*The Left Behind Fantasy* William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom

and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense

The Rapture Exposed Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In *The Rapture Exposed* Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world *The Rapture Exposed* reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community

**Ecclesiology for a Digital Church** Heidi A Campbell, John Dyer, 2022-02-04 What are the ecclesiological challenges and opportunities raised by technology How have developments related to the COVID 19 global health crisis impacted churches forcing a swift move to mediated and online worship And how will this change the shape churches of theological and programmatic choices for years to come Drawing together a diverse group of theologians and media scholars this volume considers the key theological question churches and religious leaders need to engage with as they look towards long term strategies involving church life and technology

1999 Ross Benes, 2025-04-22 The year 1999 was a high water mark for popular culture According to one measure it was the best movie year ever But as journalist Ross Benes shows the end of the 90s was also a banner year for low culture This was the heyday of Jerry Springer Jenna Jameson and Vince McMahon among many others Low culture had come into its own and was poised for world domination The reverberations of this takeover continue to shape American society During its New Year s Eve countdown MTV entered 1999 with Limp Bizkit covering Prince s famous anthem to the new year The highlights of the lowlights continued when WCW and WWE drew 35 million American viewers each week with sex appeal and stories about insurrections Insane Clown Posse emerged from the underground with a Woodstock set and platinum records about magic and murder Later that year Dance Dance Revolution debuted in North America and Grand Theft Auto emerged as a major

video game franchise Beanie Babies and Pok mon so thoroughly seized the wallets and imagination of collectors that they created speculative investment bubbles that anticipated the faddish obsession over nonfungible tokens NFTs The trashy talk show Jerry Springer became daytime TV s most watched program and grew so mainstream that Austin Powers Sabrina the Teenage Witch The Wayans Bros The Simpsons and The X Files incorporated Springer into their own plots during the late 90s Donald Trump even explored a potential presidential nomination with the Reform Party in 1999 and wanted his running mate to be Oprah Winfrey whose own talk show would make Dr Oz a household name Among Springer s many guests were porn stars who at the end of the millennium were pursuing sex records in a bid for stardom as the pornography industry exploded aided by sex scandals new technology and the drug Viagra which marked its first full year on the US market in 1999 Benes shows us how so many of the strangest features of culture in 1999 predicted and influenced American life today This wild ride through pop culture uncovers the connections between the kayfabe of WWE and the theatrics of politics between the faddish obsession with Beanie Babies and with NFTs between faithful fans and political loyalists between violent video games and society s scapegoats and much more 1999 is not just a nostalgic look at the past It is also a window into our contentious present

**BIBLE PROPHECY WORTH REPEATING!** Bernice M. Mason, 2011-03-08 QUOTES FROM YOUR BIBLE

PROPHECY SURVIVAL MANUAL FOR THE END OF THE AGE THE SECOND GREATEST LIE EVER TOLD The teaching that the Church will be raptured before the Great Tribulation is the second biggest lie told in human history the first being told to Eve by Satan You shall surely not die if you eat of the forbidden fruit This second great lie you will be safe not only lulls people to sleep in the belief they will be carried to heaven to escape all the trouble that will plague the earth during the tribulation but it also minimizes the importance of the glorious earthly kingdom the throne of David that the Lord Jesus will occupy when He returns The KINGDOM OF GOD is a prominent theme of both the Old and New Testaments yet except for praying thy kingdom come thy will be done on earth as it is in heaven we give very little thought to the Lord's earthly kingdom Some pre tribulation teachers say that Israel will receive the earthly blessings while the church will receive the greater heavenly blessings Some further say that even though Israel will have the preeminence we the church will be able to travel back and forth between heaven and the earthly kingdom of Christ during the millennium If all of this sounds strange and foreign to you you have only to listen to what is being taught over Christian radio and television And millions of Christians are listening and believing We must be very careful of being so heavenly minded that we cut ourselves out of the Lord's earthly kingdom We need to see the church as both heavenly and earthly citizens Although the Pre Tribulation Rapture theme has been widely promoted through radio and television sermons videos the Internet and books and movies like Left Behind Christians reading their Bibles with great care will find not one passage that emphatically states that Christians will indeed be raptured before the Great Tribulation Pre tribulation rapture proponents throw out a few isolated scriptures and as they expound on them listeners become so enamored with the excitement of the promises that they do not realize that the commentary and the scriptures do not match Sometimes you may hear it can be implied we can surmise this seems to indicate but nothing regarding a doctrine as important as a Pre tribulation Rapture is directly stated in clear bold SCRIPTURES as are other teachings regarding the last days The Second Coming of Christ is so important that even though Christians differ we must be willing to sit down pray together and study with open Bibles letting the Holy Spirit of God direct our hearts and minds till we all come in the unity of the faith and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fullness of Christ That we henceforth be no more children tossed to and fro and carried about with every wind of doctrine by the sleight of men and cunning craftiness whereby they lie in wait to deceive But speaking the truth in love may grow up into him in all things which is the head even Christ Eph 4 13 15 This manual written to awaken Christians from their lethargy is not intended to be an advanced course on Bible prophecy This is an emergency manual a guide to help you stay focused on the Word of God and give you a minimum of what you need to know and do before our Lord returns Do not be mesmerized by the eloquence of pre tribulation rapture preachers their striking appearances

their remarkable knowledge their magnificent charts their powerful deliveries their irresistible promises Rather be like the ancient Bereans who received the word with all readiness of mind and searched the scriptures daily whether those things were so Acts 17 11 Although time may be short keep studying and keep searching the Scriptures for truth Through a sincere desire for truth you will learn how to
