Prayer Amy Welborn, 2002-09-01 Why didn t God answer my prayers What s the best way to pray Does praying do any good at all For many teenagers the whole subject of prayer is a mystery Amy Welborn helps them understand what the Church teaches and why what the Church teaches is right *The Christian Doctrine of Prayer* James Freeman Clarke, 1874

The Life of Prayer in a World of Science Rick Ostrander, 2000-11-02 During the late 19th and early 20th centuries Christians carried on an intense debate concerning the doctrine of prayer This ideological revolution affected not only the ways that they interpreted the Bible but also how they prayed In this book Rick Ostrander explores the attempts of American Christians to articulate a convincing and satisfying ethic of prayer amidst these changing circumstances **The Pacific Garden Mission** Carl F.H. Henry, 2017-02-02 No one who is even slightly familiar with the work and testimony of the Pacific Garden Mission will question the accuracy of the story here set forth Rather he will exclaim with Sheba s queen The half hath not been told It would not be possible to inscribe in a book the greatest triumphs of this work for they are of so sacred a character that human language could not portray or express them aright They are among those spiritual things which are spiritually discerned If all the details of those sixty five years were to be put down on paper so far as it is possible to describe them it would take more than the Library of Congress to house the books that would have to be written Only eternity will reveal all that the work of Col and Mrs Clarke and their successors has meant to poor sin laden humanity for whom Christ died Nor were these poor derelicts the only ones benefited by contact with this great work Some of the ablest preachers and teachers of the Word were trained to a large extent in the Pacific Garden Mission Perhaps there is no greater expounder of Scripture in America than Dr William Evans who is internationally known and whose messages have been blessed to thousands in this and many other lands As a student of the Moody Bible Institute young Evans led the singing and played a cornet at the Mission and later served for two years as an assistant to Harry Monroe He counts the time spent in that work as part of the schooling that fitted him for his later worldwide ministry It has been my privilege to know many of those mentioned in this volume I have seen the grace of God leading them on in Christ s triumph I have recognized their lowly self sacrificing interest in others who are still where they once were I have noted their dependence on God and have been moved by their simplicity as they went to Him in prayer believing He meant what He said when He bade them be not anxious about anything but in everything by prayer and supplication with thanksgiving make known their requests And I know they were upheld by the Hand of Omnipotence which they grasped in faith as they knelt at the cross Theirs s has been a real salvation from real sin and wickedness But I must not attempt to hold anyone longer at the door Open and enter in and see for yourself
