Prostitution Power And Freedom

Victor M. Corman

Prostitution Power And Freedom:

Prostitution, Power and Freedom Julia O'Connell Davidson, 2013-06-28 Prostitution is still the subject of intense controversy among feminists but theoretical and political analyses are often only loosely grounded in empirical research This book offers new perspectives on prostitution based on wide ranging research in nine countries and extensive work with prostitute users

Prostitution, Power and Freedom Julia O'Connell Davidson, 2013-06-21 Prostitution is still the subject of intense controversy among feminists but theoretical and political analyses are often only loosely grounded in empirical research This book offers new perspectives on prostitution based on wide ranging research in nine countries and extensive work with prostitute users

Sex and the City Philip Hubbard, 2019-06-04 This title was first published in 2000 Prostitution has always played a crucial symbolic role in the definition of moral and sexual standards and as such the figure of the prostitute has been paradigmatic in the history of the sex and the city Focusing on the geographies of female prostitution in Western societies this book explores the nature of sites of sex work and the ways they shape the lives of prostitutes and their clients In so doing the book aims not simply to present a static mapping of sex work but seeks to highlight how these public and private sites are struggled over with prostitutes often resisting the strategies of social and legal control designed to regulate their working practices The book consequently engages with a number of contemporary debates in social cultural and gender geography surrounding the importance of public and private spaces in producing and reproducing gender sex and bodily identities

Sexuality, Gender and Power Anna G. Jónasdóttir, Valerie Bryson, Kathleen B. Jones, 2011 Including studies of the sexual self and sexual subjectivities socio political processes of normativization and social structures of sexuality and gender in national and transnational contexts this book offers a view of sexuality as a broad and complex dimension of historically changing social cultural and human material reality EBL

Sex, Freedom, and Power in Imperial Germany, 1880-1914 Edward Ross Dickinson, 2014-02-17 This is a study of the intense complex and escalating debate over sexuality and sexual morality that roiled politics in Germany between 1880 and 1914 That debate was grounded in the rapid evolution and growing complexity of German society the multiplication of cultural groupings professional associations and social movements the emergence of new social groups social milieus and professions the rapid development of the media and commercial entertainments and so on All parties involved understood it to be a debate over the most fundamental question of modern political life how to secure both national power and individual freedom in the context of rapid social and cultural change

Sex Workers in the Maritimes Talk Back Leslie Ann Jeffrey, Gayle MacDonald, 2011-11-01 Sex workers are often the objects of study for academics and policy makers Theories about their lives and the policies that affect their work are usually developed without input from the sex workers themselves as they are rarely seen as capable of analyzing the social and political world in which they work In this book however sex workers set the tone Leslie Ann Jeffrey and Gayle MacDonald interview sex workers in three Maritime cities and those who work around them

police health care providers community workers advocates members of neighbourhood associations and politicians The sex workers discuss such issues as violence and safety health and risk politics and policy media influence and public perception of the trade portraying the best and the worst facets of their working lives and expressing sentiments refreshingly at odds with commonly held opinions Given recent Parliamentary recommendations to decriminalize prostitution Sex Workers in the Maritimes Talk Back represents a timely shift to public discussions about sex work Engaging and accessible this book will be of interest to public policy practitioners students of social and political science community advocates police and sex workers and their families

Prostitution, Politics & Policy Roger Matthews, 2008-01-18 Chapter 1 Why has prostitution become an issue chapter 2 Prostitution myths chapter 3 Prostitution vulnerability and victimisation chapter 4 Pathways into prostitution chapter 5 Desistance and exiting from prostitution chapter 6 The politics of prostitution chapter 7 Regulating prostitution

Sex Slaves and Discourse Masters Doctor Jo Doezema, 2013-07-18 Why is the international community so concerned with the fate of prostitutes abroad And why does the story of trafficking sound so familiar In this pioneering new book Jo Doezema argues that the current concern with trafficking in women is a modern manifestation of the myth of white slavery Combining historical analysis with contemporary investigation this book sheds light on the current preoccupations with trafficking in women It examines in detail sex worker reactions to the myth of trafficking questions the current feminist preoccupation with the suffering female body and argues that feminism needs to move towards the creation of new myths The analysis in this book is controversial but crucial an alternative to the current panic discourses around trafficking in women An essential read for anyone who is concerned with the increased movement of women internationally and the attempts of international and national governments to regulate this flow

Selling Sex in the City: A Global History of Prostitution, 1600s-2000s, 2017-08-28 Selling Sex in the City offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions

