The Structure of Psalms 93-100 David M. Howard (Jr.), 1997 Revision of the author's thesis doctoral University of Michigan 1986

Psalms Walter Brueggemann, William H. Bellinger, Jr, 2014-02-17 This text introduces the book of Psalms and provides an exposition of each psalm with attention to genre liturgical connections societal issues and the psalm's place in the book of Psalms as a whole The treatments of the psalms feature a close look at particular issues raised by the text and the encounters between the world of the psalm and the world of contemporary readers The exposition of each psalm provides a reader's guide to the text in conversation with relevant theological issues

The Design of the Psalter Peter C. W. Ho, 2019-10-04 Good poetry is like a good painting the more you linger over it the more it reveals It is a deep well that never runs dry And that is why the Psalter like a good painting keeps giving In the last four decades Psalms scholarship has found remarkable fruitfulness in reading the Psalter as a book that is in reading the Psalms as a unified composition with a metanarrative across its 150 poems Pivotal questions associated with this approach really boil down to two questions how and why How are individual psalms sequenced if at all and what is the design logic behind that macrostructure This volume seeks to answer those questions In essence the Psalter unfurls the story of the Davidic covenant While interest in the editing of the Psalter remains high in recent Psalms scholarship this interest has not led to clear consensus The specific and timely contribution of this volume is twofold First it consolidates the results of studies on groups of psalms Second it integrates poetic and thematic approaches that are typically separated in Psalms scholarship Readers will find results of this study surprising and their implications sobering

A Hermeneutic of Curiosity and Readings of Psalm 61 W. H. Bellinger, 1995

From Creation to the Cross Albert H. Baylis, 2010-06-01 Most Christians don't quite know what to do with the first half of the Bible Some are fascinated by the historical sweep of the Old Testament Others are blessed by its poetry Still others focus on its prophecies But what are the heart and soul of the Old Testament In *From Creation to the Cross* Al Baylis is a guide who shares with us his love for and profound understanding of the Old Testament He walks us through the Old Testament pointing out along the way perspectives and insights that leave us with a new personal understanding of these thirty-nine books and more importantly of the God of the Old Testament who lovingly prepared the way before sending his

Son As Bruce Wilkinson puts it in the Foreword I could almost picture Baylis as a seasoned rabbi surrounded by a huddle of eager listeners He doesn't simply teach the Old Testament it's as if he personally reminisces through it From Creation to the Cross is one of those rare books that speaks to a wide range of readers from high school students to homemakers to college professors This revised and expanded edition of *On the Way to Jesus* makes this unique and highly readable approach to the first half of the Bible available once again It is ideally suited for use in Bible study groups

Soundings in the Theology of Psalms Rolf A. Jacobson, 2010-11 The many introductions to the psalms available to readers tend to focus on various types and forms of psalms but overlook different theological approaches to the Psalter This volume brings together leading psalms scholars from Catholic and Protestant traditions and takes into account recent scholarship on the shape and shaping of the Psalter and on the rhetorical interpretation of the Psalms

The Art of Preaching Old Testament Poetry Steven D. Mathewson, 2024-11-05 Preachers often struggle with preaching Old Testament poetry They are uncertain how to preach the highly emotive poems in Psalms the one liners in Proverbs the tedious conversations in Job the esoteric observations about life in Ecclesiastes and the confusing love poems in the Song of Songs Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging and some of the richest material in the Old Testament This companion to his successful *The Art of Preaching Old Testament Narrative* guides readers through preaching the oft neglected Old Testament poetic books Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners Highlighting Mathewson's skill at bringing the riches of the Old Testament to bear on the life of the church this book makes scholarship on the poetic books accessible for pastors and pastors in training It also includes sample sermons

A Theology of Music for Worship Derived from the Book of Revelation Thomas Allen Seel, 1995 Analyzes the forms of music performing groups and performance practice found within the Book of Revelation Each of these aspects is traced historically through the early pagan Jewish Greek Roman and early church periods

Charting the Course of Psalms Research Erhard S. Gerstenberger, 2022-10-18 For the past several decades Erhard Gerstenberger has been a leader in the study of the Psalms These essays bring together some of the key contributions that both reflect on the history of interpretation and the path forward for research Both the student and the experienced researcher will be enriched by the depth and clarity of perspective that Gerstenberger brings Two of the essays appear here in English for the first time Contents 1 The Lyrical Literature 2 Psalms 3 The Psalm Genres 4 Theologies in the Psalms 5 Modes of Communication with the Divine in the Hebrew Psalter 6 The Psalms and Ritual Praxis 7 Non Temple Psalms The Cultic Setting Revisited 8 The Psalter as Book and as Collection

