Cheryl Black,2002 In this work Cheryl Black argues that Provincetown has another largely unacknowledged claim to fame it was one of the first theatre companies in America in which women achieved prominence in every area of operation At a time when women playwrights were rare women directors rarer and women scenic designers unheard of Provincetown s female members excelled in all these functions making significant contributions to the development of modern American drama and theatre In addition to playwright Glaspell the company s female membership included the likes of poets Edna St Vincent Millay Mina Loy and Djuna Barnes journalists Louise Bryant and Mary Heaton Vorse novelists Neith Boyce and Evelyn Scott and painter Marguerite Zorach **The Drama** ,1923 **American Drama** Jacqueline Foertsch,2017-09-16 An essential introductory textbook that guides students through 300 years of American plays as well as their remarkable engagement with texts from across the Atlantic Divided into seven historical periods Jacqueline Foertsch offers unique overviews of 38 American plays and their reception from Robert Hunter s Androboros c 1714 to Lin Manuel Miranda s Hamilton 2015 Each historical section begins with an overseas play that proved influential to American playwrights in that period demonstrating to students an astonishing dialogue taking place across the Atlantic This is an ideal core text for modules on American Drama or a supplementary text for broader modules on American Literature which may be offered at the upper levels of an undergraduate literature drama theatre studies or American studies degree In addition it is a crucial resource for students who may be studying American drama as part of a taught postgraduate degree in literature drama or American studies

Three Midwestern Playwrights Marcia Noe,2022-08-02 In the early 1900s three small town midwestern playwrights helped shepherd American theatre into the modern era Together they created the renowned Provincetown Players collective which not only launched many careers but also had the power to affect US social cultural and political beliefs The philosophical and political orientations of Floyd Dell George Cram Cook and Susan Glaspell generated a theatre practice marked by experimentalism collaboration leftist cultural critique rebellion liberation and community engagement In Three Midwestern Playwrights Marcia Noe situates the origin of the Provincetown aesthetic in Davenport Iowa a Mississippi River town All three playwrights recognized that radical politics sometimes begat radical chic and several of their plays satirize the faddish elements of the progressive political social and cultural movements they were active in Three Midwestern Playwrights brings the players to life and deftly illustrates how Dell Cook and Glaspell joined early 20th century midwestern radicalism with East Coast avant garde drama resulting in a fresh and energetic contribution to American theatre
