The Meaning of Money in China and the United States Emily Martin, 2015-04-20 When Emily Martin delivered the annual Lewis Henry Morgan Lectures at the University of Rochester in 1986 she took as her subject the meaning of money in China and the United States Though the topic is of perennial interest and never more so than in our era when economic forecasts of China s growing economy generate shallow news stories and public fear the lectures were never edited for publication so their rich analysis has been unavailable to anthropologists ever since With this book the first volume in a collaboration between Hau Books and the University of Rochester Martin s lectures are brought back fully edited and richly illustrated A new introduction by Martin herself brings her analysis wholly up to date while an afterword by Jane I Guyer and Sidney Mintz discusses Martin s work influence and legacy The Meaning of Money in China and the United States will instantly assume its rightful place as a classic in the field with Martin s insights as germane and productive as they were nearly thirty years ago

The Shame Game Janice Sterling Gaunt, 2011-05-01 A licensed counselor shows how to stop saying you re not good enough let go of shame and grab life by the horns As you look at a newborn child you become overwhelmed by his preciousness Your heart is filled with love Without doubt you recognize that the child s value was

established at birth The child's value exists simply because he exists You know with absolute certainty that this child every child can never be of lesser value This child's value simply is This child is you Abundant living is everyone's birthright Toxic shame can impede your ability to live abundantly and The Shame Game offers you the tools to claim your inheritance Although there have been books that address shame healing shame and abundant living The Shame Game brings the three issues together in a more informative readable and concise manner than has ever been done Janice gently guides you on a journey of self awareness and healing empowering you to rediscover your birth created value The Shame Game can set you free from the past teach you to embrace the present and open the door to an abundant future Praise for The Shame Game Janice Gaunt has highlighted the importance of acceptance and self forgiveness in her first book The Shame Game This groundbreaking work will revolutionize how we look at shame and will help readers become the productive self accepting balanced people they are meant to be Jenna Bush Hager Today correspondent and author of Ana's Story and Read All About It In simple straightforward prose Janice takes a subject none of us like to talk about and gently pushes us to open up face the truth and get our lives moving again this time in the right direction It's a remarkable performance Skip Hollandsworth executive editor Texas Monthly Shame is at the heart of many healthcare issues for women Understanding how shame based issues dictate our behaviors and relationships is important for women in order to be mentally and physically well Learning to accept one's self is one of the biggest challenges we face Janice Gaunt lays out a comprehensive program with real solutions to living a fulfilling life Leesa B Condry MD OB GYN Professional Practice for Interior Designers Christine M.
