Littell's Living Age Eliakim Littell, Robert S. Littell, 1885

Medieval Instrumental Dances Timothy J. McGee, 2024-06-06 In Europe the tradition of secular dance has continued unbroken until the present In the late Middle Ages it was an important and frequent event for the nobility a gracious way to entertain guests for the peasantry a welcome relaxation from the toils of the day Now back in print this collection presents compositions that are known or

suspected to be instrumental dances from before ca 1420 The 47 pieces vary in length and style and come from French Italian English and Czech sources Timothy McGee relates medieval dances to the descriptions found in literary theoretical and archival sources and to the depictions in the iconography of the Middle Ages In a section on instrumental performance practices he provides information about ornamenting the dances and improvising in a historically appropriate style This comprehensive edition brings together in one volume a repertory that has been scattered over many years and countries

Music, Body, and Desire in Medieval Culture Bruce W. Holsinger, 2001 Ranging chronologically from the twelfth to the fifteenth centuries and thematically from Latin to vernacular literary modes this book challenges standard assumptions about the musical cultures and philosophies of the European Middle Ages Engaging a wide range of premodern texts and contexts the author argues that medieval music was quintessentially a practice of the flesh It will be of compelling interest to historians of literature music religion and sexuality as well as scholars of cultural gender and queer studies Poetry and Music in Medieval France Ardis Butterfield, 2002 In Poetry and Music in Medieval France first published in 2003 Ardis Butterfield examines vernacular song in medieval France She begins with the moment when French song first survives in writing in the early thirteenth century and examines a large corpus of works which combine elements of narrative and song as well as a range of genres which cross between different musical and literary categories Emphasising the cosmopolitan artistic milieu of Arras Butterfield describes the wide range of contexts in which secular songs were quoted and copied including narrative romances satires and love poems She uses manuscript evidence to shed light on medieval perceptions of how music and poetry were composed and interpreted The volume is well illustrated to demonstrate the rich visual culture of medieval French writing and music This interdisciplinary study will be of interest to both literary and musical scholars of late medieval culture
