Heller,2014-03-19 What happens when a woman dares to imagine herself a hero Questing she sets out for unknown regions Lighting a torch she elicits from the darkness stories never told or heard before The woman hero sails against the tides of great legends that recount the adventures of heroic men legends deemed universal timeless and essential to our understanding of the natural order that holds us and completes us in its spiral Yet these myths and rituals do not fulfill her need for an empowering self image nor do they grant her the mobility she requires to imagine enact and represent her quest for authentic self knowledge The Feminization of Quest Romance proposes that a female quest is a revolutionary step in both literary and cultural terms Indeed despite the difficulty that women writers face in challenging myths rituals psychological theories and literary conventions deemed universal by a culture that exalts masculine ideals and universalizes male experience a number of revolutionary texts have come into existence in the second half of the twentieth century by such American women writers as Jean Stafford Mary McCarthy Anne Moody Marilynne Robinson and Mona Simpson all of them working to redefine the literary portrayal of American women s quests They work in part by presenting questing female characters who refuse to accept the roles accorded them by restrictive social norms even if it means sacrificing themselves in the name of rebellion In later texts female heroes survive their lighting out experiences to explore diverse alternatives to the limiting roles that have circumscribed female development This study of *The Mountain Lion* *Memories of a Catholic Girlhood* *Coming of Age in Mississippi* *Housekeeping* and *Anywhere but Here* identifies transformations of the quest romance that support a viable theory of female development and offer literary patterns that challenge the male monopoly on transformative knowledge and

Wall, 2000 This casebook collects the most widely cited and influential essays published on Hurston's classic novel over the last quarter of the 20th century **Callisto Myth from Ovid to Atwood** Kathleen Wall, 1988-07-01 Kathleen Wall traces the myth through fifteen works of English American and Canadian literature providing a fresh feminist reading of these narratives Among the works analysed are selections by Margaret Atwood Charlotte Bronte Thomas Hardy and George Elliot The resulting text reveals many facets of the realities of women's experience from the Middle Ages to the twentieth century And ultimately Wall shows rape to be an expression of dominance rather than lust giving increased support to the definition suggested by feminists Wall demonstrates that the Callisto myth is a powerful archetype which illustrates both the victimization of women and their search for independence and autonomy an archetype that should not be ignored by modern women Margins in the Classroom Kostas Myrsiades, Linda S. Myrsiades, 1994 **Pedagogy is Politics** Maria-Regina Kecht, 1992 *Narrative Authority and Homeostasis in the Novels of Doris Lessing and Carmen Martín Gaité* Linda E.
