Prostitution Policy Revolutionizing Practice Through A Gendered Perspective:

Prostitution Policy Lenore Kuo, 2005-09 Through the lens of feminist theory Kuo examines the milieu of prostitutes and the role of prostitution in contemporary society and how the interplay of those two works itself out in practice

Prostitution Policy Lenore Kuo, 2005-09-01 While widely acknowledged as the world's oldest profession and often glamorized or demonized in the media prostitution is a critical part of American culture and its economy as well as a social problem in need of an updated public policy In *Prostitution Policy* Lenore Kuo combines feminist social research and legal studies to tackle issues raised by heterosexual prostitution in the U S Through the lens of feminist theory Kuo examines the milieu of prostitutes and the role of prostitution in contemporary society and how the interplay of those two works itself out in practice Moving beyond theoretical analysis of prostitution *Prostitution Policy* turns to the complicated problem of formulating a reasonable legal policy that minimizes harm Kuo discusses criminalization legalization and decriminalization as possible approaches ultimately arguing for a unique form of decriminalization including detailed legal oversight and mandatory social services

Student Sex Work Debbie Jones, Teela Sanders, 2022-09-27 This book provides a contemporary collection of key works that chart new and ongoing terrain on student sex work It brings together experienced researchers activists practitioners early career researchers and those with lived experience of doing sex work in the university setting from across the globe The book addresses three core areas Activism Ideology and Exclusion Motivations and Experiences and University Policy Practice and Service Delivery This collection represents significant theoretical methodological and policy and practice contributions within sex work studies These new perspectives contribute to our existing knowledge introduce new directions for scholarship and prompt new and exciting questions about how higher education students participation in sex work can be researched understood and responded to in an ethical non stigmatising approach The book will be of interest to students researchers and service providers and given the interdisciplinary nature of the chapters the book has a cross disciplinary appeal

Negotiating Sex Work Carisa R. Showden, Samantha Majic, 2014-04-01 Globally discussions about sex work focus on exploitation The media regularly provides us with stories about teen girls coerced to perform sexual acts for money frequently beaten and robbed by their pimps or traffickers While one would have to be hard pressed to deny that sex workers are victimized the popular media and our political leaders emphasize sex work as exclusively exploitative In *Negotiating Sex Work* Carisa R Showden and Samantha Majic present a series of essays that depict sex work as an issue far more complex than generally perceived Positions on sex work are primarily divided between those who consider that selling sexual acts is legitimate work and those who consider it a form of exploitation Organized into three parts *Negotiating Sex Work* rejects this either/or framework and offers instead diverse and compelling contributions that aim to reframe these viewpoints Part I addresses how knowledge about sex work and sex workers is generated The next section explores how nations and political actors who claim to protect individuals in sex work

often further marginalize them Finally part III examines sex workers own political organizational efforts to combat laws and policies that deem them deviant sinful or total victims A timely and necessary intervention into sex work debates this volume challenges how policy makers and the broader public regard sex workers capacity to advocate for their own interests Contributors Cheryl Auger Sarah Beer Dawson College Montreal Michele Tracy Berger U of North Carolina Chapel Hill Thaddeus Gregory Blanchette Federal U of Rio de Janeiro Raven Bowen Gregg Bucken Knapp U of Gothenburg Sweden Ana Paula da Silva Federal U of Vi o sa Valerie Feldman Gregor Gall U of Bradford Kathleen Guidroz Georgetown U Annie Hill U of Minnesota Johan Karlsson Schaffer U of Oslo Edith Kinney Mills College Yasmin Lalani Pia Levin Alexandra Lutnick Tamara O Doherty U of the Fraser Valley British Columbia Joyce Outshoorn U of Leiden Francine Tremblay Concordia U Montreal

Regulating Autonomy Shelley Day Sclater, Fatemeh Ebtehaj, Emily Jackson, Martin Richards, 2009-03-04 These essays explore the nature and limits of individual autonomy in law policy and the work of regulatory agencies Authors ask searching questions about the nature and scope of the regulation of private lives from intimacies personal relationships and domestic lives to reproduction They question the extent to which the law does or should protect individual autonomy Recent rapid advances in the development of new technologies particularly those concerned with human genetics and assisted reproduction have generated new questions practical social legal and ethical about how far the state should intervene in individual decision making Is there an inevitable tension between individual liberty and the common good How might a workable balance between the public and the private be struck How indeed should we think about autonomy The essays explore the arguments used to create and maintain the boundaries of autonomy for example the protection of the vulnerable public goods of various kinds and the maintenance of tradition and respect for cultural practices Contributors address how those boundaries should be drawn and interventions justified How are contemporary ethical debates about autonomy constructed and what principles do they embody What happens when those principles become manifest in law

The Subject of Prostitution Jane Scoular, 2015-12-22 The Subject of Prostitution offers a distinctive analysis of the links between prostitution and social theory in order to advance a critical analysis of the relationship of law to sex work Using the lens of social theory to disrupt fixed meanings the book provides an advanced analytical framework through which to understand the complexity and contingencies of sex work in late modernity The book analyses contemporary citizenship discourse and the law s ability to meet the competing demands of empowerment by sex workers and protection by radical feminists who view prostitution as the epitome of patriarchal sexual and economic relations Its central focus is the role of law in both structuring and responding to the problem of prostitution By developing a distinctive constitutive approach to law the author offers a more advanced analytical framework from which to understand how law matters in contemporary debates and also suggests how law could matter in more imaginative justice reforms This is particularly pertinent in a period of unprecedented legal reform both internationally and nationally as legal norms simultaneously attempt to protect empower and criminalise parties

involved in the purchase of sexual services The Subject of Prostitution aims to overcome the current aporia in these debates and suggest new ways to engage with the subject and law As such The Subject of Prostitution provides an advanced theoretical resource for policymakers researchers and activists involved in contemporary struggles over the meanings and place of sex work in late modernity *Neither Villain nor Victim* Tammy Anderson,2008-01-22 Female drug addicts are often stereotyped either as promiscuous lazy and selfish or as weak scared and trapped into addiction These depictions typify the pathology and powerlessness narrative that has historically characterized popular and academic conversations about female substance abusers Neither Villain Nor Victim attempts to correct these polarizing perspectives by presenting a critical feminist analysis of the drug world By shifting the discussion to one centered on women s agency and empowerment this book reveals the complex experiences and social relationships of women addicts Essays explore a range of topics including the many ways that women negotiate the illicit drug world how former drug addicts manage the more intimate aspects of their lives as they try to achieve abstinence how women tend to use intervention resources more positively than their male counterparts and how society can improve its response to female substance abusers by moving away from social controls such as the criminalization of prostitution and rehabilitative programs that have been shown to fail women in the long term Advancing important new perspectives about the position of women in the drug world this book is essential reading in courses on women and crime feminist theory and criminal justice *Sex and the contract* Vincenzo

Sexuality and Equality Law Suzanne B. Goldberg,2017-07-05 Sexual rules and regulations are among society s oldest yet it is only in recent decades that this once stigmatized field has become the focus of scholarly attention This volume which includes some of the most thought provoking and hard to find essays in the field covers a diverse range of topics from sexual orientation and gender identity to intersexuality and commercial sex and from HIV AIDS and trafficking to polygamy Through

historical political and critical theoretical lenses and through a global focus the selections ask how we conceptualize the groups and acts subjected to sexual regulation and how regulations in the field implicate and produce understandings of sexuality and identity By placing this variety of works together *Sexuality and Equality Law* invites fresh insights into commonalities and synergies across regulatory arenas that are often isolated from one another The volume's introduction situates all of these works in the broader field and offers readers an extensive bibliography

The State of Sex Barbara Brents, Crystal Jackson, Kathryn Hausbeck, 2009-12-16 This study of Nevada's brothels uses empirical data and sociological theory to situate the United States only legal brothel industry in the political economy of contemporary tourism The personal accounts of sex workers make this a compelling read for students and those interested in the sex industry

A Moral Defense of Prostitution Rob Lovering, 2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution's immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world's oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic

Street Sex Workers' Discourse Jill McCracken, 2013-04-17 Incorporating the voices and insights of street sex workers through personal interviews this monograph argues that the material conditions of many street workers the physical environments they live in and their effects on the workers bodies identities and spirits are represented reproduced and entrenched in the language surrounding their work As an ethnographic case study of a local system that can be extrapolated to other subcultures and the construction of identities this book disrupts some of the more prevalent academic and lay understandings about street prostitution by providing a thorough analysis of the material conditions surrounding street work and their connection to discourse McCracken offers an explanation of how constructions can be made differently in order to achieve representations that are generated by the marginalized populations themselves while placing responsibility for this marginalization on the society in which these people live

Sex Markets Marina Della Giusta, Maria Di Tommaso, Steinar Strøm, 2008-03-03 Empirical and mathematically rigorous this book provides an analytical economic study of the supply and demand of prostitution rather than focusing on the sociological and cultural themes

Encyclopedia of Women in Today's World Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world

The New Handbook of Political Sociology Thomas Janoski, Cedric de

Leon, Joya Misra, Isaac William Martin, 2020-03-05 Political sociology is a large and expanding field with many new developments and *The New Handbook of Political Sociology* supplies the knowledge necessary to keep up with this exciting field. Written by a distinguished group of leading scholars in sociology, this volume provides a survey of this vibrant and growing field in the new millennium. The Handbook presents the field in six parts: theories of political sociology, the information and knowledge explosion, the state and political parties, civil society and citizenship, the varieties of state policies and globalization, and how it affects politics. Covering all subareas of the field with both theoretical orientations and empirical studies, it directly connects scholars with current research in the field. A total reconceptualization of the first edition, the new handbook features nine additional chapters and highlights the impact of the media and big data. *Encyclopedia of Prostitution and Sex Work* Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession. Isn't it time that the subject received a full reference treatment? This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival. The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States. The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature, art, law, medicine, economics, politics, women's studies, religion, sociology, sexuality, film, popular culture, public health, nonfiction, American and world history, business, gender, media, education, crime, race, technology, performing arts, family, social work, social mores, pornography, the military, tourism, child labor, and more. It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution. An introduction overviews the scope of prostitution from the earliest historical records including the Bible. User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index. A chronology proffers significant dates related to the topic. Each entry is signed and has suggestions for further reading. Sample entries: Abolition, Actresses, Augustine, Saint Barr, Candy, Bible, Camp Followers, Chamberlain, Kahn, Bill of 1918, Child Prostitution, Clothing, Contagious Diseases, Acts of 1864, 1866 and 1869, Crime, Debby, Doesn't Do It for Free, Dickens, Charles, Devadasi, Entrapment, Fallen Woman, Trope, Feminism, Films, Cult, Five Points, Free Love, Geisha, Globalization, Guidebooks, Hip Hop, HIV/AIDS and the Prostitution Rights Movement, Human Rights, Incest, Internet, Jack the Ripper, Kama Sutra, League of Nations, Lulu, Male Stripping, Mann Act, Mayhew, Henry, Memoirs, Migration and Mobility, Nazi Germany, Poetry, Purity Movements, R, Religion, Salvation Army, Scapegoating, Slang, Storyville, Temporary Marriage Unions, Venice, Window Prostitution. **Sex Trafficking** Tsachi Keren-Paz, 2013-06-07 *Sex Trafficking: A Private Law Response* examines existing and potential causes of action against sex traffickers, clients, and the state and argues for fair and effective private law remedies. Combining a theoretical inquiry about the borders of liability in torts and restitution with a political commitment to protecting the interests of victims of sex trafficking, this book offers a comparative doctrinal and socio-legal analysis of private law remedies, their justification

and their effectiveness Tsachi Keren Paz innovatively and convincingly makes the argument that all those directly involved in breaching the rights of victims of sex trafficking should compensate them for their losses and make restitution of the profits made at their expense Sex Trafficking A Private Law Response will be invaluable to both academics and practitioners concerned with prostitution modern slavery and trafficking and those interested in private law theory and practice
