**Witsec** Pete Earley, 2009-11-18 For decades no law enforcement program has been as cloaked in controversy and mystery as the Federal Witness Protection Program Now for the first time Gerald Shur the man credited with the creation of WITSEC teams with acclaimed investigative journalist Pete Earley to tell the inside story of turncoats crime fighters killers and ordinary human beings caught up in a life and death game of deception in the name of justice WITSEC Inside the Federal Witness Protection Program When the government was losing the war on organized crime in the early 1960s Gerald Shur a young attorney in the Justice Department's Organized Crime and Racketeering Section urged the department to entice mobsters into breaking their code of silence with promises of protection and relocation But as high ranking mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities and creating new ones It also meant cutting off families from their pasts and giving new identities to wives and children as well as to mob girlfriends and mistresses It meant getting late night phone calls from protected witnesses unable to cope with their new lives It meant arranging funerals providing financial support and in one instance even helping a mobster's wife get breast implants And all too often it meant odds that a protected witness would return to what he knew best crime In this book Shur gives you an account of infamous witnesses from Joseph Valachi to Sammy the Bull Gravano to Fat Vinnie Teresa of the lengths the program goes to to keep its charges safe and of cases that went very wrong and occasionally even protected those who went on to kill again He describes the agony endured by innocent people who found themselves in the wrong place at the wrong time and ended up in a program tailored to criminals And along with Shur's war stories WITSEC draws on the haunting words of one mob wife who vividly describes her life of lies secrecy and loss inside the program A powerful true story of the inner workings of one of the most effective and controversial weapons in the war against organized crime and the inner workings of organized crime itself and more recently against Colombian drug dealers outlaw motorcycle gang members white collar con men and international terrorists this book takes us into a tense dangerous twilight world carefully hidden in plain sight where the family living next door might not be who they say they are

After all, one woman was at the center of everything, and Rachel Stevens had a lot of explaining to do. The lovely DNA profiler had no idea her evidence would reopen Ash's old wounds. *Baby Bootcamp* Mallory Kane, 2011-05-01 War vet Matteo Soarez's assignment is simple: watch and listen.

An undercover agent for Corps Security and Investigations, Matt learned patience the hard way on a dusty desert battleground. So sitting in a Texas caf waiting for information is a piece of cake; make that a piece of pie. Faith Scott's cherry pie that is. The young caf owner and mother-to-be could light up a room with her smile and send a jaded ex-soldier's heart racing like a stallion with just a touch. But Matt's job involves saving the governor's life and protecting vulnerable single mothers; isn't that his priority? Yet when Faith's caf becomes the epicenter of danger, Matt knows he cannot let Faith and her baby become collateral damage. Even if it means compromising the mission.

*Death of a Beauty Queen* Mallory Kane, 2012-06-05

The detective kept calling her by some other woman's name, but it meant nothing. Rose Bohme had no past, not until Detective Dixon Lloyd found it worth looking for. He was haunted by her, and when he found her living, breathing, there remained only more questions and a bloody trail to follow. But was he doing her any favors, seeking out those answers so punctuated by danger? Or were they killing her second chance at life by inviting death back in?
