Protracted Contest:

Protracted Contest John W. Garver, 2001 Drawing upon interviews with key figures who have shaped the diplomatic history of China and India as well as the extensive record of government documents and media reports Garver offers a scrupulous examination of the Sino Indian relationship over the last 50 years Sikkim Andrew Duff, 2015-05-14 A history of larger than life characters and the demise of the tiny Himalayan kingdom nestled between India and China This is the true story of Sikkim a tiny Buddhist kingdom in the Himalayas that survived the end of the British Empire only to be annexed by India in 1975 It tells the remarkable tale of Thondup Namgyal the last King of Sikkim and his American wife Hope Cooke thrust unwittingly into the spotlight as they sought support for Sikkim's independence after their fairytale wedding in 1963 As tensions between India and China spilled over into war in the Himalayas Sikkim became a pawn in the Cold War in Asia during the 1960s and 1970s Rumors circulated that Hope was a CIA spy Meanwhile a shadowy Scottish adventuress the Kazini of Chakung married to Sikkim's leading political figure coordinated opposition to the Palace As the world's major powers jostled for regional supremacy during the early 1970s Sikkim and its ruling family never stood a chance On the eve of declaring an emergency across India Indira Gandhi outwitted everyone to bring down the curtain on the 300 year old Namgyal dynasty Based on interviews and archive research as well as a retracing of a journey the author's grandfather made in 1922 this is a thrilling romantic and informative glimpse of a real life Shangri La Praise for Sikkim A remarkable piece of detective work Fascinating human stories a very valuable addition to how the Cold War played out in South Asia and to the history of the foreign policies of China India and the U S Michael Burleigh author of *The Best of Times the Worst of Times*

Regional Conflict Management Paul Francis Diehl, Joseph Lepgold, 2003 This collection of original essays is one of the first to examine the implications and efficacy of regional conflict management in the new world order **Kashmir at the Crossroads** Sumantra Bose, 2021-01-01 An authoritative fresh and vividly written account of the Kashmir conflict from 1947 to the present The India Pakistan dispute over Kashmir is one of the world's incendiary conflicts Since 1990 at least 60 000 people have been killed insurgents civilians and military and police personnel In 2019 the conflict entered a dangerous new phase India's Hindu nationalist government under Narendra Modi repealed Indian administered Jammu and Kashmir's autonomous status and divided it into two territories subject to New Delhi's direct rule The drastic move was accompanied by mass arrests and lengthy suspension of mobile and internet services In this definitive account Sumantra Bose examines the conflict in Kashmir from its origins to the present volatile juncture He explores the global context of the current situation including China's growing role as well as the human tragedy of the people caught in the bitter dispute Drawing on three decades of field experience in Kashmir Bose asks whether a compromise settlement is still possible given the ascendancy of Hindu nationalism in India and the complex geopolitical context *The North American Review*, 1862 North American Review, 1862 **The North American Review** Jared Sparks, Henry Cabot Lodge, Edward Everett, James Russell

