Siverling,2017-01-09 As described by Reverend J Lowell Harrup pastor of Northland Cathedral Kansas City Missouri This book focuses on army rangers in particular the Fourth Infantry Divisions LRRPs or the rangers of the Seventy Fifth Regiment the official as well as the spiritual successor to the fabled Merrills Marauders the long range deep penetration units of World War II Their stories need to be told not for individual aggrandizement though they certainly earned that but so their history will be more than a political polemic The Vietnam conflict was terrible but our troops carried on the tradition of our military from the beginning of this nation I have come to know many of them including a number of highly decorated heroes of that conflict Among those I put in that category is Reuben Siverling a close friend and Christian brother whose story is in this book These stories are not enhanced they need no enhancement They are in fact the attempt to reduce in words the experiences that were lived in units of time distorted by the surreality of war extreme environments separation from families and constant death and dying all around The complete story of each cannot be told books are not big enough But these are told so that history will stand unrevised **A Madness** Serge Demyanenko,2008-07-31 This romance novel although fiction is based on the true life adventures of the author It is about real life but a life few people know exists and even fewer get to experience The narrator is a brother in arms and brother in spirit of the protagonist Nick Malenko who sets out to tell these scandalous tales for Nick would never do so himself disdaining publicity and public acclaim Nick is a young man who happens to be smart good looking a rebel at heart and self disciplined because of his upbringing He is an athlete but also a voracious reader loves learning and worships at the altar of Venus He goes to the best schools but he rebels early He marries a woman of color against the

convention of the day He has decided that his goal in life is to become the commander of a parachute infantry battalion in the Regular Army of the United States a goal he exceeds in time He graduates as a distinguished military graduate and is commissioned in the regular army Because he is quadrilingual and his education and training the three letter agencies become interested in him He enters the shadowy world of intelligence And then his troubles begin He is bright but lacks the experience to be wise So he mistakes sex and passion for love learning for wisdom and in order to gain a measure of immortality he plunges into one adventure after another thinking that thumbing his nose at fate will bring him immortality In both war time and cold war settings he plunges from one adventure to another from one romance to another The settings are bedrooms and battlefields and the corridors of power in Vietnam Korea Washington D C Germany San Antonio Texas Rio de Janeiro Brazil and Los Angeles California Many years after he started on his journey he realizes that all he was searching for he has had at home He finds that he had love all along and immortality through his loving family and finally finally wisdom comes His long suffering wife used to say to him In your relentless search you create great upheaval and great stress for those around you Being married to you is madness That is why his friends called him The Mad Russian or The Madman That is the reason for the book title **Eyes of the Fleet Over Vietnam** Kenneth V. Jack, 2021-11-10 This military study of the air war in Vietnam offers a vividly detailed examination of the critical role played by unarmed photo recon aircraft While photo reconnaissance was a critical factor in the Vietnam War its methods and operations remained a classified secret for many years In *Eyes of the Fleet Over Vietnam* veteran and historian Kenneth V Jack sheds light on the subject by examining the role of the unarmed supersonic RF 8A G photo Crusader throughout the war as well as the part played by its F 8 and F 4 escort fighters The historical narrative is brought to life through vivid first hand details of dangerous missions over Laos and North Vietnam Jack pieces together a detailed chronology of photo recon in the Vietnam War between 1964 and 1972 describing all types of missions including several Crusader vs MiG dogfights and multiple RF 8 shootdowns with their associated dramatic rescues The narrative focuses on Navy Photo Squadron VFP 63 but also dedicates chapters to VFP 62 and Marine VMCJ 1 *The Warrior Soul* Jerry Boykin, Stu Weber, 2015-01-06 LIFE IS A BATTLE AND WE ARE ALL SOLDIERS We may not wear a uniform eat in a mess hall or dodge actual bullets for a living but we are in a war a very crucial one Just walk into any room of people and you ll find immeasurable pain and wounds On the outside we wear our camouflage well but on the inside deep within our own souls we realize life is conflict It is traceable to a single source Satan the adversary of our souls Written by two US Army Green Berets *The Warrior s Soul* provides a guide for how to apply the techniques of a true warrior in the spiritual realm by emphasizing five core elements A cause greater than self why we fight A settled memory the link between history and current circumstances A personal intensity eager for challenges and undistracted by personal issues An unflagging optimism an absolute commitment to never surrender A deep camaraderie a personal commitment to fellow warriors True warriors are willing to stand when others bow With this first rate preparation
