## **Prudent Investors Guide To Hedge Funds:**

**The Prudent Investor's Guide to Hedge Funds** James P. Owen, 2001-05-02 Hedge funds are typically thought of as highly risky investments Not so In fact some hedge funds are among the most conservative investments you can make While speculative high flying hedge funds make the headlines others quietly go about the work of crafting unique investment strategies and hedging portfolios against market risk This much needed book shows why affluent investors who want to be financially secure through retirement should know about hedge funds Its blend of facts practical tips and personal insights takes the mystery out of this often misunderstood investment vehicle and reveals the critical questions to ask before you invest James P Owen Santa Barbara CA has more than 30 years of experience in the investment management industry and is Senior Vice President of Broadmark Asset Management Previously he was President of JPO Inc and a partner with NWQ Investment Management Company He is co founder of the Investment Management Consultants Association IMCA author of the financial bestseller *The Prudent Investor The Definitive Guide to Professional Investment Management* and was associate producer of the PBS television series *Beyond Wall Street The Art of Investing* *The Prudent Investor's Guide* Pasquale De Marco, 2025-04-05 The Prudent Investor's Guide is the ultimate guide to prudent investing for individuals of all experience levels This comprehensive book empowers readers to make informed investment decisions navigate market fluctuations with confidence and achieve their financial goals Within its pages you will discover The psychology of investing and how to overcome common biases Asset allocation and diversification strategies for managing risk In depth analysis of stocks bonds mutual funds and ETFs Retirement planning strategies to secure your financial future Investment tools and resources to help you make informed decisions The Prudent Investor's Guide is written in an accessible and engaging style making it an enjoyable and educational read Whether you are a seasoned investor seeking to refine your approach or a novice eager to take your first steps into the world of investing this book is an invaluable resource By equipping yourself with the knowledge and insights contained in The Prudent Investor's Guide you will gain the confidence to navigate the financial markets with a clear understanding of the risks and rewards involved You will learn how to make prudent investment choices that align with your financial objectives and risk tolerance empowering you to secure your financial future and achieve your financial aspirations Investing is not about chasing high returns it is about making well informed decisions and managing risk With The Prudent Investor's Guide as your guide you will gain the knowledge and skills necessary to make sound investment decisions and achieve your financial goals If you like this book write a review *Hedge Fund Regulation in the European Union* Phoebus Athanassiou, 2009-04-14 While hedge funds have been part and parcel of the global asset management landscape for well over fifty years it is only relatively recently that they came to prominence as one of the fastest growing and most vigorous sub sectors of the financial services industry Despite their growing significance for global and European financial markets hedge funds continue enjoying a sui generis regulatory status The ongoing credit crisis and its lessons for

the wisdom of unregulated or loosely regulated pockets of financial activity raise with renewed urgency the issue of deciding how long for the relative regulatory immunity of hedge funds is to be tolerated in the name of financial innovation This well thought out book the first of its kind in this particular field examines the case for the European onshore hedge fund industry s regulation making concrete proposals for its normative future Following a detailed account of the established regulatory systems in Ireland and Luxembourg as well as of the emerging hedge fund jurisdictions in Italy France Spain and Germany and of the regulatory treatment of hedge funds in the UK this book examines to what extent the continuing exclusion of hedge funds from harmonized European regulation is defensible whether their differences to traditional asset management products justify their distinct regulatory treatment and ultimately if their EU wide regulation is possible and if so what form this should take This book offers enormously valuable insights into all facets of the subject of the regulation of hedge funds including the legitimacy of the public policy interest in their activities the conceptual underpinnings and systemic stability emphasis of a realistic hedge fund regulatory scheme the main parameters of a workable onshore hedge fund regulatory framework the role of investor protection and market integrity as part of a holistic hedge fund regulatory scheme the possible use of the UCITS framework as a foundation for the EU wide regulation of hedge funds the MiFID s impact on the regulatory future of the European hedge fund industry existing cross jurisdictional differences and similarities in the normative treatment of hedge funds within the EU hitherto initiatives and recommendations of the Community institutions and bodies and the need for more efficient co operation and information sharing arrangements amongst national supervisors for the monitoring of the cross border risks inherent in the activities of hedge funds As the first ever comprehensive account of the profile main features and normative future of the contemporary global and European hedge fund markets including a systematic inquiry into the conceptual underpinnings of hedge fund regulation and a detailed examination of the European hedge fund industry s treatment under Community and domestic law this book represents a major contribution to the literature on hedge funds and their regulation which through its concrete proposals for the onshore industry s regulation and its clear analysis of the conditions necessary for their implementation should be of extraordinary value to policymakers supervisors and academics alike
