Nazareth Hill Gates Of Hades:

The Gates of Hell Matthew Heise,2022-05-11 The gates of hell shall not prevail Decimated by war revolution and famine the Evangelical Lutheran Church of Russia was in critical condition in 1921 In *The Gates of Hell* Matthew Heise recounts the bravery and suffering of German Russian Lutherans during the period between the two great world wars These stories tell of ordinary Christians who remained faithful to death in the face of state persecution Christians in Russia had dark days characterized by defeat but God preserved his church Against all human odds the church would outlast the man made sandcastles of communist utopianism *The Gates of Hell* is a wonderful testimony to the enduring power of God s word Christ s church and the Spirit s faithfulness

The Gates of Hell David Henderson,2024-10-17 This book is mostly a collection of true stories about demonic beings frightening torturing and creating chaos among humans The first reason I authored this book was because I simply enjoy this topic Yes I am a bit odd I find topics that are strange mysterious and diabolical to be interesting The second reason is because we are in a spiritual battle and I find many Christians that I know seem to be almost oblivious to this fact My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6 12
