Teach Us to Pray Katharine Mahon, 2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider

view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord s Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord s Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century

Whose Sacrifice is the Eucharist? Stephen B Sours, 2024-07-26. This book explores what Catholics and Methodists believe about eucharistic sacrifice. Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord's Supper. It is therefore both a Christian doctrine and a church practice. The sacrificial dimension of the sacrament comes both from Christ's sacrifice on the cross and from his self-offering at the Last Supper in which Christ gives himself to the Father on behalf of his people. This is my body which is given for you, Luke 22:19. The eucharist is a sacrificial meal because in the bread and cup, Christians are united to the body and blood of Christ that was sacrificed for them on the cross. Moreover, the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past, Jesus' salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins, Matthew 26:28. Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist, but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice. This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical, sacramental, liturgical and ecumenical perspectives. Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition. Subsequently, authoritative texts such as ecclesial statements, eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God. Sours argues that far from being divided, Catholics and Methodists have much in common regarding this controversial doctrine.

Evangelical Eucharistic Thought in the Church of England, Christopher J. Cocksworth, 1993-01-14. This book studies the

way the central act of Christian worship variously known as the Eucharist the Lord's Supper the Holy Communion and the Mass has been treated in the thought and practice of the Evangelical tradition in the Church of England Evangelicals are not associated with an emphasis on the Eucharist and Dr Cocksworth's study is important and potentially very influential because it demonstrates that at its times of strength the Evangelical tradition has held the Eucharist in the highest regard
