Proud To Be Amish:

Proud to Be Amish M. Joudan, 1996 The Peoples of Pennsylvania David E. Washburn, 1981 Proud to be Amish Mildred Jordan, 1968 A Pennsylvania Dutch girl struggles to reconcile her strict Old Order Amish way of life with her desire for the worldly pleasures and comforts she sees around her *The Riddle of Amish Culture* Donald B. Kraybill, 2003-05-01 Revised edition of this classic work brings the story of the Amish into the 21st century Since its publication in 1989 The Riddle of Amish Culture has become recognized as a classic work on one of America's most distinctive religious communities But many changes have occurred within Amish society over the past decade from westward migrations and a greater familiarity with technology to the dramatic shift away from farming into small business which is transforming Amish culture For this revised edition Donald B Kraybill has taken these recent changes into account incorporating new demographic research and new interviews he has conducted among the Amish In addition he includes a new chapter describing Amish recreation and social gatherings and he applies the concept of social capital to his sensitive and penetrating interpretation of how the Amish have preserved their social networks and the solidarity of their community *Billy Connolly's Route 66* Billy Connolly, 2011-09-15 Follow much loved Scottish comedian Billy Connolly across Route 66 on this unforgettable journey filled with music modern history and hilarious stories Billy Connolly first dreamed of taking a trip on the legendary Route 66 when he heard Chuck Berry belting out one of the greatest rock n roll records of all time and now he's finally had the chance to do it Travelling every one of its 2 278 miles on his custom make motorbike Billy's journey takes him past many of the best known icons in the US the Gateway Arch in St Louis Monument Valley and the Grand Canyon and the funky neon lit gas stations and diners that once lined the route Billy also has the chance to get to know the people who call it home from Mervin the Amish carpenter to fellow banjo enthusiast and obsessive instrument collector Rob to Angel one of the many people determined to keep the spirit of the Mother Road alive Funny touching and inspiring in equal measure the tales he gathers on the way tell the story of modern America With his unrivalled instinct for a good story and the gregariousness that has made him a comedy legend Billy Connolly is the ultimate guide to the ultimate road trip The Wings of Morning Murray Pura, 2012-02-01 Lovers of Amish fiction will quickly sign on as fans of award winning author Murray Pura as they keep turning the pages of this exciting new historical romance set in 1917 during America's participation in World War I Jude Whetstone and Lyyndaya Kurtz whose families are converts to the Amish faith are slowly falling in love Jude has also fallen in love with flying that new fangled invention the aeroplane The Amish communities have rejected the telephone and have forbidden motorcar ownership but not yet electricity or aeroplanes Though exempt from military service on religious grounds Jude is manipulated by unscrupulous army officers into enlisting in order to protect several Amish men No one in the community understands Jude's sudden enlistment and so he is shunned Lyyndaya's despair deepens at the reports that Jude has been shot down in France In her grief she turns to nursing Spanish flu victims in Philadelphia After many months of caring for stricken soldiers Lyyndaya

is stunned when an emaciated Jude turns up in her ward Lyyndaya's joy at receiving Jude back from the dead is quickly diminished when the Amish leadership insist the shunning remain in force How then can they marry without the blessing of their families Will happiness elude them forever Welcome a powerful new voice to the world of Amish fiction **Der Reggeboge**, 1972 *The SAGE Encyclopedia of the Sociology of Religion* Adam Possamai, Anthony J. Blasi, 2020-02-14 The SAGE Encyclopedia of the Sociology of Religion takes a three pronged look at this namely investigating the role of religion in society unpacking and evaluating the significance of religion in and on human history and tracing and outlining the social forces and influences that shape religion This encyclopedia covers a range of themes from fundamental topics like definitions secularization dimensions of religiosity to such emerging issues as civil religion new religious movements This Encyclopedia also addresses contemporary dilemmas such as fundamentalism and extremism and the role of gender in religion **The Yoder Case** Shawn Francis Peters, 2003 In the late 1960s an Amish community considered state education detrimental to its own values When the state claimed truancy and took Jonas Yoder to court a legal battle of landmark proportions followed This volume is a complete and compelling account of the Yoder case **The Tavernier Stones** Stephen Parrish, 2010-09-08 When the body of seventeenth century mapmaker Johannes Cellarius floats to the surface of a bog in northern Germany with a 57 carat ruby clutched in his fist the grisly discovery ignites a deadly twenty first century international treasure hunt to unearth the fabled Tavernier stones The hoard reputedly contains some of the world's most notorious missing jewels including the 280 carat Great Mogul diamond and the 242 carat Great Table diamond Scrupulously honest Amish born cartographer John Graf teams up with outlaw prospector and gemologist David Freeman in a ferocious race to find the treasure and break a secret code that will unravel the centuries old Tavernier stones mystery But other fortune hunters opportunists and criminals alike are in hot pursuit of the mismatched partners and they'll stop at nothing to possess the legendary jewels Relentlessly fascinating Stephen Parrish's Tavernier Stones is reminiscent of Dan Brown's Lost Symbol It's one hell of a good time Mark Terry author of The Fallen **The Beauty Suit** Lauren Shields, 2018-05-15 A young feminist finds herself questioning why hotness has become necessary for female empowerment and looks for alternatives Looking good feels good But in a society where looking good is posited as being strong while negotiating for better pay is statistically proven to damage our careers is it fair to say that wicked eyeliner weekly blowouts and a polished Instagram feed are the keys to our liberation If so if hot really is a good enough synonym for empowered why do so many of us feel deep in our bones that the sexy as strong model is a distraction Is pretty still the closest to power women can get Why is looking fierce an acceptable substitute for living in a world where women are safe Inspired in seminary by American Muslimahs who wear the hijab for feminist reasons Lauren Shields took off what she calls the Beauty Suit the done hair the tasteful and carefully applied makeup the tight clothes and foot binding shoes for nine months She'd really only wanted to do an experiment Instead her life especially her views on what constitutes liberation changed forever Rooted in feminist theory and religious

history and guided by a snappy personal narrative *The Beauty Suit* unpacks modern American womanhood a landscape where the female body is still so often the battleground for male ideals and where we struggle with our rights as human beings to define and exercise our freedom *Americans Knocking at Freedom's Door* Bernie Lee (Yoder)

Smith-DeBoe,2016-08-05 Americans pursue life and liberty through their religious freedom economic well being and self governance that includes a basic understanding of the constitutional principles provided by our founding fathers Hopefully our pursuit of life and liberty also includes a curiosity to explore our rich and diverse history Americans Knocking at Freedom's Door is a uniquely American heritage of religious freedoms and government of and by the people The author Bernie Lee Yoder Smith DeBoe presents a conversational discussion and a historical exploration of our Christian roots This book begins with Noah's ark and continues with the ancient tribes the Middle Ages religious wars American DNA and why the early settlers came to America Our knowledge of American history generally includes our founding fathers the Civil War and more contemporary wars however this tells us very little about our early settlers their challenges and their background as people of religious faith This book offers some historical background and stories about those who established and helped the United States to grow and flourish It reminds us that we are Americans We stand together as Americans and we need to come together as Americans