The Subject of Prostitution Jane Scoular, 2015-12-22 The Subject of Prostitution offers a distinctive analysis of the links between prostitution and social theory in order to advance a critical analysis of the relationship of law to sex work Using the lens of social theory to disrupt fixed meanings the book provides an advanced analytical framework through which to understand the complexity and contingencies of sex work in late modernity The book analyses contemporary citizenship discourse and the law's ability to meet the competing demands of empowerment by sex workers and protection by radical feminists who view prostitution as the epitome of patriarchal sexual and economic relations Its central focus is the role of law in both structuring and responding to the problem of prostitution By developing a distinctive constitutive approach to law the author offers a more advanced analytical framework from which to understand how law matters in contemporary debates and also suggests how law could matter in more imaginative justice reforms This is particularly pertinent in a period of unprecedented legal reform both internationally and nationally as legal norms

simultaneously attempt to protect empower and criminalise parties involved in the purchase of sexual services The Subject of Prostitution aims to overcome the current aporia in these debates and suggest new ways to engage with the subject and law As such The Subject of Prostitution provides an advanced theoretical resource for policymakers researchers and activists involved in contemporary struggles over the meanings and place of sex work in late modernity

Occupying Power Sarah Kovner,2012-02-08 The year was 1945 Hundreds of thousands of Allied troops poured into war torn Japan and spread throughout the country The effect of this influx on the local population did not lessen in the years following the war s end In fact the presence of foreign servicemen also heightened the visibility of certain others particularly panpan streetwalkers who were objects of their desire Occupying Power shows how intimate histories and international relations are interconnected in ways scholars have only begun to explore Sex workers who catered to servicemen were integral to the postwar economic recovery yet they were nonetheless blamed for increases in venereal disease and charged with diluting the Japanese race by producing mixed race offspring In 1956 Japan passed its first national law against prostitution which produced an unanticipated effect By ending a centuries old tradition of sex work regulation it made sex workers less visible and more vulnerable This probing history reveals an important but underexplored aspect of the Japanese occupation and its effect on gender and society It shifts the terms of debate on a number of controversies including Japan s history of forced sexual slavery rape accusations against U S servicemen opposition to U S overseas bases and sexual trafficking

Demanding Sex: Critical Reflections on the Regulation of Prostitution Marina Della Giusta,2016-05-13 Interrogating supply demand from an inter and multi disciplinary perspective this collection broadens engagement beyond the routine analysis of the locus of violence in prostitution and the validity of the prostitute s consent A focus on the supply demand dynamic brings into play a range of other societal economic and psychological factors such as the social construction of sexuality the viability of alternative choices for prostitutes and clients and the impact of regulatory regimes on the provision of sexual services The factors which underlie each component of the supply demand dyad are also studied and an examination is made of their dynamic interrelation The collection emphasizes the importance of rendering policy makers alert to the evidence emerging from empirical studies conducted in different fields of enquiry in the hope of moving beyond polarity and politics at the local national and international level

The SAGE Handbook of Marxism Beverley Skeggs,Sara R. Farris,Alberto Toscano,Svenja Bromberg,2021-11-17 The past decade has witnessed a resurgence of interest in Marxism both within and without the academy Marxian frameworks concepts and categories continue to be narratively relevant to the features and events of contemporary capitalism Most crucially an attention to shifting cultural conditions has lead contemporary researchers to re confront some classical and essential Marxist concepts as well as elaborating new critical frameworks for the analysis of capitalism today The SAGE Handbook of Marxism showcases this cutting edge of today s Marxism It advances the debate with essays that rigorously map and renew the concepts that have provided the groundwork and main currents for Marxist

theory and showcases interventions that set the agenda for Marxist research in the 21st century A rigorous and challenging collection of scholarship this book contains a stunning range of contributions from contemporary academics writers and theorists from around the world and across disciplines invaluable to scholars and graduate students alike Part 1 Reworking the critique of political economy Part 2 Forms of domination subjects of struggle Part 3 Political perspectives Part 4 Philosophical dimensions Part 5 Land and existence Part 6 Domains Part 7 Inquiries and debates **International**

Encyclopedia of Social Policy Tony Fitzpatrick,Huck-ju Kwon,Nick Manning,James Midgley,Gillian Pascall,2013-07-04 Available in paperback for the first time this milestone work offers an in depth treatment of all aspects of the discipline and practice of social policy globally Supported by a distinguished international advisory board the editors have compiled almost 900 000 words across 734 entries written by 284 leading specialists to provide authoritative coverage of concepts policy actors welfare institutions and services along a series of national regional and transnational dimensions Also included are biographical entries on major policy makers and shapers The editors have particularly striven to provide strong coverage of differing geographical and cultural traditions so that the variety of social policy as both an academic discipline and a domain of governance is reflected Contributors draw in and make the necessary connections with social policy s associated disciplines to provide a rich picture of this vast and highly diverse field Comprehensive and authoritative the Encyclopedia has sought to open up rather than to foreclose the numerous areas in which there is on going research debate and sometimes serious disagreement and divergence in theory and practice To this end entries attempt to introduce a core or common ground of understanding before moving on to a wider discussion of debates regarding different conceptual and geographical approaches The whole is integrated by cross referencing and each entry includes a bibliography for further reading There is a full index The International Encyclopedia of Social Policy provides the most substantial mapping of the international study and practice of social policy to date and will stand as a vital storehouse of knowledge for many years to come Service Economies Jin-kyung Lee,2010 A compelling alternative narrative of the modern miracle of South Korea **Prostitution, Harm and Gender Inequality** Maddy Coy,2016-04-08 Prostitution Harm and Gender Inequality brings together international research exploring the range of gendered harms to women involved in prostitution and the consequences of growth of the sex industry for global gender relations While there is an increasing amount of research and academic output on prostitution the current focus is often on discussion and critique of policy frameworks and contemporary debates over harm are largely limited to sex trafficking and sexual exploitation of children Less attention is paid to questions of how the sex industry perpetuates notions of objectification and male entitlement with respect to sexual access to women s bodies despite being key feminist concerns for several decades This position has become effectively marginalized but the global growth and industrialization of the sex industry requires a return to these questions Through exploring gendered inequality and re engaging with an understanding of prostitution as harmful with impacts on the self and body that are experienced as

