Proud Raven, Panting Wolf Emily L. Moore, 2018-11-20 Among Southeast Alaska's best known tourist attractions are its totem parks showcases for monumental wood sculptures by Tlingit and Haida artists Although the art form is centuries old the parks date back only to the waning years of the Great Depression when the US government reversed its policy of suppressing Native practices and began to pay Tlingit and Haida communities to restore older totem poles and move them from ancestral villages into parks designed for tourists Dramatically altering the patronage and display of historic Tlingit and Haida crests this New Deal restoration project had two key aims to provide economic aid to Native people during the Depression and to recast their traditional art as part of America's heritage Less evident is why Haida and Tlingit people agreed to lend their crest monuments to tourist attractions at a time when they were battling the US Forest Service for control of their traditional lands and resources Drawing on interviews and government records as well as on the histories represented by the totem poles themselves Emily Moore shows how Tlingit and Haida leaders were able to channel the New Deal promotion of Native art as national art into an assertion of their cultural and political rights Just as they had for centuries the poles affirmed the ancestral ties of Haida and Tlingit lineages to their lands Supported by the Jill and Joseph McKinstry Book Fund Art History Publication Initiative For more information visit http arthistorypi org books proud raven panting wolf Iron Wolf's Bride Karen Kay, I will return to you my love Jane Glenforest's father believed she was too young to marry so he d stolen her and her newborn son away from the handsome Assiniboine Indian she d wed and taken her to Surrey England In spite of divorce papers and rumors he s wed another Jane s never forgotten the man who d stolen her heart and given her son legitimacy When Buffalo Bill s Wild West show comes to England bringing her ex husband with it Jane's curious to see her lost love in spite of her new fianc Although Iron Wolf's purpose in working for Bill Cody's Wild West show is to fulfill his father s vision to find and stop a deceiver he fell in love with and married Jane Glenforest But no sooner had Jane given birth than her father stole her away Now a few years later Iron Wolf is coming to England with the hope of rekindling the love he once knew with Jane However instead of love he finds his wife loathes him believing he has married
