Stockton Insane Asylum Murder James Musgrave, 2019-02-13. Madness can be seen as an intuitive probing into true reality. R. D. Laing: Women were among others misdiagnosed as insane by alienists in the 1800s. My plot will involve a female child who has been institutionalized in 1887, but the aunt of this child comes to Clara Foltz to say she believes the child was admitted to the Stockton State Insane Asylum, the first such institution in California, because she knew about a murder that was committed on her wealthy parent's estate. Clara solicits the help of Elizabeth Packard, the crusading real activist who was committed in the 1860s by her husband. It took Mrs. Packard three years to earn her freedom. Together with Ah Toy, they contrive a way to go undercover to gain admittance into the Women's Building at Stockton to find the child and determine what happened to have her institutionalized. Children were regularly institutionalized as were the elderly and the feeble-minded. Five of these characters will be readers who won a raffle held by the author. They will be suspect asylum patients inside the Stockton State Insane Asylum, the first public mental hospital in California. The author will be working with each reader using their photos, descriptions, and personal idiosyncrasies to craft the characters used in his mystery. BookLife Prize 2018. Sex, Murder and a Double Latte Collection Kyra Davis, 2014-03-15

Follow the escapades of writer-turned-detective Sophie Katz in these four sexy mysteries from New York Times bestselling author Kyra Davis.

Sex Murder and a Double Latte Mystery writer Sophie Katz suspects that a crazed fan is sneaking into her apartment to reenact scenes from her books. And when a filmmaker friend is brutally murdered in the manner of a death scene from one of his movies, she's convinced that a copycat killer is on the loose and that she's the next target. The man who swoops in to save her is the mysterious new love interest, Anatoly Darinsky. Of course, if this were fiction, Anatoly would be her prime suspect.

Passion Betrayal and Killer Highlights When her brother-in-law turns up dead and her sister is accused of the crime, Sophie's priority is finding the real killer. With or without Anatoly's help, her brother-in-law's secret life yields plenty of suspects, but the San Francisco police aren't taking any of them seriously. So Sophie does what comes naturally to her: she stirs up trouble to lure the killer out of course.

Obsession Deceit and Really Dark Chocolate Sophie's relationship with the irresistible and occasionally insufferable Anatoly is on the rocks when a friend recruits Sophie to decode her allegedly two-timing husband's strange behavior. Suddenly plunged into a crazy world of campaign mudslinging, dirt digging, and cover-ups, Sophie begins to uncover some pretty dirty secrets, indeed. Way in over her head as usual, Sophie reluctantly, or not so reluctantly, enlists the help of her two-time sidekick and ex-Anatoly.

Lust Loathing and a Little Lip Gloss Sophie is head over heels in love with a three-bedroom San Francisco Victorian. She's just got to have it, despite a few drawbacks. Her slimy ex is the realtor, and her first tour of the house reveals well a lifeless body clutching a cameo with a disturbing history of its own. There's no way Sophie is going to give up the ghost on her dreams of stained glass and original woodwork, though especially since Sophie is 99 percent sure her problems are caused by someone six feet tall instead of six feet under.