Lowell,1862 Vols 277 230 no 2 include Stuff and nonsense v 5 6 no 8 Jan 1929 Aug 1930 **The American Journal of Education and College Review** Henry Barnard,1857 **Nepal and the Geo-Strategic Rivalry between China and India** Sanjay Upadhyay,2012-02-27 The importance of the Himalayan state of Nepal has been obscured by the international campaign to free Tibet and the vicissitudes of the Sino Indian rivalry This book presents the history of Nepal s domestic politics and foreign relations from ancient to modern times Analysing newly declassified reports from the United States and Britain published memoirs oral recollections and interviews the book presents the historical interactions between Nepal China Tibet and India It discusses how the ageing and inevitable death of the 14th Dalai Lama the radicalization of Tibetan diaspora and the ascendancy of the international campaign to free Tibet are of increasing importance to Nepal With its position between China and India the book notes how the focus could shift to Nepal with it being home to some 20 000 Tibetan refugees and its chronic political turmoil deepened by the Asian giants rivalry Using a chronological approach the past and present of the rivalry between China and India are studied and attempts to chart the future are made The book contributes to a new understanding of the intricate relationship of Nepal with these neighbouring countries and is of interest to students and scholars of South Asian studies politics and international relations *Multipolarity in the 21st Century* Donette Murray,David Brown,2012-01-30 This book seeks to help shape the debate surrounding power and polarity in the twenty first century both by assessing the likelihood of US decline and by analysing what each of the so called rising powers can do As the twenty first century moves out of its first decade American supremacy continues to generate intense debate about the nature quality and sustainability of US power At the same time significant developments in four rising powers China Russia India and the European Union have provoked analysts to ask whether multipolarity is a realistic prospect Multipolarity in the 21st Century assesses the likelihood of a multipolar world developing either by a marked US decline and or by the ability of these putative rivals to continue to rise to the level necessary to be credibly considered a superpower Written by a combination of emerging scholars and recognised experts this volume will provide a timely and authoritative analysis of one of the most controversial and compelling security debates of the twenty first century This book will be of much interest to students of Security Studies Foreign Policy and International Relations in general **China and International Security** Donovan C. Chau,Thomas M. Kane,2014-04-17 The first work of its kind this strategic assessment of China s national security reveals the nation s intentions capabilities and threats and their implications for the United States and the world As China continues to develop the strategic means to advance its national interests in Asia and around the world assessing its role in international security is the greatest strategic challenge now faced by the United States and its allies China and International Security facilitates this critically important understanding analyzing topics that range from strategic geography and orientation to gender ratios Using detailed case studies and sharing expert insights the work provides historical internal and contemporary analyses that reveal the nature and character of China s national security This

three volume set is written for scholars students and policymakers The volumes offer in depth articles penned by intelligence professionals and journalists as well as entries by scholars in fields as diverse as international politics history and strategic studies While other works may attempt to predict the future of China s rise or the nature of China s future bilateral relationships none so thoroughly examines the totality of China s domestic regional and international security and their implications

The Clash of Ideas in World Politics John M. Owen IV,2010-07-19 Some blame the violence and unrest in the Muslim world on Islam itself arguing that the religion and its history is inherently bloody Others blame the United States arguing that American attempts to spread democracy by force have destabilized the region and that these efforts are somehow radical or unique Challenging these views The Clash of Ideas in World Politics reveals how the Muslim world is in the throes of an ideological struggle that extends far beyond the Middle East and how struggles like it have been a recurring feature of international relations since the dawn of the modern European state John Owen examines more than two hundred cases of forcible regime promotion over the past five centuries offering the first systematic study of this common state practice He looks at conflicts between Catholicism and Protestantism between 1520 and the 1680s republicanism and monarchy between 1770 and 1850 and communism fascism and liberal democracy from 1917 until the late 1980s He shows how regime promotion can follow regime unrest in the eventual target state or a war involving a great power and how this can provoke elites across states to polarize according to ideology Owen traces how conflicts arise and ultimately fade as one ideology wins favor with more elites in more countries and he demonstrates how the struggle between secularism and Islamism in Muslim countries today reflects broader transnational trends in world history

The US Pivot and Indian Foreign Policy H. Pant,Y. Joshi,2015-11-05 China s exponential rise and America s relative decline have led to a transition of power in contemporary Asia The US pivot towards Asia is the most evident manifestation of such a transition and Indian foreign policy shows signs of a hedging strategy with attempts to strengthen ties with both China and the US

China and India Waheguru Pal Singh Sidhu,Jing Dong Yuan,2003 The hardline view of Sino Indian relations found in the published reports of Indian and Chinese security analysts is often at considerable odds with the more tempered opinions those same analysts express in private interviews and conversations What is the reality of the increasingly important security relationship between the two countries The authors of this new study address that question in depth Sidhu and Yuan explore a range of key issues including mutual distrust and misperception perhaps the most important factor the undemarcated border the status of Tibet and Sikkim trade the tussle over various nonproliferation treaties terrorism the regional roles of the U S and Pakistan and the impact of domestic public opinion and special interests They do see a trend toward a more pragmatic approach in Beijing and New Delhi to managing differences and broadening the agenda of common interests Nevertheless they conclude significant obstacles remain to the amicable relationship necessary for regional peace and stability posing a daunting challenge to policymakers in these two rising powers
