**Navigating the Ship of You** Peter Wright,2014-06-22 Navigating the Ship of You is a book about discovery exploration and sailing the vast oceans of our lives It is about journeying into the Unknown and returning and making it Known by drawing maps and charting our experiences It is about gaining an understanding of the art of self navigation in order to enhance and transform our lives It is set in two parts Part One examines the primary phenomena of the art of self navigation namely the power of Thought and Language Part Two contains stories of some of the encounters on both my own voyages and the voyages of some of those I have helped guided and explored with and sailed alongside Life and its manifold circumstances serves up a vast and varied climate for our voyages and journeys so our expertise and mastery of the Art of Navigation is of vital importance to our perspective understanding and appreciation of what life in general and our life in particular is all about

*Risk Navigation Strategies for Major Capital Projects* Asbjørn Rolstadås,Per Willy Hetland,George Farage Jergeas,Richard E. Westney,2011-06-22 Investors and managers of major projects know how often they result in cost overruns and schedule delays Risk Navigation Strategies for Major Capital Projects builds on conventional best practice to provide a risk based view of current practices for planning and executing large international projects As economies of scale continue to drive projects to ever higher levels of scope and complexity new thinking about strategy and risk is required Since major projects are highly exposed to external risks the traditional view of predictability as something that can be mandated and ensured by rigorous

application of conventional best practice has become a myth Fresh thinking is required to manage projects today and this book provides a framework for taking project management best practice to the next level Risk Navigation Strategies for Major Capital Projects is intended for executives investing in major projects project leaders and managers as well as those with a teaching or research interest in project and risk management
