## **Prototypes Of Peacemaking The First Forty Years Of The U N:**

Historical Dictionary of the United Nations Jacques Fomerand, 2017-12-29 At a time of profound transformations in international relations the second edition of Historical Dictionary of the United Nations maps out the continuing and deepening role and relevance of the United Nations in the maintenance of peace and the promotion of development and human rights Focusing on the past two decades developments this book contributes to a reasoned and fuller understanding of an organization which remains the cornerstone of a changing world fraught with challenges which simply cannot be addressed either unilaterally or bilaterally This second edition of Historical Dictionary of the United Nations contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on its basic organizations subsidiary bodies related specialized and other agencies and nongovernmental actors as well as outstanding figures in its history This book is an excellent resource for students researchers and anyone wanting to know more about the United Nations

**Prototypes of Peacemaking**, 1986

**La Cour internationale de Justice**

**1946-1996** Arthur Eyffinger, Arthur Witteveen, 2023-09-14 La Cour internationale de Justice l'un des cinq organes principaux de l'Organisation des Nations Unies et son organe judiciaire principal est installée La Haye loin du Siège de l'ONU dans la salle du Palais de la Paix fondé par Andrew Carnegie l'idéal de la paix mondiale Cet ouvrage très bien documenté paraît à l'occasion du jubilé des cinquante ans de la Cour L'ouvrage comporte douze chapitres et est précédé par le Président de la Cour Avec une riche iconographie il illustre l'idéal du règlement pacifique des différends traversés les épreuves qui devaient trouver sa consécration lors des conférences de la paix de La Haye Il évoque la création de la Cour remontant à l'époque de sa devancière dans l'entre-deux guerres Il traite du droit et de la procédure de la Cour internationale de Justice et décrit la composition de la Cour dans sa diversité juridique et culturelle Des statistiques la biographie de tous les juges et une bibliographie complètent cet hommage remarquable un idéal universel et séculaire

**The 1899 Hague Peace Conference** Arthur Eyffinger, Pieter H.

Kooijmans, 2025-02-10 United Nations Reform Eric Fawcett, Hanna Newcombe, 1996-09-12 The UN needs reform in order to meet the challenges of the unbalanced and alienated world whose outline is now on the horizon

**The United Nations,**

**intra-state peacekeeping and normative change** Esref Aksu, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This study explores the normative dimension of the evolving role of the United Nations in peace and security and ultimately in governance What is dealt with here is both the UN's changing rationale and the wider normative context within which the organisation is located The study looks at the UN through the window of one of its most contentious yet least understood practices active involvement in intra state conflicts as epitomised by UN peacekeeping Drawing on the conceptual tools provided by the historical structural approach this study seeks to understand how and why the international community continuously reinterprets or redefines the UN's role with regard to intra state conflicts The study concentrates on intra states peacekeeping environments and examines what changes if any

have occurred to the normative basis of UN peacekeeping in intra state conflicts from the early 1960s to the early 1990s One of the original aspects of the study is its analytical framework where the conceptualisation of normative basis revolves around objectives functions and authority and is closely connected with the institutionalised values in the UN Charter such as state sovereignty human rights and socio economic development This book is essential reading for postgraduate students of IR and international peacekeeping organisations

**The A to Z of the United Nations** Jacques Fomerand, 2009-07-29 Consisting of 192 Member States the United Nations was founded in 1945 to maintain international peace and security to develop friendly relations among nations based on the respect for the principle of equal rights and self determination of peoples to achieve international cooperation in solving problems of an economic social cultural or humanitarian character and encouraging respect for human rights and for fundamental freedoms for all without distinction as to race sex language or religion Just how successful the UN has been in maintaining these goals is covered in *The A to Z of the United Nations* Author Jacques Fomerand provides a comprehensive dictionary of nearly 900 cross referenced entries on the UN's various committees and organizations its leaders terms policies and major events in which the UN took part Supplementing the dictionary entries are a chronology an introduction a bibliography and appendixes which include a reproduction of the UN's Charter and the Universal Declaration of Human Rights as well as a list of the Member States and when they joined

**The Peacemakers** Hugh Miall, 2016-07-27 The UN Charter commits member states to settle their disputes by peaceful means but despite this there have been only 26 days since 1945 in which armed conflict has not been underway Nevertheless many conflicts have been settled without war since 1945 Drawing on case studies interviews with mediators contemporary theories of conflict resolution and a comparative analysis of over eighty peaceful and armed conflicts this book asks what can be learned from this historical experience

*The International Court of Justice, 1946-1996* Arthur Eyffinger, Arthur Witteveen, 1996-04

*Toward a Theory of Peace* Randall Caroline Watson Forsberg, 2019-12-15 Military analyst peace activist teacher and social theorist Randall Caroline Watson Forsberg 1943 2007 founded the Nuclear Freeze campaign and the Institute for Defense and Disarmament Studies In *Toward a Theory of Peace* completed in 1997 and published for the first time here she delves into a vast literature in psychology anthropology archeology sociology and history to examine the ways in which changing moral beliefs came to stigmatize forms of socially sanctioned violence such as human sacrifice cannibalism and slavery eventually rendering them unacceptable Could the same process work for war Edited and with an introduction by political scientists Matthew Evangelista Cornell University and Neta C Crawford Boston University both of whom worked with Forsberg

