Expository Hermeneutics Elliott Johnson, 1999-10-14 The purpose of this book is to provide an understanding of the rules of Bible interpretation and to lay the groundwork for testing the validity of one s

interpretation and application Expository Hermeneutics breaks new ground in developing principles and strategies for the historico grammatical or literal interpretation of scripture **Language, Hermeneutic, and History** James M.

Robinson,2008-01-01 James M Robinson together with John B Cobb published a series of three volumes entitled New Frontiers in Theology The Later Heidegger and Theology 1963 The New Hermeneutic 1964 and Theology as History 1967 Here they introduced the new directions that Continental theology was taking after the break caused by the Nazi period and World War II In each volume it was Robinson s assignment to write an extensive introduction of the new direction The German Discussion of the Later Heidegger Hermeneutic since Barth and Revelation as Word and as History Then others contributed essays These three seminar introductions are here brought together in a single volume which thus is the basic tool for getting into the Continental theology of the second half of the twentieth century **CHRISTIAN THEOLOGY**

Edward D. Andrews,2016-07-16 A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer,2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture **BIBLICAL EXEGESIS**

Edward D. Andrews,2023-07-16 **BIBLICAL EXEGESIS** Biblical Criticism on Trial seeks to firmly establish and defend a conservative approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and German idealism which have significantly swayed Western academia and thought over the past four centuries The book argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose influence has been to undermine people s confidence in the Bible **IF GOD IS GOOD** Edward D.

Andrews,2015-03-24 In *IF GOD IS GOOD Why Does God Allow Suffering* the author embarks on a profound exploration into one of the most challenging questions facing believers Why does a benevolent God permit suffering and evil in the world This meticulously researched book draws upon a wealth of biblical scholarship and theology to offer insights into a question that has perplexed scholars and laypeople alike for centuries Table of Contents Overview Chapter 1 Why Has God Permitted Suffering and Evil delves into the nature of evil and suffering examining the various theodicies proposed throughout Christian history It confronts common objections to these theodicies and posits a robust Christian response to the presence of evil and suffering in the world Chapter 2 The Problem of Foreknowledge and Free Will tackles the intricate relationship between God s omniscience and human autonomy The author engages with the philosophical conundrum of foreknowledge and free will unraveling the apparent paradox and elucidating the Christian perspective on the compatibility of the two Chapter 3 The Scale of Justice Understanding Life s Disparities offers a penetrating look into the inequities of life challenging the notion of fairness in a fallen world It underscores the role of free will in human experience and God s sovereignty amidst earthly injustice Chapter 4 Divine Intervention Expectations vs Reality scrutinizes the expectations of divine intervention against the reality of Scripture This chapter addresses the myths surrounding constant divine rescue and sheds light on the purpose behind unanswered prayers Chapter 5 The Adversary Unveiled Acknowledging Satan s Role reveals the Biblical portrayal of Satan his influence and the spiritual battle waged between good and evil It aims to demystify the devil s role and equip believers with the knowledge to combat spiritual deception Chapter 6 Promises and Perseverance Navigating Imperfection with God wraps up the discourse with a discussion on the true nature of God s promises and the role of perseverance through life s trials It dispels common misconceptions about divine guarantees and offers a scriptural understanding of assurance in the face of imperfection Each chapter is a deep dive into the complexities of its topic always returning to the core of biblical teaching and the steadfast character of God *IF GOD IS GOOD Why Does God Allow Suffering* is an essential read for anyone grappling with the realities of pain and injustice in light of a loving Creator It is a beacon of hope and a source of answers that provides not only scholarly insight but also pastoral care to readers seeking to reconcile their faith with the existence of suffering

Baptists and the Christian Tradition Matthew Y. Emerson,Christopher W. Morgan,R. Lucas Stamps,2020-06-15 In *Baptists and the Christian Tradition* editors Matthew Emerson Christopher Morgan and Lucas Stamps compile a series of essays advocating Baptist catholicity This approach presupposes a critical but charitable engagement with the whole church both past and present along with the desire to move beyond the false polarities of an Enlightenment based individualism on the one hand and a pastiche of postmodern relativism on the other

Preaching Christ from the Old Testament Sidney Greidanus,1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old

Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament **Living as the Living Jesus** Kenneth W. M. Wozniak,2021-02-02 One objective all Christians hold in common is to grow in maturity and faithfulness Achieving that goal however is a constant and difficult challenge Ethicist Kenneth W M Wozniak shows how the author of the epistle to the Hebrews argued that the mature Christian life is a disciplined one lived consistently in the moral realm of human experience Although the authority for such living traditionally has been the picture of Jesus as found in the Gospels that picture is only a partial and incomplete one It does not include Hebrews essential depiction of the current living Jesus both exalted Son and High Priest who is the focus of worship and whom Christians claim to follow Wozniak argues that only the often ignored Jesus of Hebrews when coupled with the Jesus pictured in the Gospels is the complete Jesus Christians must obey emulate and implant within themselves if they are to live as mature followers of Jesus it is to this Jesus that they must respond if they are to live faithfully as those who claim Jesus is Lord Perspectives on Israel and the Church Chad Brand,2015-03-01 The relationship between Israel and the church is one of the most debated issues in the history of theology To advance the conversation Perspectives on Israel and the Church brings together respected theologians representing four positions **Interpreting the New Testament Text** Darrell L. Bock,Buist M. Fanning,2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume One James Leo Garrett,2017-09-15 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations **The Faith That Saves** Fred Chay,John P. Correia,2012-08-21 There is no more important issue in theological study than the meaning of faith in the New

Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance Originalism in Theology and Law Mark J. Boone, Mark D. Eckel, 2024-01-26 In the study of American law originalism is primarily a theory about the meaning of the Constitution that its meaning can only change when its words change Originalism also appears in biblical theology as a theory on the meaning of the Bible that its meaning is that intended by the original authors Originalism in Theology and Law Comparing Perspectives on the Bible and the Constitution offers a study of originalism in both the Bible and the Constitution While there are significant connections between originalism as a theory of biblical interpretation and as Constitutional interpretation there are also differences in the type of text as well as its purpose function origins or authority which may affect which nuanced version of originalism best fits a particular text or the best method of interpreting it
