Psalms & the Creator Lord Jesus Christ Dale M. Presley, 2005-05-01 They were young Americans farm boys and city toughs transformed into raw edged killers in the green hell of Vietnam But the daily diet of mud blood and death in the miserable leech infested swamplands of the Mekong Delta had taken its toll on the men of the Third Platoon Shell shocked and battle weary they became careless And they paid a terrible price Mistakes had already cost Lieutenant Marlin Beckwith the lives of some of his best men and delivered another into the brutal clutches of the VC Vowing to save his captured warrior Beckwith leads his ravaged troops on an impossible rescue mission through the steaming jungles of Southwest Asia a nightmare journey past snipers ruthless CIA spooks and sadistic ARVN allies and straight into the lethal heart of the most terrifying Cong offensive of the war the bloody horror known as Tet **The Psalms as Christian Praise** Bruce K.

Waltke, James M. Houston, 2019-11-19 Two respected scholars explore the heart of the Psalms Following in the style of their companion volumes *The Psalms as Christian Worship* and *The Psalms as Christian Lament* Bruce Waltke and James Houston now explore the depths of Christian praise Each volume uniquely blends verse by verse commentary with a history of Psalms interpretation in the church from the time of the apostles to the present Since praise is the essence of the book of Psalms Waltke and Houston have narrowed the focus to Book IV of the Psalter Psalms 90-106 which magnify God and proclaim him king To give voice to the psalmist the authors carefully translate and explain each psalm and summarize its theological message This is followed by listening to the voice of godly churchmen whose comments have stood the test of time *The Psalms as Christian Praise* is ideal for anyone seeking to better understand the praise of Israel as found in the Psalms and how Christians also use these Psalms in worship **Way Truth: Life** Dale M. Presley, 2009-10-29 *Way Truth Life* that expands upon the theology presented in the authors first published book *Way Truth Life Revelation of the Creator LORD Jesus Christ* is a book that is much needed For most who claim to be Christian do not comprehend the fullness of Who the Creator LORD Jesus Christ is And virtually none of these understands Gods overall Plan of Redemption of the Ages that is necessary to correctly interpret Bible prophecy These are so ignorant of what God is doing and about to do that they do not even know what questions to ask Most proclaimed Christians have no concept of what the Bible reveals concerning the timing of Christs return They certainly cannot use simple terms to clearly explain how Gods predestination and mankinds free will coexist They do not know how God will ultimately judge all sinners in a fair manner regardless of when they live or what spiritual enlightenment they are exposed to Sadly most do not even know what God really requires for a person to be born again and eternally saved much less what spiritual stages everyone who ever lives potentially goes through from the moment that one comes into existence until he physically dies They do not know Gods plan for His chosen nation of Israel during the church age during the coming 7 year Tribulation and during the Millennial Kingdom And they have no idea what the Bible clearly reveals about the destiny of everyone who dies before the age of moral accountability Clear answers to the above are

provided within this fully scripture referenced book on theology entitled Way Truth Life Additionally the authors most literal approach to interpreting Gods Word also makes it very easy to decipher Bible prophecy **Treasures in the Psalms** Henry M. Morris,2000 A brand new book from the Father of the Modern Creationism Movement this marvelous look at the author s favorite book of the Bible gives the reader insights not commonly taught in the Church today This devotional focusing on the spiritual physical and scientific dimensions of the Psalms starts with the conviction that the Bible is a supernaturally transmitted collection of the books with Psalms leading the parade of the world s greatest literature From the book s definite nod to scientific concepts to the groanings of King David Treasures in the Psalms promises to be a gift beyond measure