Praying the Psalms, Second Edition Walter Brueggemann, 2007-05-01 In this thoroughly revised edition of a classic in spirituality Walter Brueggemann guides the reader into a thoughtful and moving encounter with the Psalms This new edition includes a revised text new notes and new bibliography The movement and meeting of God with us is indeed a speech event in which new humanness is evoked among

us Being attentive to language means cultivating the candid imagination to bring our own experience to the Psalms and permitting it to be disciplined by the speech of the Psalms And conversely it means letting the Psalms address us and having that language reshape our sensitivities and fill our minds with new pictures and images that may redirect our lives from Chapter 3 The Oxford Handbook of the Psalms William P. Brown, 2014-05 An indispensable resource for students and scholars The Oxford Handbook of the Psalms features a diverse array of essays that treat the Psalms from a variety of perspectives Classical scholarship and approaches as well as contextual interpretations and practices are well represented The coverage is uniquely wide ranging **The Conflict Between Faith and Experience, and the Shape of Psalms 73-83** Stephen J. Smith, 2022-06-16 Stephen J Smith enters the lively field of editorial criticism of the Hebrew Psalter or Psalterexegese with this detailed investigation into the final form of Psalms 73 83 In the book he engages scholarly disagreements over this collection s structure the degree and nature of its literary unity and the primary theological message s it communicates Smith argues that the sequence of Psalms 73 82 and possibly 83 has a deliberate design that reflects a sustained focus on addressing and resolving a multidimensional collision between faith i e core Israelite beliefs about God and experience i e the individual community s lived experience of God that was precipitated by God s prolonged absence in the Temple s destruction c 586 587 BCE Parting ways with previous scholarship Smith contends that a recursive organizing principle rooted in biblical parallelism structures the collection Over the book s nine chapters he makes the case that the editor s grouped its psalms into two major blocks 74 78 79 82 of two sub groupings each 74 76 77 78 79 82 80 81 in order to develop a single topic in multiple dimensions the severe threat that God s prolonged absence in the temple s destruction posed to the ongoing viability of various core Israelite beliefs about God most fundamentally God s goodness Smith makes the case that the collection is shaped to resolve this crisis by bolstering the reader s confidence in and commitment to these beliefs in the face of their apparent failure Trusting YHWH Lorne E. Weaver, 2019-02-27 To open the Book of Psalms is to enter the world of God To read the Psalms is to read the words of God and hear the words of these ancient people in response to this God who has graciously drawn them into an eternal covenant The Book of Psalms is one continuous conversation that ranges over many centuries perhaps nearly a millennium between the God of Israel and the people of Israel or more accurately the God of glory and this particular people who have been called to live life on the edge of glory as the people of God There is no mystery to this conversation It is all an embroidery of grace Modern day readers may find themselves caught in the nexus between personal experience and the desire to live a life of faith on the other These will find a voice in the Psalms Ancient Israel strove to put their trust in the One God of All in the face of myriad challenges throughout her long history What we find here is a bold witness to their hard won faith and confidence in the sheltering presence of the One God of All This is a message that is especially timely for people who may desire the deeper dimensions of life and faith amid the inescapable incongruities and anxieties of postmodern life The Beginning of Paul's Gospel Nijay K. Gupta, John

K. Goodrich,2023-07-07 The Epistle to the Romans remains the centerpiece of all serious Pauline theological research Each of the major sections of Romans has received significant attention in recent scholarship yet no consensus has emerged about how to read the opening chapters of Paul s most important letter Romans 1 4 This collection of essays returns to the beginning of Paul s theological masterpiece to probe longstanding puzzles and to offer new readings and fresh insights on some of the most cherished chapters in the entire Pauline corpus

A Guide to Biblical Commentaries and Reference Works John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years

Psalm 118 in the Gospel of John Andrew C. Brunson,2003 Andrew Brunson examines the presence and function of Ps 118 in the Gospel of John placing particular emphasis on its interpretation in a New Exodus context which has previously not been developed in the Fourth Gospel Following a comprehensive survey of Ps 118 s Jewish setting its role in the festivals and its use in the Synoptic Gospels special attention is given to the quotations in the Entrance Narrative The author argues that John portrays Jesus as bringing an end to Israel s state of continuing exile by fulfilling the role reserved to Yahweh in the New Exodus This culminates in the Entrance to Jerusalem where Jesus embodies the return of Yahweh to reign among his people A literary study of the coming sent theme in John underscores the extent to which Jesus is identified ontologically and functionally with the Father A previously unnoticed allusion to Ps 118 and Jubilees in John 8 56 is explored and attention is paid to establishing the presence and developing the function of several neglected allusions to the psalm in 10 7 10 10 24 25 and 11 41 42

How to Read the Bible as Literature Leland Ryken,2016-11-22 Why the Good Book Is a Great Read If you want to rightly understand the Bible you must begin by recognizing what it is a composite of literary styles It is meant to be read not just interpreted The Bible s truths are embedded like jewels in the rich strata of story and poetry metaphor and proverb parable and letter satire and symbolism Paying attention to the literary form of a passage will help you understand the meaning and truth of that passage How to Read the Bible as Literature takes you through the various literary forms used by the biblical authors This book will help you read the Bible with renewed appreciation and excitement and gain a more profound grasp of its truths Designed for maximum clarity and usefulness How to Read the Bible as Literature includes sidebar captions to enhance organization wide margins ideal for note taking suggestions for further reading appendix The Allegorical Nature of the Parables indexes of persons and subjects

Psalms James Luther Mays,2011-08-26 Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who

interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry
