Trickster's Choice Tamora Pierce, 2003-09-23 When you gamble with kingdoms, all bets are off. Legends are born in this thrilling and New York Times bestselling spy saga from the fantasy author who is legend herself. Tamora Pierce's Aly is from a family known for great deeds. She is the daughter of Alanna, the famed knight and King's Champion of Tortall. But even though she is bold and brave like her mother, her true talents lie on her father's side in the art of spying. When Aly is captured by pirates and sold as a slave to an exiled royal family in the faraway Copper Isles, she strikes a bargain with the trickster god. If she can keep young noblewomen Sarai and Dove safe for the summer, then he will return Aly to her family. The task should be simple, but Sarai and Dove are anything but. It's a time of murderous plotting at court, and Aly will need to rely on her training and the insights of a strange young man named Nawat to survive in a world where trust can cost you your life. Tamora Pierce's books shaped me not only as a young writer but also as a young woman. She is a pillar, an icon, and an inspiration. Cracking open one of her marvelous novels always feels like coming home.

LEIGH BARDUGO 1 New York Times bestselling author ***Trickster's Queen*** Tamora Pierce, 2004-11-30 The stage is set for revolution. Legends will rise in this dramatic New York Times and USA Today bestselling conclusion to *Trickster's Choice*, the spy adventure from the fantasy author who is legend herself. Tamora Pierce. No longer a slave, Aly has risen through the ranks of the rebellion to become a master of spies. And just in time, she is brought out of exile and into the heart of the snakes den—that is, the Copper Isles royal court. Still, Aly must keep her wager with the trickster god and protect her charges: Sarai, the beautiful, dramatic, and rash potential queen; and Dove, the more cautious and often overlooked younger sister. Can they step out of the shadows and prove they're a force to be reckoned with? As the revolution builds, Aly's relationship with half-crow, half-man Nawat deepens. But he must be prepared to step into a role bigger than his personal desires. And Aly must balance her passion for overthrowing the cruel leaders with the dangers lurking around every corner.
