Psi-Battles Amon-Ra,2002-11-01 An exciting mystical tale that propels the reader through the shadowy depths and the fantastic heights of both psychic conflicts and spiritual revelations **PSI-Battles** Amon-Ra,2002-11 PSI Battles The Ascension is a thrilling thought provoking fantasy Victor a graduate student at Grace University is only concerned about getting good grades and getting Rose s attention Then suddenly it starts to happen people across the campus are suddenly and inexplicably psychically attacked by a mysterious assailant with devastating effects Victor never really believed in ESP before but now he s not so sure Will our hero discover the identity of this unknown telepathic attacker How can someone even dream of stopping assaults caused by something so fantastic More importantly how will our untried hero respond to the call to complete a mystical transformation that could reveal the blissful inner Power and Wisdom that might save them all if only he completes it in time PSI Battles The Ascension is intensely fascinating to people interested in exciting fantasy and remarkable extrasensory experiences A definite must read **Psi' Ops and the Battle of Minds** Doug

Welchman,2015-06-11 Rijil survives his ascension day twenty one He is on the run The thought police almost kill him for being gifted in psi ability an American taboo He receives a commission from the Royal Navy He meets Keke Rijil is a fighter pilot before their psi ability is discovered Once they belong to the Alpha Psi Ops team they use their telepathy psi to hunt down Trapizoids They get assaulted by them but discover they are a slave race to the Tolms The Ancients intervene in the capacity of police to stop the war The Trapizoids refuse to cooperate and the Ancients are forced to clear the League of Planets of any wrongdoing But the Tolms were the real enemy The Ancients make use of Rijil and Keke as they go about their main business of destroying Tolm target minds The Trapizoids want to help eradicate the Tolms They are allies Both Rijil and Keke are put through the process of regeneration in case they die After Keke dies she is given an honorable discharge when she cant remember Rijil He goes to Aquafloa her home planet and she remembers almost all their relationship They find true and abiding love **The Terrans** L.S. Worth,2022-02-03 The demons and psionics humans with telepathy and other mental

abilities have the initial advantage during the First Terran War The traditional humans can barely maintain their ranks The tide starts to change when humans possessing elemental magic sorcery and advanced fighting techniques join the fray The humans acquire and solidify their advantage when several scores of psionics turn against their brethren and demon allies The demons retreat before their species confront extinction Their psionic cohorts have been exiled to the island west of Pangaea The victorious humans offer the psionic defectors sanctuary on Pangaea The adept mentalists refuse and sail south pledging to live their lives isolated from humans demons and psionics alike The Psionians as the western island s inhabitants have designated themselves forged a new society from the ashes of their defeat They created a new psionic power source using leyaEURline energies not frequently siphoned by sorcerers and other mystics The Psionians developed subdesignations so that each citizen of their new island home Psionia could broaden their individual identities and contribute to the greater

community Seventyfive years later as the Psionians thrive in their new existence independent of nonpsionic humans Ultimus discovers his father and PsiaEURLord Maximilius in a coma As Cratius the Master Panacean tends to Maximilius s cerebral wounds Ultimus ventures outside the PsiaEURLCitadel in search of answers The next day Ultrina announces to the Psionians that Ultimus had been attacked hours earlier She added that the body could not be found and the remaining evidence allows for only one conclusion Sorcerers had assaulted their PsiaEURLord and perhaps terminated her brother s existence The Psionians out of grief rage and anger agree that Ultrina should lead their people and that a retaliatory strike against Pangaea should be her first act What does she have in store for Pangaea s sorcerers Will the humans not adept in magic sorcery or other mystic arts share in the sorcerers suffering What about the descendants of the psionics who betrayed the Psionians decades ago Once the incursion commences will they side with their psionic brethren or like their ancestors fight alongside the nonpsionic humans The answers do not matter Ultrina made one promise after the sorcerers assaults upon Maximilius and Ultimus She would have her revenge

Mussolini in the First World War Paul O'Brien,2014-03-04 How did Benito Mussolini come to fascism Standard accounts of the dictator have failed to explain satisfactorily the transition from his pre World War I socialism to his post war fascism This controversial new book is the first to examine closely Mussolini s political trajectory during the Great War as evidenced in his journalistic writings speeches and war diary as well as some previously unexamined archive material The author argues that the 1914 18 conflict provided the catalyst for Mussolini to clarify his deep rooted nationalist tendencies He demonstrates that Mussolini s interventionism was already anti socialist and anti democratic in the early autumn of 1914 and shows how in and through the experience of the conflict the future duce fine tuned his authoritarian and totalitarian vision of Italy in a state of permanent mobilization for war Providing a radical new interpretation of one of the most important dictators of the twentieth century Mussolini in the First World War will appeal to anyone who wants to learn more about the roots of fascism in modern Europe

of black migrants reassessing previous accounts such as St Clair Drake and Horace R Cayton's 1945 study *Black Metropolis*. Utilizing a wide range of historical data, *The Rise of Chicago's Black Metropolis* (1920-1929) delineates a web of dynamic social forces to shed light on black businesses and the establishment of a black professional class. The exquisitely researched volume draws on fictional and nonfictional accounts of the era, black community guides, mainstream and community newspapers, contemporary scholars and activists, and personal interviews.
