Proudhon What Is Property:

What is Property? Pierre-Joseph Proudhon,1994 This is a 1994 translation of one of the classics of the traditions of anarchism and socialism Pierre Joseph Proudhon was a contemporary of Marx and one of the most acute influential and subversive critics of modern French and European society His What is Property 1840 produced the answer Property is theft the book itself has become a classic of political thought through its wide ranging and deep reaching critique of private property as at once the essential institution of Western culture and the root cause of greed corruption political tyranny social division and violation of natural law A critical and historical introduction situates Proudhon s diabolical work as he called it in the context of nineteenth century social and legal controversy and of the history of political thought in general Publisher description **What is Property?: Property is Theft!** Pierre-Joseph Proudhon,2022-04-05 **What Is Property?**

Pierre-Joseph Proudhon,2022-03-22T20:37:46Z Property is robbery This slogan coined by the French political philosopher Pierre Joseph Proudhon is one of his answers to the titular question of his 1840 treatise What Is Property A fervent attack against the established order of capitalism and private property the publication of What Is Property almost immediately led to Proudhon s official prosecution and the revocation of Proudhon s scholarship by the Academy of Besan on Proudhon an autodidact of humble origins who began his working life as a printer relied on the scholarship for financial support Proudhon evaded the worst of the consequences thanks to the intervention of the economist J r me Adolphe Blanqui to whom the second memoir contained in the book is addressed In this treatise Proudhon contrasts the legitimate right to possession in which individuals own the products of their labor and the necessary means of production and the illegitimate right to property the absolute right granted to proprietors by civil laws to use and abuse Proudhon examines the implications of the right to property and concludes that among other things property is impossible homicide and the mother of tyranny As an alternative to both the proprietary and communist systems of economic organization Proudhon advances his anarchist economic theory of mutualism in which a socialist society would be organized based on free market exchanges wherein the value of a good or service is determined by the time and expense it has cost the laborer to produce This edition of What Is Property was translated in 1876 by Benjamin Tucker who was a notable advocate of individualist anarchism in his own right in the United States This book is part of the Standard Ebooks project which produces free public domain ebooks

Government is a work of political philosophy on the concept of property and its relation to anarchist philosophy by the French anarchist and mutualist Pierre Joseph Proudhon first published in 1840 In the book Proudhon most famously declared that property is theft What Is Property? P. J. Proudhon,2002-12-17 *What Is Property? (Large Print Edition)* Pierre-Joseph Proudhon,2014-02-26 LARGE PRINT EDITION More at LargePrintLiberty com This book was an influential work of nonfiction on the concept of property and its relation to anarchist philosophy by the French anarchist and mutualist Pierre Joseph Proudhon first published in 1840 In the book Proudhon most famously declared that property is theft Proudhon believed that the common conception of property conflated two distinct components which once identified demonstrated the difference between property used to further tyranny and property used to protect liberty He argued that the result of an individual s labor which is currently occupied or used is a legitimate form of property Thus he opposed unused land being regarded as property believing that land can only be rightfully possessed by use or occupation which he called possession As an extension of his belief that legitimate property possession was the result of labor and occupation he argued against such institutions as interest on loans and rent Some contemporary anarchists use the terms personal property or possessive property and private property to signify the distinctions Proudhon put forth in regard to ownership of the produce of labor and ownership of land In this sense private property would refer to claimed ownership of unused land or goods and personal property would refer to produce of labor currently in use This differentiation is an important component in anarchist critique of capitalism What is Property? Pierre-Joseph Proudhon,1876 **What is Property? An Inquiry into the Principle of Right and of Government** P.-J. Proudhon,2023-10-05 P J Proudhon s What is Property An Inquiry into the Principle of Right and of Government is a groundbreaking work that delves into the concept of property and its implications on society Written in a clear and concise style the book challenges traditional notions of property rights and explores the relationship between property ownership government and individual rights Proudhon s literary context as a leading figure in anarchist philosophy shines through in his sharp analysis and provocative arguments The book offers a unique perspective on the role of property in shaping social structures and calls into question commonly held beliefs about ownership and control It is a must read for anyone interested in political philosophy or social theory P J Proudhon known for his radical views on property and government was a key figure in the development of anarchist thought His background as a political theorist and social critic informed his writing providing a rich foundation for his exploration of property rights and governance Proudhon s intellectual curiosity and dedication to uncovering the truth behind societal structures shine through in What is Property as he challenges readers to reconsider their assumptions about ownership and authority His influence on modern political thought is undeniable making this work a foundational text in the study of anarchism and political theory I highly recommend What is Property An Inquiry into the Principle of Right and of Government to readers interested in exploring alternative perspectives on property government and individual rights Proudhon s thought provoking arguments and insightful analysis make this

