Economic Investigations in Twentieth-Century Detective Fiction Yan Zi-Ling,2016-03-09 In his study of Golden Age and hard boiled detective fiction from 1890 to 1950 Yan Zi Ling argues that these two subgenres can be distinguished not only by theme and style but by the way they structure knowledge value and productive labour Using the detective as a reference point and enactor of socially based interests Yan shows that Golden Age texts are distinguished by their conservatism and not only by their conservatism with the detectives actions serving to stabilize institutions with specific ideological aims In contrast the criminal investigations of the hard boiled detective who is poorly aligned with institutions and strong interest groups reveal the fragility of the status quo in the face of escalating cycles of violence Key to Yan s discussion are theories of exchange value and the gift the latter of which he suggests is more akin to detective work than is wage labour Analyzing texts by a wide range of authors that includes Arthur Conan Doyle Agatha Christie Dashiell Hammett Raymond Chandler Dorothy Sayers Raoul Whitfield George Harmon Coxe and Mickey Spillane Yan demonstrates that the detective s truth generating function most often characterized as a process of discovery rather than creation is in fact crucial to the institutional and class based interests that he or she

serves **Gender Bending Detective Fiction** Heather Duerre Humann, 2017-03-06 Since the middle of the last century views on gender norms have shifted dramatically Reflecting these changes storylines that involve cross dressing and transgender characters have frequently appeared in detective fiction characters who subvert the conventions of the genre and challenge reader expectations This examination of 20th and 21st century crime novels reveals what these narratives say about gender identity and gender expression and how they contributed to the evolution of detective fiction **The Bloomsbury Handbook to Agatha Christie** Mary Anna Evans, J.C. Bernthal, 2022-09-08 Nominated for the 2023 Edgar Allan Poe Award for Best Critical Biography The first specifically academic companion to contemporary scholarship on the work of Agatha Christie this book includes chapters by an international group of scholars writing on topics and fields of study as various as ecocriticism and the anthropocene popular modernism middlebrow fiction queer theory feminism crime and the state and more It addresses a broad selection of Christie s crime novels as well as her short stories literary novels written pseudonymously and her own and others dramatic adaptations for television film and the stage Featuring unprecedented access to images and content held in Christie s personal archive as well as a Foreword from renowned crime fiction writer Val McDermid this is essential reading for anyone interested in Christie s work and legacy *Booze and the Private Eye* Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it s an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective s moral code and casts light upon the society s attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre s birth in an era strongly influenced and affected by prohibition and follows both the genre s development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works *Outlander and Lord John as Crime Fiction* Erin E. MacDonald, 2025-01-24 Fans across the globe are familiar with Diana Gabaldon s bestselling Outlander series and the Starz television series that adapts it Combining science fiction time travel and historical romance the Outlander universe has captivated millions with its detail and complexity However few readers or viewers realize how large an influence the mystery genre has had on Gabaldon s plots characters and writing style Her Lord John series of novels and short stories is obviously rooted in the crime fiction tradition although it doesn t play by all of the traditional generic rules Even the larger Outlander novels though contain at least one mystery in every book This inclusion of the murder mystery and other crimes is no accident the author has stated her love of the genre and her deliberate use of it many times This collection of scholarly essays delves into the many connections between the world of Outlander and the world of crime fiction It analyzes in depth for the first time the ways that crime and punishment vigilante justice and murder and mystery

are represented in both the Outlander and Lord John series Moving beyond the stereotypical romantic focus this book demonstrates the variety and complexity of Gabaldon s universe The Figure of the Detective Charles

Brownson,2014-01-16 This book begins with a history of the detective genre coextensive with the novel itself identifying the attitudes and institutions needed for the genre to emerge in its mature form around 1880 The theory of the genre is laid out along with its central theme of the getting and deployment of knowledge Sherlock Holmes the English Classic stories and their inheritors are examined in light of this theme and the balance of two forms of knowledge used in fictional detection cool or rational and warm or emotional The evolution of the genre formula is driven by changes in the social climate in which it is embedded These changes explain the decay of the English Classic and its replacement by noir hardboiled and spy stories to end in the cul de sac of the thriller and the nostalgic Neo Classic Possible new forms of the detective story are suggested
