## Prose Of Milton:

**The Complete Poetry and Essential Prose of John Milton** John Milton, 2007-11-13 This edition contains all of Milton's poetry and a generous portion of his most vital prose. The texts of both have been almost entirely modernized. General preface

*John Milton Prose* John Milton, 2012-11-05 Regarded by many as the equal of Shakespeare in poetic imagination and expression, Milton was also a prolific writer of prose, applying his potent genius to major issues of domestic, religious, and political liberty. This superbly annotated new publication is the most authoritative single-volume anthology yet of Milton's major prose works. Uses Milton's original language, spelling, and punctuation. Freshly and extensively annotated. Notes provide unrivalled contextual analysis as well as illuminating the wealth of Milton's allusions and references. Will appeal to a general readership as well as to scholars across the humanities.

The Essential Prose of John Milton John Milton, 2013-03-12 Edited by William Kerrigan, John Rumrich, and Stephen M. Fallon. The legendary author of *Paradise Lost* and other poems was also a superb and provocative prose writer. Culled from Modern Library's definitive *The Complete Poetry and Essential Prose of John Milton*, this indispensable collection, authoritatively annotated and updated for this new volume, now includes selections from Milton's *Commonplace Book* and the complete text of *The Tenure of Kings and Magistrates*, in addition to Milton's letters, pamphlets, political tracts, and essays. Milton tackles diverse subjects and takes controversial positions, including notorious defenses of divorce and protests against censorship. With expert analysis, a chronology of the author's life, clean layouts, and a comprehensive index, *The Essential Prose of John Milton* is an invaluable keepsake, a book bound to be a revelation for all readers of this monumental author. Meticulously edited, full of tactful annotations that set the stage for his work and his times, and bringing Milton as a poet and a thinker vividly alive before us. Robert Hass, former Poet Laureate of the United States.

**The Prose Works of John Milton ...** John Milton, James Augustus St. John, 1871

The Complete Poetry and Essential Prose of John Milton John Milton, 2007-11-13 John Milton is next to William Shakespeare the most influential English poet, a writer whose work spans an incredible breadth of forms and subject matter. *The Complete Poetry and Essential Prose of John Milton* celebrates this author's genius in a thoughtfully assembled book that provides new modern spelling versions of Milton's texts, expert commentary, and a wealth of other features that will please even the most dedicated students of Milton's canon. Edited by a trio of esteemed scholars, this volume is the definitive Milton for our time. In these pages you will find all of Milton's verse, from masterpieces such as *Paradise Lost* (widely viewed as the finest epic poem in the English language) to shorter works such as the *Nativity Ode*, *Lycidas*, *A Masque*, and *Samson Agonistes*. Milton's non-English language sonnets, verses, and elegies are accompanied by fresh translations by Gordon Braden. Among the newly edited and authoritatively annotated prose selections are letters, pamphlets, political tracts, essays such as *Of Education* and *Areopagitica*, and a generous portion of his heretical *Christian Doctrine*. These works reveal Milton's passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods. With his deep learning

and the sensual immediacy of his language Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity With this in mind the editors give careful attention to preserving the vibrant energy of Milton's verse and prose while making the relatively unfamiliar aspects of his writing accessible to modern readers Notes identify the old meanings and roots of English words illuminate historical contexts including classical and biblical allusions and offer concise accounts of the author's philosophical and political assumptions This edition is a consummate work of modern literary scholarship Praise Over the coming months John Milton's 400th anniversary will be celebrated in many different ways but it is highly unlikely that any of the tributes he receives will do as much for him as the appearance of the Modern Library edition of his collected poetry and selected prose The edition is a model of its kind well designed and attractively produced There are scholarly but unintimidating footnotes and helpful introductions to the major works Spelling and punctuation have been modernized a difficult decision but the right one A great deal has been packed in but Milton has still been left room to breathe The whole enterprise is meant to be reader friendly and it succeeds The Wall Street Journal This magnificent edition gives us everything we need to read Milton intelligently and with fresh perception You could take it to a desert island or just stay home and further your education in a great writer William H Pritchard Amherst College For generations of readers Milton has been the measure of both eloquence and nobility of mind For the next generation this new Modern Library volume will be the standard it is meticulously edited full of tactful annotations that set the stage for his work and his times and it brings Milton as a poet and a thinker vividly alive before us Robert Hass Years ago I began a series of poems about Milton and his daughters Ever since I have been combing through Milton's poems and prose for those moments when the poet would turn and speak to the poet in me It is in the new Kerrigan Rumrich Fallon edition that I now find prompt rejoinders to questions ready clarifications of problems and a more intimate dimension of that formidable adjective Miltonic Richard Howard A superb edition of the great poet with modernized spelling lucid introductions to each work illuminating footnotes and fresh prose translations of poems in Latin Greek and Italian This will surely be the edition of choice for teachers students and general readers too Leo Damrosch Harvard University The introductions alone constitute a fine new book on Milton beautifully written challenging and balanced with equal care and insight given to textual biographical historical literary historical and literary critical concerns It is a book to last a lifetime James Earl University of Oregon In this landmark edition teachers will discover a powerful ally in bringing the excitement of Milton's poetry and prose to new generations of students In the clarity of its overall conception its thoroughness and its never faltering attention to literary and historical detail the Modern Library Milton serves almost as another teacher patient thoughtful endlessly concerned with genuine comprehension William C Dowling Rutgers University The editors display a remarkable combination of scholarly rigor and sensitivity to literary values expressed in prose of exemplary clarity and extraordinary grace even the notes concise as well as precise approach a kind of epigrammatic brilliance A superb edition Edward W Tayler Columbia University The
