Disobedient Women Sarah Stankorb,2023-08-08 In this national bestseller journalist Sarah Stankorb outlines how access to the internet its networks freedom of expression and resources for deeply researching and reporting on powerful church figures allowed women to begin dismantling the false authority of evangelical communities that had long demanded their submission A generation of American Christian girls was taught submitting to men is God s will They were taught not to question the men in their families or their pastors They were told to remain sexually pure and trained to feel shame if a man was tempted Some of these girls were abused and assaulted Some made to shrink down so small they became a shadow of themselves To question their leaders was to question God All the while their male leaders built fiefdoms from megachurches and sprawling ministries They influenced politics and policy To protect their church s influence these men covered up and hid abuse American Christian patriarchy as it rose in political power and cultural sway over the past four decades hurt many faithful believers Millions of Americans abandoned churches they once loved Yet among those who stayed and a few who still loved the church they fled a brave group of women spoke up They built online megaphones using the democratizing power of technology to create long overdue change In Disobedient Women journalist Sarah Stankorb gives long overdue recognition for these everyday women as leaders and as voices for a different sort of faith Their work has driven journalists to help bring abuse stories to national attention Stankorb weaves together the efforts of these courageous voices in order to present a full layered portrait of the treatment of women and the fight for change within the modern American church Disobedient Women is not just a look at the women who have used the internet to bring down the religious power structures that were meant to keep them quiet but also a picture of the large scale changes that are happening within evangelical culture regarding women s roles ultimately underscoring the ways technology has created a place for women to challenge traditional institutions from within *And You Shall Know Us by the Trail of Our Vinyl* Roger Bennett,Josh Kun,2008 This illustrated history of Jewish culture in America as told through music includes a collection of amazingly kitschy truly unforgettable album covers and insightful essays that highlight the funniest most influential contributions to the musical canon Full color throughout

Tough Love Cynthia Burack,2014-02-01
Exposes how ex gay and postabortion ministries operate on a shared system of thought and analyzes their social implications A staple of the culture wars the struggle between Christian conservatives and progressives over sexuality and reproductive rights continues Focusing on ex gay ministries geared to helping same sex attracted people resist their sexuality and postabortion ministries dedicated to leading women who have had an abortion to repent that decision Cynthia Burack argues that both are motivated and characterized by a strain of compassion that is particular to Christian conservatism rather than a bias and hatred toward sexual minorities and sexually active women This compassion reproduces the sexual ideology of the Christian right and absolves Christian conservatives from responsibility for stigma and other forms of harm to postabortive and same sex attracted people Using the democratic theory of Hannah Arendt the popular fiction of Ayn Rand and the psychoanalytic thought of Melanie Klein Burack studies the social and political effects of Christian conservative compassion

Prayer Is Not an Option It'S a Command Sophia L. Garcia,2018-06-22 Have you ever wondered why churches today only remind us about how the miracle of God manifested itself in the churches of yesteryear Lets be honest some churches do not experience the power of God because they do not practice regular prayer meetings We cannot continue to have church as usual and languish in prayerlessnessGod is waiting to hear your voice Prayer Is Not an Option Its a Command can help you maintain a prayer life with our heavenly Father Author and minister Sophia L Garcia urges believers to understand that prayer is an essential element of Christianity and as an act of worship it plays a vital role in the church By understanding this role and by learning the spiritual and practical steps to maintaining a successful prayer life you can make the personal choice to engage in prayer Having a prayer life is not something that just happens you have to stay focused and make time to pray When you dont pray you are saying to Yeshua I can handle my business today If I need your assistance then I will pray But not praying will cripple your relationship with Jesus Christ and cause you to be independent of him instead of depending on Him Fellowship with the creator of the universe is only a prayer awayand all you need is a sincere heart and an open spirit

Reader come Join us for an adventure a roller coaster of joy flirtious playful fun sadness battle with depression and suicidal ideation A rollercoaster of memories and thought provoking ideas **Justice Not Silence** Ezra Chitando, Sophia Chirongoma, 2013-09-01 The editors of this volume highlight the fact that although the Church often stands up for other public issues such as human rights democratic political rights economic justice etc sexual and gender based violence do not receive the attention they deserve There are no theological or cultural arguments that can justify such a position Sexual and gender based violence are a scourge that defies our Christian understanding of human dignity and challenges the Church in all its formations to respond Although most of the case studies are from Zimbabwe they challenge us regardless of which country we are living in or the tradition of our specific denomination In the context of Southern Africa where the HIV and AIDS burden is among the highest in the world sexual and gender based violence are a major contributor to the spread of the disease This will only change if the Church challenges this practice as part of its educational and public work in theological institutions in congregations but also in its pastoral work within families *Mystery God* Scott E. Secret Sin Mary Comm,2006-08-01 Secret Sin When God s People Choose Abortion was written because abortion is one of the last great secret sins that remains in the closet And because the Church hasn t been aware of the magnitude of this secret sin or how it affects those it touches the Church has done little or nothing to help these people suffering silently in their midst to find healing in Christ This book was written to pull back the curtain giving those within the Church an inside look into the world of the post abortive Christian with the intent of spurring them on to begin reaching out to these hurting people with the compassion of Christ
