Modern American Prose Selections Byron J. Rees, 2015-06-17 Excerpt from Modern American Prose Selections As the reader if he wishes may discover without undue delay the little volume of modern prose selections that he has before him is the result of no ambitious or pretentious design It is not a collection of the best things that have lately been known and thought in the American world it is not an anthology in which all our best authors are represented by striking or celebrated passages The editor planned nothing either so precious or so eclectic His purpose rather was to bring together some twenty examples of typical contemporary prose in which writers who know whereof they write discuss certain present day themes in readable fashion In choosing material he has sought to include nothing merely because of the name of the author and he has demanded of each selection that it should be of such a character both in subject and style as to impress normal and wholesome Americans as well worth reading The earlier selections President Roosevelt's noble eulogy upon Lincoln Secretary Lane's two addresses on American tradition and heritage and Governor Coolidge's address at Holy Cross remind the reader of the high significance of our national past and indicate the promise of a rightly apprehended future About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Prose Selections : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
