[How to Cook Like a Man](#) Daniel Duane, 2012-05-08 Daniel Duane was a good guy but he wasn t what you might call domestic Yet when he became a father this avid outdoorsman was increasingly stuck at home trying to do his part in the growing household Inept at so many tasks associated with an infant daughter he decided to take on dinner duty He had a few tricks pasta soy sauce heavy stir fry actually those were his only two tricks So he cracked open one of Alice Waters s cookbooks and started diligently cooking his way through it When he was done with that there were seven more Waters cookbooks plus those by Tom Colicchio Richard Olney Thomas Keller and then he was butchering whole animals in his cluttered kitchen How to Cook Like a Man might be understood as the male version of Julia and Julia But more than chronicling a commitment to a gimmick it charts an organic journey and full on obsession exploring just what it means to be a provider and a father Duane doesn t just learn how to cook like a man he learns how to be one

*Seeking Provence* Nicholas Woodsworth, 2008-09-01 A region steeped in fable and myth Provence is a cultural crossroads of European history A source of inspiration to artists poets and troubadours it is now an enviable refuge for the wealthy and fashionable Nicholas

Woodsworth who was born in Ottawa Canada married into a Provençal family and has lived in the region for decades Lovingly recounting vivid details of life in Provence he provides here a welcome antidote to the typical rose tinted romantic view of it being a perennially sunny destination for tourists The true Provençaux have always lived a hard life close to the land and the rhythms of the seasons And it is in the revelation and understanding of these lives of the Provençal people that the truths of the region are to be found As much a study of Provençal culture and history as a memoir and travel book this is a deep and soulful investigation into a way of life that remains very distinct from that of the rest of France
