Columbus Washington Irving,2013-12-11 Irving s extensive work on Christopher Columbus is one of the most famous biographies in American history The name of Washington Irving prefixed to any work is in itself a sufficient earnest of liberal sentiment and graceful composition With generous principles and pure intellectual tastes he unquestionably unites literary

talents of no common order The subject also which he has here chosen for the exercise of his powers is one if not of any real novelty at least abounding both in romantic excitement and philosophical interest It is a subject in many respects congenial to his own poetical cast of feeling his imaginative temperament his amiable and enlightened spirit and above all to his national enthusiasm as a citizen of that continent of which the discovery has immortalised the fame of his hero Endowed with such qualifications and thus inspired by characteristic fondness for his design it was easy to anticipate the degree of his success in its accomplishment and it is needless to say that he has produced a very amusing and elegant book **American Poultry Journal** ,1881 Bazaar Exchange and Mart, and Journal of the Household ,1875 The Life and Voyages of Christopher Columbus Washington Irving,1860 **Northwest Poultry Journal and Pacific Homestead** ,1906
