

Особенности неформальных организаций

1. Социальный контроль

Неформальные организации осуществляют социальный контроль за своими членами. Первым шагом к этому является установление и укрепление норм — групповых эталонов приемлемого и неприемлемого поведения. Чтобы быть принятым группой и сохранить в ней свое положение, человек должен соблюдать эти нормы. Чтобы укрепить соблюдение этих норм, группа может применять довольно жесткие санкции, а тех, кто их нарушает, может ждать отчуждение. Это сильное и эффективное наказание, когда человек зависит от неформальной организации в удовлетворении своих социальных потребностей.
