good attitude that denies pain loss and failure Churches contribute to these distressing realities among youth Our theology associates being happy with true faithfulness to God overemphasizing praise and thanksgiving while neglecting lament even though lament comprises the largest number of Psalms There is much good in the lives of today s adolescents but there is also much grief and woundedness Helping Youth Grieve exposes the warped view of God modeled and taught to our young people This book portrays a God who yearns to hear the honest cries of our youth even when that involves blaming God Spiritual caregivers will discover good news in biblical lament for its role in pastoral care and faith formation of adolescents
