Prison Commission, 1901      NPNF1-08. St. Augustine: Exposition on the Book of Psalms ,      **Report of the Commrs. of Prisons & the Directors of Convict Prisons** , 1901      Expositions of the Psalms 121-150 (Vol. 5) Saint Augustine of Hippo, St Augustine, 2004-10 Sixth and final volume of the long awaited translation of one of Augustine's classics and a great work in Christian literature Newly translated by Maria Boulding O S B whose masterful translation of Augustine's Confessions in the same series has been praised as being of a different level of excellence from practically anything else in the market Archbishop of Canterbury Rowan Williams The Expositions recapitulate and focus the experiences of Augustine's personal life his theological reflections and his pastoral concerns as Bishop of Hippo      **Thru the Bible Vol. 19: Poetry (Psalms 90-150)** J. Vernon McGee, 1997-04-21 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it is available as a complete 60 volume series in Old Testament or New Testament sets or individually      *Manna in the Heart: Or, Daily Comments on the Book of Psalms, Adapted for the Use of Families* Barton Bouchier, 1856      *The Book of Psalms* Claude Goldsmid Montefiore, 1901      *The Expositions On The Psalms* St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its

actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose And though we must look to his Confessions for the full view of all his cravings after real good and their ultimate satisfaction yet throughout his works we have the benefit of the earnestness with which he sought to feed on the sincere milk of the word **Psalms** S Edward Tesh, Walter Zorn, 2004-08 **ENCOURAGEMENT FROM THE PSALMS** Dr. B, 2023-10-06 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *The Book of psalms, ed. by C.G. Montefiore* Claude Goldsmid Montefiore, 1901
