integral aspect of the early twentieth century state building and modernizing reforms implemented by the Qing dynasty as a means of strengthening the foundations of dynastic rule and reinvigorating China s economy and society to ward off the threat of foreign imperialism A significant feature of educational change during this period was the emergence of official and non official schools for girls Using primary evidence such as official documents newspapers and journals Paul Bailey analyzes the different rationales for women s education provided by officials educators and reformers and charts the course and practice of women s education describing how young women responded to the educational opportunities made available to them Demonstrating how the representation of women and assumptions concerning their role in the household society and polity underpinned subsequent gender discourses throughout the rest of the century Gender and Education in China will appeal to students and scholars of Chinese history gender studies women s studies as well as an interest in the history of education

**Women and China's Revolutions** Gail Hershatler, 2018-09-04 If we place women at the center of our account of China s last two centuries how does this change our understanding of what happened This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people using gender as its analytic lens Leading scholar Gail Hershatler asks how these events affected women in particular and how women affected the course of these events For instance did women have a 1911 revolution A socialist revolution If so what did those revolutions look like Which women had them Hershatler uses two key themes to frame her analysis The first is the importance of women s visible and invisible labor The labor of women in domestic and public spaces shaped China s move from empire to republic to socialist nation to rising capitalist power The second is the symbolic work performed by gender itself What women should do and be was a constant topic of debate during China s transformation from empire to weak state

to partially occupied territory to nascent socialist republic to reform era powerhouse What sorts of concerns did people express through the language of gender How did that language work and why was it so powerful Drawing on decades of Hersatter's groundbreaking scholarship and mastery of a range of literatures this beautifully written book will be essential reading for all students of China's modern history      *Gender in Chinese Music* Rachel A. Harris, Rowan Pease, Shyr Ee Tan, 2013 *Gender in Chinese Music* draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture      **Sexuality in China** Howard Chiang, 2018-06-15 What was sex like in China from imperial times through the post Mao era The answer depends of course on who was having sex where they were located in time and place and what kind of familial social and political structures they participated in This collection offers a variety of perspectives by addressing diverse topics such as polygamy pornography free love eugenics sexology crimes of passion homosexuality intersexuality transsexuality masculine anxiety sex work and HIV AIDS Following a loose chronological sequence the chapters examine revealing historical moments in which human desire and power dynamics came into play Collectively the contributors undertake a necessary historiographic intervention by reconsidering Western categorizations and exploring Chinese understandings of sexuality and erotic orientation      **Newspapers and the Journalistic Public in Republican China** Qiliang He, 2018-10-08 Offering an entirely new approach to understanding China's journalism history this book covers the Chinese periodical press in the first half of the twentieth century By focusing on five cases either occurring in or in relation to the year 1917 this book emphasizes the protean nature of the newspaper and seeks to challenge a press historiography which suggests modern Chinese newspapers were produced and consumed with clear agendas of popularizing enlightenment modernist and revolutionary concepts Instead this book contends that such a historiography which is premised on the classification of newspapers along the lines of their functions overlooks the opaqueness of the Chinese press in the early twentieth century Analyzing modern Chinese history through the lens of the newspaper this book presents an interdisciplinary and international approach to studying mass communications As such this book will be useful to students and scholars of Chinese history journalism and Asian Studies more generally      **Between China and Japan** Joshua A. Fogel, 2015-05-12 Over the past thirty five years Joshua Fogel has pioneered the study of Sino Japanese cultural and political relations understood as the intersections of the histories of these two countries This volume brings together many of his essays and reviews in this new field For a variety of reasons discussed within scholars have been reluctant to look at these two nation's historical connections either through comparative analysis or actual interactions Fogel's work has focused squarely here Among the issues addressed are Japanese scholarly views of modern China and Chinese history Chinese considerations of the Japanese language in the Ming and Qing periods the Japanese immigration to the East Asian Mainland especially to Shanghai and Harbin and more      Golden-Silk Smoke Carol Benedict, 2011-04-10 From the long stemmed pipe

to snuff the water pipe hand rolled cigarettes and finally manufactured cigarettes the history of tobacco in China is the fascinating story of a commodity that became a hallmark of modern mass consumerism Carol Benedict follows the spread of Chinese tobacco use from the sixteenth century when it was introduced to China from the New World through the development of commercialized tobacco cultivation and to the present day Along the way she analyzes the factors that have shaped China's highly gendered tobacco cultures and shows how they have evolved within a broad comparative world historical framework Drawing from a wealth of historical sources gazetteers literati jottings biji Chinese materia medica Qing poetry modern short stories late Qing and early Republican newspapers travel memoirs social surveys advertisements and more Golden Silk Smoke not only uncovers the long and dynamic history of tobacco in China but also sheds new light on global histories of fashion and consumption

The Selected Papers of Margaret Sanger, Volume 4 Margaret Sanger, 2016-10-01 When Margaret Sanger returned to Europe in 1920 World War I had altered the social landscape as dramatically as it had the map of Europe Population concerns sexuality venereal disease and contraceptive use had entered public discussion and Sanger's birth control message found receptive audiences around the world This volume focuses on Sanger from her groundbreaking overseas advocacy during the interwar years through her postwar role in creating the International Planned Parenthood Federation The documents reconstruct Sanger's dramatic birth control advocacy tours through early 1920s Germany Japan and China in the midst of significant government and religious opposition to her ideas They also trace her tireless efforts to build a global movement through international conferences and tours Letters journal entries writings and other records reveal Sanger's contentious dealings with other activists her correspondence with the likes of Albert Einstein and Eleanor Roosevelt and Sanger's own dramatic evolution from gritty grassroots activist to postwar power broker and diplomat A powerful documentary history of a transformative twentieth century figure The Selected Papers of Margaret Sanger Volume 4 is a primer for the debates on individual choice sex education and planned parenthood that remain all too pertinent in our own time

studies on contemporary Chinese history This set will be a valuable reference for scholars and students of Chinese history

**Westward Bound** Lesley Erickson, 2011-08-01 Westward Bound debunks the myth of Canada's peaceful West and the masculine conceptions of law and violence upon which it rests by shifting the focus from Mounties and whisky traders to criminal cases involving women between 1886 and 1940 Erickson's analysis of these cases shows that rather than a desire to protect official responses to the most intimate or violent acts betrayed an impulse to shore up the liberal order by maintaining boundaries between men and women Native people and newcomers and capital and labour Victims and accused could only hope to harness entrenched ideas about masculinity femininity race and class in their favour This fascinating exploration of hegemony and resistance in key contact zones draws prairie Canada into larger debates about law colonialism and nation building