*The United Nations, Iran, and Iraq* Cameron R. Hume, 1994-05-22 In 1985 faced with conflicts involving Iran and Iraq the United Nations Security Council's permanent members joined forces for the first time to mobilize the UN against threats to international peace and security Cameron R Hume's authoritative account follows the transformation of the Security Council from a stage for acrimonious public diplomacy into a forum where governments

collaborate to settle regional disputes Hume underscores three interconnected themes changes in Security Council diplomacy during forty five years of successive conflicts involving Iran and Iraq including Iraq s 1990 invasion of Kuwait the Council s progression from invoking gentler means within its authority under the U N Charter to a more muscular assertion of its will and the growing congruence between diplomacy as practiced in the Security Council and the bilateral policies of the major powers Based on U N documents and the author s firsthand experience The United Nations Iran and Iraq is important for students and practitioners in international organizations multilateral diplomacy and conflict resolution **U.S. Foreign Policy and the UN System** Frances K. Scott,1995 **Historical Dictionary of International Organizations** Michael G. Schechter,2009-11-09 One of the most pervasive phenomena that distinguish the early 21st century is the prevalence of international organizations IOs There are IOs in virtually every sector political economic trade social educational scientific defense and so forth Some IOs are restricted to clearly defined activities and closely controlled by their members others just grow and grow moving into new sections and becoming more powerful in some ways than their members The second edition of Historical Dictionary of International Organizations provides a comprehensive overview of the major international organizations both intergovernmental and international intergovernmental of the 20th and 21st centuries While the emphasis is on organizations that continue to operate today important organizations that have ceased to exist are also included This reference includes a chronology an introductory essay and over 700 cross referenced dictionary entries on the organizations significant leaders pioneers founders and members Special Bibliography Series ,1957

**International Security and the United States** Paul Bellamy,Karl DeRouen Jr.,2007-12-30 Shaped by often very dramatic events international security and the international system have changed significantly in recent years The conclusion of the Cold War the emergence of new political systems the growth of significant threats such as terrorism and the development of new security doctrines have driven global transformation These volumes provide detailed information on countries from every geographic region and continent on the globe evaluating their relationship with the United States and measuring the potential security threats posed by each The contributors consider factors such as geography and history the political systems of each state their human rights records the ability to maintain law and order and provide security within their own borders the impact of current administrations rulers or regimes on a nation s foreign policy and the regional factors that often dictate local politics in order to make their assessments All of the entries in this set follow a standardized outline and present a concise but detailed assessment of each country Each entry begins with a discussion of geography through which the contributors identify the state s natural resources environmental issues and the extent of its territorial jurisdiction The focus then shifts to social and political organizations Populations are broken down by not only numbers but by ethnic and religious affiliations access to health care education housing and income All of those aspects are often a reflection of the system of government in place Like the United States those governments are comprised of different parties

or leaders with various interests The contributors assess those entities and interests within each country They measure the ways in which factors of religion nationalism and globalism impact and shape not only domestic policies but also foreign policy and ultimately the country's relationship to the United States Other areas such as military organizations and activities records on human rights and justice recognition of and adherence to international conventions and national attitudes towards security are also considered Every entry also includes an assessment of current and potential security issues and an analysis of current terrorist threats that may already be in place or that are beginning to develop in various nations Each entry concludes with a summary of current relationships with the United States Those relationships are defined by the identification and brief analysis of formal trade aid or military treaties in place between the United States and other nations the general attitude of a nation's citizenry and its government towards the U S and finally identifying any social and cultural links between nations and the U S migration patterns language economies Finally possible changes and trends that will impact security issues are identified by the contributors Taken in their entirety these encyclopedias contain a wealth of information in a concise format that will serve as a valuable reference guide not only for specialists but general readers as well

International Negotiations: A Bibliography Amos Lakos, 2019-02-22 The international system comprises a plurality of sovereign states often pursuing conflicting interests One means of resolving or managing conflicts between those states is diplomatic bargaining or negotiation In the last fifteen years the study of negotiation has attracted researchers from various disciplines in the social sciences and the vol

Regional Guide to International Conflict and Management from 1945 to 2003 Jacob Bercovitch, Judith Fretter, 2004-11-23 Regional Guide to International Conflict Management from 1945 to 2003 provides global regional and specific information on the over 350 international conflicts that have occurred since World War II At the heart of the book are comprehensive regional sections each of which includes An essay providing regional context and highlighting the interrelation of countries and conflict in that area Summaries of each conflict in the region arranged chronologically and covering history circumstances players management and outcome References for further research Introductory chapters examine global patterns and trends in international conflict and how conflict is managed including ethnic conflict and the expanded role of the United Nations Tables figures maps and a comprehensive index round out this valuable resource Regional Guide to International Conflict and Management from 1945 to 2003 gives readers the tools and content necessary for understanding and analyzing international conflict in today's world Perfect for political science comparative government politics international relations and world history programs

Encyclopedia of International Peacekeeping Operations Oliver Ramsbotham, Tom Woodhouse, 1999-05 Encyclopedia of International Peacekeeping Operations analyzes the broad national regional cultural and international contexts of peacekeeping Special focus is placed on such contemporary issues as human rights peacebuilding from below conflict resolution theory civilian peacekeeping gender considerations and women in peacekeeping The coverage is enhanced by a chronology charts maps a list of acronyms

an annotated bibliography and references to key websites      *Historical Dictionary of the United Nations* Alvin LeRoy Bennett, 1995-09-12 Items in the dictionary include United Nations programs events key personalities concepts agencies disputes and documents pertaining to the United Nations and its predecessor the League of Nations      **Arms Control and Disarmament, Defense and Military, International Security, and Peace** Stephen E. Atkins, 1989
