Psalms and Slaughter Tony Gray,1972 **Psalms and Slaughter** Tony Gray,1972 Death in Derry Jonathan Trigg,2025-05-01 I was in the Army over thirty years and Derry was the most resentful place I ever served even the dogs hated us When civil rights protests in the 1960s gave way to armed struggle the Provisional IRA in Derry both city and county led the fight against the British security forces In the city Martin McGuinness a young butcher s assistant from the Bogside quickly rose through the ranks launching a bombing campaign that reduced the city centre to rubble In tandem the IRA s active service units fought the British Army in the streets and alleys of the Bogside Creggan Shantallow and the Waterside Out in the townlands a new generation from the county s traditional republican families waged an equally ruthless war against their neighbours in the RUC and UDR The Derry Brigade s success would help propel McGuinness to the very top of the IRA s Army Council By the early 1980s the Derry Brigade appeared untouchable However in reality Special Branch and British Intelligence had infiltrated it from top to bottom and almost destroyed the brigade By the mid 1990s its war was all but over its ranks decimated by death and incarceration This is the story of that war told by those from all sides who survived it