abusive but do not always constitute violence this book introduces a range of research and thinking while also drawing on existing literature to explore the consequences of prostitution for women in the sex industry and wider gender relations These issues are discussed with regard to coercion and recruitment including trafficking notions of male entitlement in accounts of men who buy sex critical interrogations of agency and choice legal and policy frameworks and representations of prostitution in popular culture

Sex and Stigma Sarah Jane Blithe, Anna Wiederhold Wolfe, Breanna Mohr, 2019-01-15 An intimate and original look at the lives of Nevada's legal sex workers through the voices of current and former employees brothel owners madams and local law enforcement The state of Nevada is the only jurisdiction in the United States where prostitution is legal Wrapped in moral judgments about sexual conduct and shrouded in titillating intrigue stories about Nevada's legal brothels regularly steal headlines The stigma and secrecy pervading sex work contribute to experiences of oppression and unfair labor practices for many legal prostitutes in Nevada Sex and Stigma engages with stories of women living and working in these hidden organizations to interrogate issues related to labor rights secrecy privacy and discrimination in the current legal brothel system Including interviews with current and former legal sex workers brothel owners madams local police and others Sex and Stigma examines how widespread beliefs about the immorality of selling sexual services have influenced the history and laws of legal brothel prostitution With unique access to a difficult to reach population the authors privilege the voices of brothel workers throughout the book as they reflect on their struggles to engage in their communities conduct business maintain personal relationships and transition out of the industry Further the authors examine how these brothels operate like other kinds of legal entities and how individuals contend with balancing work and non work commitments navigate work place cultures and handle managerial relationships Sex and Stigma serves as a resource on the policies guiding legal prostitution in Nevada and provides an intimate look at the lived experiences of women performing sex work

Handbook of the Sociology of Sexualities John DeLamater, Rebecca F. Plante, 2015-06-19 This volume provides researchers and scholars with a broad overview of the contributions of social psychologists and sociologists to the study of sexual relationships and sexual expression across the life course These contributions include analyses of the dynamics of several types of contemporary sexual relationships e.g short term long term non exclusive and committed Chapters analyze the influence of major social institutions e.g religion family and economy on them The content and scope of this volume have been carefully chosen to balance coverage of traditional emphases dating marriage commercial sex work sex education with new and cutting edge materials embodiment Trans asexualities Sections review major theoretical perspectives and the principal research methods Coverage of sexual orientation is integrated throughout This volume provides excellent resources for anyone interested in research on sexualities

Philosophising Experiences and Vision of the Female Body, Mind, and Soul: Historical Context and Contemporary Theory Musingafi, Maxwell Constantine Chando, Mafumbate, Racheal, Khumalo, Thandi Fredah, 2021-04-23 Much of our understanding of the world our societies and

ourselves rests on theories and knowledge generated predominantly by men of certain nationalities and economic classes. This male dominated and culturally specific theorizing and knowledge have generally resulted in the exclusion of women and other groups from the process of formal theorizing and knowledge building. Feminism argues that the male dominated knowledge represents a skewed perception of reality and is only partial knowledge. Feminism is a generalized wide ranging system of ideas about social life and human experience developed from a woman centered perspective. It treats women as the central subjects in the investigative process and seeks to see the world from the distinctive vantage points of women in the social world. The best way to empower women and better the situation for women is to take women's daily experiences and their informal theorizing into account and on this basis adopt feminist approaches to building theory and knowledge.

Philosophising Experiences and Vision of the Female Body Mind and Soul: Historical Context and Contemporary Theory provides an overview and introduction to the study of feminist theory and practice in the social sciences. This book provides a starting point for further and more advanced study of the nexus of feminism, gender and development and translates feminist theory and concepts into practice. The chapters investigate in a historical context mainstream and contemporary theories of feminism and gender studies. This book is ideal for post graduate students of social science, researchers of development, management, business management, public governance and gender and development activists, feminists and practitioners, stakeholders, researchers, academicians and students interested in feminist theory and knowledge building.

Through the Looking Glass of Prostitution Adeline Oka, 2007

Reviewing **Prostitution Power And Freedom**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Prostitution Power And Freedom**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