book a valuable addition to any library offering a fresh and challenging take on fundamental political concepts *What Is Property? an Inquiry Into the Principle of Right and of Government* P. J. Proudhon, 2017-04-12 What is Property An Inquiry into the Principle of Right and of Government By Proudhon *Theory of Property* Pierre-Joseph Proudhon, 2025-03-06 Pierre Joseph Proudhon is often considered the spiritual godfather of today's radicals He championed individual liberty and criticized contemporary ideas of private property This work building on another work entitled What Is Property and published posthumously by Proudhon's colleagues describes Proudhon's view on property in detail It clearly delineates between private property and personal property and describes to what extent Proudhon believes individuals can restrict access to others in a free society Property Is Theft!: Pierre-Joseph Proudhon, Iain McKay, 2011-05-24 The definitive English language collection by the first man to call himself an anarchist **What is Property? An Inquiry Into the Principle of Right and of Government**, 2010 Note The University of Adelaide Library eBooks Adelaide **What Is Property? An Inquiry Into The Principle Of Right And Of Government** P -J Proudhon, 2025-05-13 Unlock the revolutionary ideas that shook the foundations of society What is Property An Inquiry into the Principle of Right and of Government by P J Proudhon is a timeless masterpiece that challenges the very essence of ownership and governance Once out of print for decades this provocative work is now beautifully restored and republished by Alpha Editions making it a must have collector's item and cultural treasure Dive into Proudhon's groundbreaking exploration of property rights where he famously declares Property is theft This edition not only revives his radical thoughts but also invites modern readers to question and reflect on the principles that govern our lives With its compelling arguments and insightful analysis this book remains as relevant today as it was in the 19th century Whether you're a casual reader intrigued by philosophical debates or a collector of classic literature this restored edition offers a unique opportunity to own a piece of intellectual history Experience the power of Proudhon's words and join the conversation that continues to inspire and challenge generations Don't miss your chance to add this essential work to your library **What Is Property?** P. J. Proudhon, 2014-05-01 The correspondence 1 of P J Proudhon the first volumes of which we publish to day has been collected since his death by the faithful and intelligent labors of his daughter aided by a few friends It was incomplete when submitted to Sainte Beuve but the portion with which the illustrious academician became acquainted was sufficient to allow him to estimate it as a whole with that soundness of judgment which characterized him as a literary critic He would however caution readers against accepting the biographer's interpretation of the author's views as in any sense authoritative advising them rather to await the publication of the remainder of Proudhon's writings that they may form an opinion for themselves Translator In an important work which his habitual readers certainly have not forgotten although death did not allow him to finish it Sainte Beuve thus judges the correspondence of the great publicist The letters of Proudhon even outside the circle of his particular friends will always be of value we can always learn something from them and here is the proper place to determine the

general character of his correspondence **A New Social Question** Casey Harison,2015-11-25 A New Social Question Capitalism Socialism and Utopia brings together a selection of papers presented at the conference on Capitalism and Socialism Utopia Globalization and Revolution at New Harmony Indiana in 2014 New Harmony is best known as the site of industrialist Robert Owen s experiment in communal living in 1825 and it was Owen s legacy that drew scholars from across the Atlantic Owen s work and his experiment at New Harmony again have currency as the world looks back on the 2008 economic crisis and as socialism seemingly banished with the failure of experiments in Eastern Europe and the former Soviet Union at the end of the last century has returned to the political and economic lexicon As David Harvey Thomas Piketty and Joyce Appleby have lately reminded us capitalism particularly the forms it has assumed since 1945 is probably exceptional perhaps ephemeral but also dynamic and resilient If the Great Recession has derailed personal lives destabilized economies and unnerved politicians it has also reminded us that we have not reached the end of history Where there was once a Social Question there is now a New Social Question This edited multi disciplinary volume will appeal to readers in political science economics history sociology anthropology literature communications and cultural studies and to academic audiences in North America Britain and elsewhere Proudhon's Sociology Pierre Ansart,2023-09-26 An introduction to the thought of Pierre Joseph Proudhon the first person to declare himself an anarchist Available in English for the first time Proudhon s Sociology is the landmark statement on Pierre Joseph Proudhon s thought While interest in Proudhon s work has undergone a revival in the last couple of decades in the English speaking world his theories about society remain little known Pierre Ansart s book renders the complexity of Proudhon s thought intelligible and emphasizes how Proudhonian ideas remain relevant today Ansart explores the similarities between Proudhon and Marx s thought including the influence that Proudhon s economic writings and theories of the state had on Marx A year before the publication of Sociologie de Proudhon 1967 Henri Lefebvre published Sociologie de Marx as part of the same academic series Both indispensable books which were available to French students at the time of the strikes of May June 1968 had a real impact on the theoretical education of that generation and on generations since This English language edition contains an introduction by Ren Berthier annotations by the translators and editor and an additional piece by Ansart titled Proudhon Throughout History **What Is Property? an Inquiry Into the Principle of Right and Government** P. J. Proudhon,2015-02-25 Proudhon was a very influential European philosopher and politician in the 19th century **What is Property?
