Naval Heroes of Holland James Andrew Mets,1902 *NAVAL HEROES OF HOLLAND* J. A. METS,2018 **Naval Heroes of Holland (Classic Reprint)** J. A. Mets,2015-08-04 Excerpt from Naval Heroes of Holland The little work herewith offered to the youth of our land deals in part with the struggle of a republic of the past against the nation with which so recently our own great republic was at war Indeed much of what is here told was the beginning of that work which the United States was called upon in the providence of God as the author cannot but believe to finish namely the utter overthrow of Spain as a world power Some names will occur here that have become familiar during our recent war and which may serve to awaken the greater interest in the perusal of these pages The deeds here recorded are those of only a few of the naval heroes of Holland those whom the author considers most conspicuous in the glorious galaxy There are many who might also deserve to have their deeds specially recorded De Witt Van Galen Van Ness Ita the Evertsens Cornelius Tromp and a number of others whose heroic deeds aided in making the fame of Hollands navy world wide But to have done this would have made not only one but many bulky volumes while in the accounts given of the most prominent of these intrepid warriors on the deep many of their heroic brothers in arms have necessarily received a place About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Naval Heroes of Holland** J A B 1832 Mets,2025-05-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Holland* C. B. Black,1908 **Piracy and Privateering in the Golden Age Netherlands** V. Lunsford,2005-06-03 This exciting scholarly work examines Dutch maritime violence in the seventeenth century With its flourishing maritime trade and lucrative colonial possessions the young Dutch Republic enjoyed a cultural and economic pre

eminence becoming the leading commercial power in the world Dutch seamen plied the world's waters trading exploring and colonizing Many also took up pillaging terrorizing their victims on the high seas and on European waterways Surprisingly this story of Dutch freebooters and their depredations remains almost entirely untold until now Piracy and Privateering in the Golden Age Netherlands presents new data and understandings of early modern piracy generally and also sheds important new light on Dutch and European history as well such as the history of national identity and state formation and the history of crime and criminality
