The prospector : a tale of the crows nest pass Charles William Gordon,1904 **The Prospector** Ralph Connor,1904

The Prospector Ralph Connor,1909 **The Prospector** Ralph Connor,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The Prospector** Ralph Connor,2013-10 It was one of November's rare days The kindly air vital with the breath of the north wind and mellow with the genial sun was full of purple haze the grass still vividly green gave no hint of the coming winter the trees bony and bare but for a few rags of summer dress russet brown and gold stood softened of all their harshness in the purple haze and slanting yellow light of the autumn afternoon Nature wore a face of content She had fulfilled her course for another year and satisfied with her achievement was obviously thinking of settling herself into her winter's sleep It was a good day to be alive The tingle in the air somehow got into the blood So it felt to a young girl who danced out from under the trees on the west boundary of the University campus Oh she cried to her stately taller sister who with a young man followed more sedately into the open Oh what a day What a picture **The Prospector** Ralph Connor,1905 The Prospector: A Tale of the Crow's Nest Pass Ralph Connor,2021-04-25 Ralph Connor's *The Prospector A Tale of the Crow's Nest Pass* offers a gripping narrative set against the backdrop of the Canadian Rockies during the gold rush era The novel weaves together adventure and character development through a rich tapestry of dialogue and vivid descriptions characteristic of Connor's engaging literary style He skillfully captures the rugged beauty of the landscape while exploring themes of ambition morality and the human spirit amidst the struggles of frontier life reflecting the socio economic tensions prevalent in early 20th century Canada Ralph Connor the pseudonym for the Reverend Charles William Gordon was deeply influenced by his experiences as a minister in remote communities and his profound appreciation for the Canadian wilderness His background steeped in faith and social justice shines through in this formative work as he probes the ethical dilemmas faced by those seeking fortune and fulfillment in an unforgiving environment Connor's voice emerged from a distinctive perspective where spirituality meets the practicalities of daily life making him a unique figure in Canadian literature This novel is highly recommended for readers intrigued by historical fiction and the moral complexities of the human experience Connor's thoughtful prose invites reflections on ambition and sacrifice making *The Prospector* not just a tale of adventure but also a profound exploration of character and conscience **The Bookseller** ,1912 Index Catalogue of the Townhead District Library Glasgow (Scotland). Race, Nation, and Reform Ideology in Winnipeg, 1880s-1920s Kurt Korneski,2015-06-09 During the late nineteenth and early twentieth centuries a host of journalists ministers medical doctors businessmen lawyers labor leaders politicians and others called for an assault on poverty slums disreputable boarding houses alcoholism prostitution sweatshop conditions inadequate educational facilities and other social evils Although they represented an array of political positions and advocated a range of strategies to deal with what they deemed problems historians have come to term this impulse urban reform or the urban reform movement This book considers the history of reform ideology in Canada It does so by considering four leading reformers living in what might be described as the most Canadian of Canadian cities Winnipeg Manitoba While the book engages in discussions debates surrounding the particular individuals it considers its more general argument is that to understand the history of reform in Canada requires viewing reformers as simultaneously experiencing and responding to two basic phenomena simultaneously It requires understanding them as confronting the polarizing tendencies exploitation and sometimes grinding poverty that was central to the economic order they often unwittingly helped to impose in northern North America It also however requires seeing them as fundamentally shaped by the process and legacy of the dispossession of Aboriginal peoples and the changing nature of Aboriginal settler relations that were also central to the development of Canada
