Proud Bastards:

The Proud Bastards E. Michael Helms, 2004-02-20 A riveting memoir of one marine rifleman's journey from Parris Island through the hell of Vietnam and the Tet Offensive with the Second Battalion Fourth Marines. In 1967 a young E Michael Helms boarded a bus to the legendary grounds of Parris Island where mere boys were forged into hardened Marines and sent to the jungles of Vietnam. It was the first stop on a journey that would forever change him and by its end he would be awarded the Purple Heart Medal Combat Action Ribbon Presidential Unit Citation Navy Unit Citation and the Vietnam Cross of Gallantry. From the brutality and endurance straining ordeals of boot camp to the endless horror of combat Helms paints a vivid unflinchingly realistic depiction of the lives of Marines in training and under fire. As powerful and compelling a battlefield memoir as any ever written Helms's grunt's eye view of the Vietnam War the men who fought it and the mindless chaos that surrounded it is truly a modern military classic.

The Proud Bastards E. Michael Helms, 1990 Nothing in his months of training had prepared Helms for the reality of the DMZ the thick red mud the heat of the jungle the noise the stink the pain. But he was a Magnificent Bastard a member of the BLT 24 Marines and he was there to do what he could willing to lay down his life for freedom.

Proud Beggars Albert Cossery, 2011-12-27 Early in *Proud Beggars* a brutal and motiveless murder is committed in a Cairo brothel. But the real mystery at the heart of Albert Cossery's wry black comedy is not the cause of this death but the paradoxical richness to be found in even the most materially impoverished life. Chief among Cossery's proud beggars is Gohar a former professor turned whorehouse accountant hashish aficionado and street philosopher. Such is his native charm that he has accumulated a small coterie that includes Yeghen a rhapsodic poet and drug dealer and El Kordi an ineffectual clerk and would-be revolutionary who dreams of rescuing a consumptive prostitute. The police investigator Nour El Dine harboring a dark secret of his own suspects all three of the murder but finds himself captivated by their warm good humor. How is it that they live amid degrading poverty yet possess a joie de vivre that even the most assiduous forces of state cannot suppress? Do they despite their rejection of social norms and all ambition hold the secret of contentment? And so this short novel considered one of Cossery's masterpieces is at once biting social commentary police procedural and a mischievous delight in its own right.

D. C. Moses, 2015-03-06 Having met at Ithaca University as graduate students the millennial year of 2000 soon approaching Sydney Steinberg and Corinna Kipnis consider each other their exclusive significant other While after graduation Corinna takes up a position as reference librarian in her hometown library of Thompsonville Syd hastens to finish his graduate degree in engineering But after some irrepressible soul searching he decides on a radical change of course he will instead attempt that more challenging career in the New York financial world he has always aspired to which in his estimate will not only demand his highest level of intellectual mastery but simultaneously will also position him at the very cutting edge of significant decision making This choice and the lifestyle it engenders set Corinna and Syd on deeply discordant life tracks and toward life goals that prove incompatible In the meantime Viktor Corinnas father and now professor emeritus has been summoned to California for a hospital visit with his cousin and boyhood hero Mitchell Kipnis Despite Mitchells palatial Malibu home Viktor perceives Mitchells loneliness as a widower and retiree and convinces him that a prolonged vacation in

his old hometown Thompsonville is just what the doctor would have ordered. Additionally, Viktor reminds Mitchell that his son Paul has just taken a position at Ely College in Thompsonville and would be an added companion. Mitchell consents to this transition and eventually becomes a thoroughly vibrant part of the whole Thompsonville scene. Inevitably, Corinna and Syd separate, and through this painful process, Corinna actually begins to fall in love with another person, having herself attained a depth and confidence she had never before realized. In this generational and career mix of interesting, well-realized characters, there are more than enough opportunities for dynamic clashes of values and priorities: small town community or big city glitz; wealth and power or a dedication to personal development; parents and their children retaining familial ties between generations or opting to go it alone. Plenty of opportunity for second thoughts and hopefully discovering second chances along the way. The reader might be drawn into some thoughtful reevaluation of his own basic assumptions. And that is of course the best of all outcomes.
